# Distinguished Budget Presentation Award

The GFOA is the leading association for government finance professionals in North America. We first received the award for the fiscal year 1991-1992 book, and we have received it every year since. This year's was given for our *FY2018 Operating Budget* book. GFOA's Distinguished Budget Presentation Awards Program is the only national awards program in governmental budgeting. The government also holds GFOA's Certificate of Achievement for Excellence in Financial Reporting for our Comprehensive Annual Financial Report.

# How to Use this Book

## Format and Organization of this Book

As the previous Table of Contents demonstrates, this book divides budget information into different sections, each with its own series of page numbers.

**Section A** is the Executive Summary of the budget, followed by supplemental information about Metro, its organization, finances, and budget.

**Section B** is the Budget Ordinance and Tax Levy filed as required by Metro Code.

**Section C** is the Internal Services section which details the individual internal service charges by type for each department. It also contains the methodology for calculating each internal service charge.

**Sections D-J** present more descriptive operational and budget information about each department (board, commission, or elected office). These departments are grouped by function into each section.

**Section K** (electronic) presents the program budgets for each department in the same order as Sections D-J.

All departments included in this book have a uniform format. Each department's budget is presented in a program-based format that provides the reader with a wealth of information, not only about the department's budget, but also about its mission, goals and performance toward providing the very best results possible for citizens.

The following pages provide an example and explanation of each part of the agency budget book pages.

## Format and Organization of the Department Pages

Sections D-J of this book contains information at the department level about the:

**Mission** – Every department's budget pages include a mission statement. A mission statement is a clear, concise statement of purpose for the entire department that focuses on broad, yet distinct results that will be achieved. This statement answers the question, "*Why does this department exist?*"

**Budget summary** – Following the mission statement is a table that summarizes the department's financial information for all of its annually budgeted funds. It also includes the location of the department as well as the top managers who can explain the budget. This table also contains *per capita* expenditure information at the department level.

**Organizational structure** – The organization chart shows major department units (divisions/bureaus, etc.) and how they report to the department's director, elected official or board.

**Listing of the programs and lines of business** – In addition to the organization chart, these pages also include a listing of the lines of business (**in bold**) and programs.

**Budget highlights** – Budget highlights summarize changes between the FY17 and FY18 budgets. Changes in

funding and FTEs are noted, along with the impact of that funding change on performance.

**Financial** – This table includes a difference column and a % change column for each expenditure listed. At the bottom of the financial page is the *per capita* expenditure information for the department.

**FTE information** – The FTE information found at the end of each department's information presents the budgeted headcount and full-time equivalent (FTE) position information by fund and classification, along with the class number and pay grade.

**Budget and performance information by program** – Each program listed includes a statement of purpose – a "mini-mission" as well as a table that presents the budget; full-time equivalent (FTE) positions by fund type (GSD General, USD General, and other Special Purpose Funds). This presentation is designed to consistently present budgetary and performance information in a format that is easy to read.

The table for each program also includes a difference column and % change column. These two columns show the difference in the budget and performance from FY18 – FY19.

## How to Read Budget Book Financial Schedules (Revenue and Expenditure Object Groups)

### The Chart of Accounts

The budget is organized according to Metro's chart of accounts – the financial accounting and coding structure used in both the budget ordinance and this book. The chart of accounts is composed of funds, business units (BUs), and object accounts.

**Funds** are accounting entities with their own assets, liabilities, equity, revenues, and expenditures, for certain specific activities or to accomplish definite objectives. Funds may involve many agencies. Legal requirements or financial policies usually restrict our ability to move money between funds, so we cannot necessarily replace or fund operations in one fund with money from another fund. Likewise, in special purpose funds, we often cannot move money from one department to another.

Each fund is made up of one or more **business units** (BUs). BUs are the lowest levels at which we manage and/or report separate financial data; they represent an organizational unit, program, or activity within an agency and fund. A fund may have several BUs, but each BU is associated with only one fund. BUs can also be grouped by **agency**. In departments with strategic business plans, related BUs also form **programs** and **lines of business** that may cross funds.

**Object accounts** represent individual types and sources of revenues or uses of expenditures.

The Finance Department maintains detailed financial information by fund, business unit, and object account. However, this book presents the budget at a more understandable level by agency, fund (or groups of minor funds), and object group.

### Changes in Presentation

Changes in reporting requirements have caused many Transfers to Component Units (certain Metro agencies) to be now classified as Other Expenses. In FY 2005, the Finance Department split the General Government Grants Fund into individual departmental grants funds; these were and are classified as special purpose (specifically, special revenue) funds.

### How to Read the Financial Pages

Each agency's financial page presents a summary of revenues and expenditures for the department's operations in one of three fund types:

- The GSD General Fund,
- The USD General Fund, and
- Special Purpose funds (the combined total of annually budgeted enterprise, internal service, special revenue, and similar funds, although that money may not be interchangeable).

The top half of the page presents uses of money – expenses, expenditures, and transfers to other funds and component units of the government. The bottom half presents sources of money – revenues and transfers from other funds.

The difference between total expenditures and program revenues indicates how much the agency's programs depend on public money.

The remainder of this page and the next page describe, in order, what is represented by the rows of the expenditure and revenue financial tables.

