Cost – 40	35.59	40	38.06
Totals:	92.59	67.00	61.08

#### Clean Harbors

Strengths – With regard to approach, Offer provided financial statements and a thorough response with Metro specific details. The proposed approach was comprehensive. The qualifications and experience section included extensive detail and clearly demonstrated experience with projects of similar size, scope and complexity.

Weaknesses –

#### Tradebe

Strengths –

Weaknesses –The approach included a visual guide to the approach rather than a detailed, demonstrated approach to performing the work. Some of the information (licenses and permits) included in the qualifications and experience section seemed outdated. The information provided for reference projects was outdated, did not provide sufficient information to consider and were not all of similar size, scope and complexity.

#### Veolia

Strengths – Offeror includes a dedicated point of contact.

Weaknesses – The Offeror noted that litigation is part of the normal course of business raising concerns about the Offeror’s long term capacity to perform under this contract. Offeror did not provide information on the personnel that would perform work under the contract. The contract exceptions were significant. The information included for the reference projects did not include details to identify whether the projects were of similar size, scope, and complexity.

Solicitation Title & Number		RFP Cost Points
RFQ 894508 - Household Hazardous Waste Disposal		40
Offeror's Name	Total Bid Amount	RFP Cost Points
