SUBSTITUTE BILL NO. BL2014-774

A bill to be entitled: The Budget Ordinance of the Metropolitan Government of Nashville and Davidson County, Tennessee for Fiscal Year 2015

WHEREAS, Article 6 of the Metropolitan Charter provides for the preparation of the Annual Operating Budget of the Metropolitan Government and for its submission to the Council by the Mayor not later than May 1 of each year.

BE IT ENACTED BY THE COUNCIL OF THE METROPOLITAN GOVERNMENT OF NASHVILLE AND DAVIDSON COUNTY:

ARTICLE I

The amounts hereafter set out in Section I and Section II shall constitute the estimated revenues and applicable prorating provisions for property taxes, and the Operating Budget for The Metropolitan Government of Nashville and Davidson County, and the said sums specified herein are hereby appropriated for the purpose of meeting the expenses for the General Services District (GSD) and the Urban Services District (USD), respectively, for the various departments, institutions, offices, and agencies of the Metropolitan Government, and for meeting the payments of principal and interest on the Metropolitan Government debt maturing during the fiscal year beginning July 1, 2014 and ending June 30, 2015 (hereinafter referred to as Fiscal Year 2015 and FY2015).

The informational summary sheets immediately following are recapitulations of the detailed estimated revenue sources and budget appropriations by funds for purposes and in amounts numerically itemized by departmental accounts in subsequent schedules of Section I and Section II.

In order to facilitate proper grant accounting, the Director of Finance is hereby authorized to transfer grant-related appropriations and estimated revenues from the general funds to existing or new special revenue funds at his discretion.

The Director of Finance is hereby authorized to transfer funds as necessary to implement the Guaranteed Pension Plan program previously approved by the Metropolitan Council.

The Director of Finance is hereby authorized to carry forward and allocate in FY 2015 any unencumbered and unexpended funds at June 30, 2014 for General Government Administration, Employee Benefits and Contingency; Community Support; and Reserve appropriations.

The Director of Finance is hereby authorized to carry forward and allocate in FY 2015 any unencumbered and unexpended funds at June 30, 2014 for appropriations made from benefit trust fund accounts.

For the purpose of providing funds in anticipation of various grants, the Director of Finance is hereby authorized to enter into interfund loans between funds of the Metropolitan Government and between the Metropolitan Government and related but separate legal entities that are included in the Metropolitan Government's reporting entity, as permitted under the laws of the State of Tennessee. Nashville General Hospital (NGH) serves as a safety net facility in the provision of acute medical care services to residents of Davidson County, Tennessee. NGH requires additional financial resources in order to continue expanding the safety net to meet the challenges in covering the increasing costs of providing acute care healthcare services to the indigent, uninsured and Medicaid/TennCare patients in Davidson County, and to increase access to acute care services that would otherwise be unavailable to these populations. A new, nonrecurring appropriation of \$35,000,000 is provided to the Hospital Authority, \$28,500,000 of which is provided for the Fiscal Year 2015 operating budget and a new and additional appropriation of \$6,500,000 is hereby authorized to provide Nashville General Hospital the opportunity to utilize these funds through an intergovernmental transfer to the State of Tennessee as a match to access Federal funds for use by the Hospital Authority. This action is taken in cooperation with the appropriate authorities representing the State of Tennessee. This transaction requires the approval of the Centers for Medicare

and Medicaid Services (CMS). In the event that CMS fails to approve this transaction, the \$6,500,000 will be paid to the Hospital Authority, and therefore, NGH. The Mayor is authorized to execute any and all documents necessary to complete the above-referenced transaction with the Federal and State governments.

Funds received by the Metropolitan Government from the sale of real property owned by the Board of Education, less any expenses incurred by the Metropolitan Government in connection with the sale of such property, shall be allocated to Metro Schools by the Director of Finance and are appropriated for school purposes as determined by the Board of Education.

It is not the intention of the Metropolitan Council in adopting this budget ordinance or in the adoption of previous budget ordinances, to appropriate any monies for the payment of claims arising out of the performance of a government function and for which the defense of governmental immunity is a valid defense.

In the event adjustments are made to internal service fund budgets by the Metro Council, the Director of Finance is authorized to adjust the affected operating budgets of internal service funds, special revenue funds, enterprise funds, and departmental operating budget accounts. The Director of Finance is authorized to adjust internal service fund budgets for purposes of incorporating pay plan adjustments as authorized by the Metro Council.

For purposes of expediting flood recovery efforts during the fiscal year, the Director of Finance is hereby authorized to provide funding approval to proceed with flood related projects where reimbursement for said projects is expected from Federal Emergency Management Agency (FEMA) funds, insurance proceeds and/or other identified funding sources, conditioned on the following: (1) all such reimbursements from federal and/or state grants are submitted to the Metropolitan Council for ratification at the time the funds are awarded; and (2) the Director of Finance provides the Metropolitan Council with a monthly report detailing the expenditures and the amount of reimbursement funding received.

The Director of Finance is hereby authorized to carry forward and allocate remaining funds at June 30, 2014 and funds received during FY 2015 from Hotel Occupancy Tax Funds (30047 Hotel Occupancy 2007 1% Secondary TDZ Fund) enacted pursuant to Ordinance BL2010-727 for the purpose of reimbursing expenses related to the repair and renovation of the Grand Ole Opry House due to damages directly caused by the May 2010 flood.

The Director of Finance is hereby authorized to carry forward and allocate in FY 2015 any unencumbered and unexpended funds at June 30, 2014 from the Small Business Incentive program created pursuant to BL-2013-420.

The Director of Finance is hereby authorized to carryforward and allocate in FY 2015 any unencumbered and unexpended funds at June 30, 2014 for the Study and Formulating Committee.

The Farmers' Market, State Fair and Municipal Auditorium shall provide the Metropolitan Council and the Director of Finance a monthly report of revenues and expenses with year-end projections.

The Director of Finance shall allocate all proceeds from the sale of the 222 Building to the GSD Debt Service Reserve Fund.

The Director of Finance is hereby authorized to carry forward and allocate in FY2015 any unencumbered and unexpended funds at June 30, 2014 for appropriations made for the Community Garden Grant Program.

The Director of Finance is hereby authorized to increase the authorized position count(s) for the Department of Human Resources to administer domestic partner benefit services contingent upon the Metro Counci's approval of BL2014-779. Such increases in position(s) shall be subject to the Metro Benefit Board's approval of funding to cover the cost.
