## INTRODUCTION

---

The Office of Financial Accountability (hereinafter referred to as “OFA”) has completed a monitoring review of Second Harvest Food Bank of Middle Tennessee. A monitoring review is substantially less in scope than an audit. The OFA did not audit the financial statements and, accordingly, does not express an opinion or any assurances regarding the financial statements of the Second Harvest Food Bank of Middle Tennessee or any of its component units. The OFA is responsible for the internal monitoring of Metropolitan Government of Nashville and Davidson County (hereinafter referred to as “Metro”) agencies that receive federal and state financial assistance, including cooperative agreements and non-profit organizations that receive appropriations and Community Enhancement Funds from Metro government. In summary, any agreement(s) that imposes performance and/or financial requirements on Metro government is subject to review by the OFA.

The purpose of this review was to assess the agency’s compliance with contractual requirements set forth in the following contract with Metro Government:

<b>Contract</b>	<b>Type</b>	<b>Amount</b>	<b>Contact Term</b>	
L-3226	Community Enhancement Funds	\$152,500	July 1, 2014	June 30, 2015

### **Agency Background**

Second Harvest was designed to collect food that would otherwise be wasted, inspect and sort this food, and distribute it to soup kitchens, pantries, and shelters serving the hungry. During the first year, this process resulted in a total distribution of 160,000 pounds of food to 75 member agencies.

According to information provided by the agency Second Harvest Food Bank of Middle Tennessee is one of the largest food distribution centers nationwide. During the 2014 fiscal year, Second Harvest distributed food to over 450 Partner Agencies, providing more than 23 million meals of food to hungry children, families and seniors throughout our 46-county service area.

## OBJECTIVES, SCOPE AND METHODOLOGY

---

The objectives of our review were:

- 1) To determine whether the agency had the resources and capacity to administer the grant funds.
- 2) To determine if costs and services were allowable and eligible.
- 3) To verify that program objectives were met.
- 4) To test the reliability of the financial and programmatic reporting.
- 5) To verify contractual compliance.

The scope of our review was limited to the contract term July 1, 2014 through June 30, 2015.

The monitoring review procedures included meeting with agency management and staff, reviewing board minutes and obtaining written representations from management. In addition, we examined certain financial records and supporting documentation necessary to ensure compliance with contractual requirements set forth in contract L-3226. Specific procedures included:

- Interviewing the employees responsible for grant management, financial reporting and accountability.
- Reviewing supporting documentation of expenditures for allowability, necessity and reasonableness.
- Reviewing the agency's general ledger and verifying the accuracy of all invoices submitted to Metro.
- Reviewing documentation to determine that funds were used for intended beneficiaries and expended in accordance with the spending plan of the contract.
- Reviewing documentation to support program activities for consistency with grant requirements.
- Assessing the financial stability of the agency and its ability to continue to administer the grant program funded by Metro.

## RESULTS OF REVIEW

---

The overall results of the monitoring review are provided in this section. Results are based on testwork performed and include conclusions regarding specific review objectives and, if applicable, recommendations for improvement and an action plan for implementation. Where applicable, the Findings and Recommendations section of this report provides more insight into any issues identified below.

### **1. Sufficient Resources and Capacity to Administer Grant Funds**

Our review of the agency's accounting system and the qualifications of the individuals assigned to manage the accounting records indicate that the agency possesses the necessary resources and professional expertise to effectively administer the grant funds.

### **2. Allowable and Eligible Costs and Services**

Our review covered all of the core compliance areas identified by 2 CFR Part 200: *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*.

Additionally, the Metro Grants Manual requires separate accounting of the Metropolitan Nashville Government grant funds to prevent co-mingling of Metro Funds with other sources of funding. The agency was in compliance with this requirement. Different revenue classes as well as expenditure classes have been established to separately track the sources and amounts of funding. Also, the agency can easily and accurately report their expenses supported by the Metro grant.

Based on our test work, costs and services during the period were allowable and eligible.

### **3. Program and Performance Objectives**

The contract stipulates that the agency shall use the funds to provide the following outcomes:

## **RESULTS OF REVIEW**

---

- Maintain partnerships with 16 strategically located program sites and regularly monitor them to ensure proper food handling, storage, distribution, data tracking, and programmatic integrity.
- Purchase food to distribute 19,342 food boxes to the 16 sites through free weekly deliveries.
- Reduce hunger for 19,779 unduplicated individuals through the 16 sites.

Based on our review of program documentation and discussions with staff, program performance objectives were met and the agency was in compliance with contractual program objectives.

### **4. Reliability of Financial and Programmatic Reporting**

The contract requires submission of an annual audit report performed by a Certified Public Accountant. The contract also requires the agency to submit to Metro year end reports of the program outcome and a final expenditures report, no more than 45 days after the close of the contract.

We reviewed all applicable financial and programmatic reports required by the contract, including audited financial statements. Based on our review, the agency complied with all financial and programmatic reporting requirements.

### **5. Civil Rights Requirements**

Our review did not reveal anything to indicate that the agency was noncompliant with civil rights requirements. The agency also has necessary written policies and procedures relating to civil rights. The agency has not received any complaints regarding any form of discrimination. Further, civil rights and ADA postings are publicly displayed.
