METROPOLITAN CHARTER AMENDMENTS

METROPOLITAN CHARTER AMENDMENT NO. 1

SUMMARY

This amendment would increase the term limits effective as of the August 2023 Metropolitan Government general election for the office of vice mayor, district councilmember, and councilmember-at-large from two consecutive four year terms to three consecutive four year terms.

FULL LANGUAGE

Section 1.07 of Article 1 of the Charter of The Metropolitan Government of Nashville and Davidson County shall be amended by deleting subsection A. in its entirety and substituting in lieu thereof the following new subsection A.:

"No person elected and qualified to the office of mayor shall be eligible for the succeeding term in the same office if such person has served two consecutive four year terms in that particular office. Prior to September 1, 2023, no person elected and qualified to the office of vice mayor, district councilman, or councilman-at-large shall be eligible for the succeeding term in the same office if such person has served two consecutive four year terms in that particular office. From and after the metropolitan government elections to be held in August of 2023, no person elected and qualified to the office of vice mayor, district councilman, or councilman-at-large shall be eligible for the succeeding term in the same office if such person has served three consecutive four year terms in that particular office. For purposes of this section, the offices of district councilman and councilman-at-large, as established pursuant to section 3.01 of this Charter, shall be considered separate elected offices."

METROPOLITAN CHARTER AMENDMENT NO. 2

SUMMARY

This amendment would:

Increase the number of terms that a person is eligible to serve in the office of vice mayor, district councilmember, and councilmember-at-large from two consecutive four year terms to three consecutive four year terms. Beginning with the September 1, 2019 term, reduce the size of the Metropolitan Council from forty (40) to twenty-seven (27) members, reduce the number of Council districts from thirty-five (35) to twenty-four (24), and reduce the number of councilmember-at-large seats in the Council from five (5) to three (3). Require the Planning Commission to submit to the Metropolitan Council district boundaries for the twenty-four (24) Council districts not later than August 15, 2017.

FULL LANGUAGE

I. Section 1.07 of Article 1 of the Charter of The Metropolitan Government of Nashville and Davidson County shall be amended by deleting the first sentence of subsection A. in its entirety and substituting in lieu thereof the following two sentences:

"No person elected and qualified to the office of mayor shall be eligible for the succeeding term in the same office if such person has served more than one-half of a four year term and a consecutive complete four year term as mayor. No person elected and qualified to the office of vice mayor, district councilman, or councilman-at-large shall be eligible for the succeeding term in the same office if such person has served more than one-half of a four year term and two consecutive, complete four year terms in that particular office. For purposes of this section, the offices of district councilman and councilman-at-large, as established pursuant to section 3.01 of this Charter, shall be considered separate elected offices."

METROPOLITAN CHARTER AMENDMENT NO. 2 (continued)

II. Section 3.01 of Article 3 of the Charter of The Metropolitan Government of Nashville and Davidson County shall be amended by adding the following provisions as the end thereof:

"Beginning with the metropolitan government general election to be held in August 2019 for a term commencing September 1, 2019, the legislative authority of the metropolitan government of Nashville and Davidson County, except as otherwise specifically provided in this Charter, shall be vested in the metropolitan county council, sometimes hereinafter called "Council", which shall have a total membership of twenty-seven (27), including three (3) councilmembers-at-large, and twenty-four (24) district councilmembers. The entire electorate of the metropolitan government shall elect the three (3) councilmembers-at-large and each of the twenty-four (24) councilmanic districts shall elect one (1) district councilmember. There shall be twenty-four (24) council districts in the metropolitan government, which are hereby created and established as provided in Section 18.06 of this charter.

Not later than August 15, 2017, the planning commission shall submit a proposed ordinance to the metropolitan council in the manner provided in Section 18.06 of this charter, identifying twenty-four (24) council district. The district boundaries provided in such ordinance shall be drawn using the 2010 U.S. Census Bureau data in a manner to prevent substantial underrepresentation in a particular area or areas in compliance with applicable federal law."

METROPOLITAN CHARTER AMENDMENTS

METROPOLITAN CHARTER AMENDMENT NO. 3

SUMMARY

This amendment would provide that:

The Division of Purchases, when expending funds of the Metropolitan Government in the amount of one hundred thousand dollars (\$100,000) or more on a public real property improvement project, shall require that Davidson County residents perform forty percent (40%) of the total construction work hours worked by construction craft workers on each project.

The Division of Purchases shall require on each such project that a significant effort be made to ensure that no less than ten percent (10%) of the total construction worker hours are performed by low income residents of Davidson County.

The number of hours performed by non-residents of Tennessee shall be excluded in determining the total construction worker hours for each project.

A procedure for reporting total construction worker hours and a penalty for failure to comply with this requirement may be provided by ordinance or the Division of Purchases.

METROPOLITAN CHARTER AMENDMENT NO. 3 (continued)

FULL LANGUAGE

The Charter of the Metropolitan Government of Nashville and Davidson County, Tennessee, is amended by adding a new paragraph at Section 9.109-Function of division of purchases, as follows:

"In order that local taxpayers are protected and local Davidson County residents have opportunity to work on taxpayer-funded projects, the division of purchases, when expending funds or other resources of the metropolitan government in the amount of One Hundred Thousand Dollars (\$100,000.00) or more on a project for the building, altering, repairing, improving or demolishing any public structure or building or other public improvements of any kind to any public real property, but excluding professional services, shall require that one (1) or more residents of Davidson County perform Forty Percent (40%) of the Total Construction Work Hours worked by construction craft workers on each project whether workers are employed by a contractor or any subcontractor, and shall require that a significant effort be made to ensure that no less than Ten Percent (10%) of the Total Construction Worker Hours are performed by low income residents of Davidson County. In determining the Total Construction Worker Hours for each project, there shall be included the number of hours worked on all customary construction activities, but shall exclude the number of hours of work on the project performed by workers who are not residents of Tennessee. A procedure for reporting Total Construction Worker Hours and a penalty for failure to comply with this requirement may be provided by ordinance or by the division of purchases consistent with ordinances, and all reports will be made available to the public."