### OPERATING EXPENSE

**PERSONAL SERVICES** – Salaries and wages (regular, holiday, injured on duty, leave, longevity, shift differential, out of class pay, open range increases, overtime, and perfect attendance); fringe benefits (auto allowance, dental, group health, group life, social security, pension, and FSA pre-tax savings); and per diem and other fees (instructors, court reporter, game official, jury pay, legislative delegate, other per diem fees, poll workers, and witness fees)

#### OTHER SERVICES:

Utilities – Electricity, gas, water, cable television

Professional and Purchased Services – Accounting, appraisals, architectural, auditing, demolition, dialysis, engineering, facilities management, investigators, laboratory, landscaping, legal, management and software consultants, project administration and management, subcontractors, administrative services, archiving, billing, bottled water, care of persons and animals, chipper service, collections, disposal, recycling, flight service, food preparation, grounds maintenance, hazardous waste disposal, health services, internet services, interpreters, janitorial, laundry, meter reading, other purchased services, personal contract service, pest control, property protection, recycling, sweeping, and towing

demolition, nursing home, personalty, professional privilege, and sales taxes); and grant contributions and awards made by Metro agencies to others (contract performance bonus, contributions and grants, employee awards, training stipend); printing, advertising, promotion, amortization expense, arbitrage rebate, bond sale expense, compensation for damages, debt service, dental claims, depreciation, discount on bonds, educational programs, health claims, interest expense, pension, principal retirement, buildings, building improvements, capital outlay, computer equipment, furniture and fixtures, infrastructure, land, machinery, motor vehicles, budget allotment offset, budget intra-fund transfer, NCAC charges

**TRANSFERS TO OTHER FUNDS & UNITS** – Transfers and subsidies to other agencies, funds, debt service, environmental remediation, local grant match, and operational transfers

**PROGRAM REVENUE** – Fees, charges, grants, and contributions specifically generated by or for services that the department provides. They are intended to fully or partially fund the specific program, and so reduce the net cost of the program to be financed from the government's general revenues. They may be generated either from the program's customers (like user fees) or from outside parties (like grants).

**Charges, Commissions, and Fees** – Charges and fees to customers made by Metro agencies for the services they provide, including enterprise fund charges, internal service fund charges, admissions, advertising, ambulance fees, appeals, concessions, data processing fee, day care service, disposal fee, drug testing, dumping, engineering fee, entry fees, external source recovery, fire hydrant inspection, golf cart rental, green fees, immunization fees, legal services, lobbyist registration, maps, Medical Examiner fees, medical services, membership fees, client reimbursements, parking, Police secondary employment, publications, radio repair, vehicle emission test fees, workshop fees, and court, court clerk, and elected officials' commissions and fees

**Federal: Direct and Pass Through** – Grants, revenues, and reimbursements that Metro receives directly from the Federal government such as Department of Justice revenue sharing, Medicare, SSI reimbursements, and other federal grants, Federal grants, revenues, and reimbursements that Metro receives through the state, such as most Medicaid/TennCare, Federal grants, revenues, and reimbursements that Metro receives other than federal direct or federal through state, including some Medicaid/TennCare and Medicare

**State Direct** – Revenues from grants, revenues, reimbursements, and state-shared revenues that Metro receives from the state, such as alcoholic beverage tax

apportionment, drug enforcement, education appropriation, excise tax allocation, felony forfeitures, gas and fuel tax, gas inspection fees, post-mortem reimbursements, and Metro's share of the state sales tax levy

**Other Government Agencies** – Revenues from agencies of other governmental units

**Other Program Revenue** – Cash contributions from groups or individuals, sale of donated property, cost reimbursement, litigation settlement, premium for property loss, premium for self-insured liability, recycling rebate, sales of miscellaneous items, unapplied deposit, unclaimed property, vending revenue, bond proceeds, contributions of capital, easement rights, finance charges, Metro Investment Pool interest, notes proceeds, premium on bonds

**NON-PROGRAM REVENUE** – Revenues that are recorded by the EBS accounting system in the department's business units, but are not intended to support the department's programs. This includes:

**Property Taxes** – Real, personal, and public utility *ad valorem* taxes and payments in lieu of them.

**Local Option Sales Tax** – Local option sales taxes, Tennessee telecommunication sales tax

**Other Taxes, Licenses, and Permits** – Alarm permits, alcoholic beverage tax, beer permits, building and excavation permits, business tax, taxicab and wrecker license, franchises, hotel occupancy tax, marriage license, motor vehicle license, obstruction and street closure permits, sidewalk and right-of-way permits, solicitation permits, wholesale liquor tax

**Please see the example pages on the following pages for additional information**

# Department Name-At a Glance

Each department's budget pages include the department's **mission statement**.

**Mission** The mission of the Department of Finance is to provide financial management, information, and business services to policy makers, departments, agencies, investors, and the Nashville community so they can have confidence in Metro Government, make informed decisions, and achieve their results.

## Budget Summary

The mission statement is followed by a **summary table** that summarizes the agency's financial budget for all of its annually budgeted funds as well as information about the number of positions within the department.

## Strategic Resource Allocation and Management Line of Business

The purpose of the Strategic Resource Allocation and Management Line of Business is to provide knowledge, planning, advisory and consultation products to Metro departments and agencies, policymakers and the Nashville community and investors so they can make better informed decisions and have confidence that Metro is using public resources in the most effective and efficient way possible.

## Budget Planning and Management Program

The purpose of the Budget Planning and Management Program is to provide budgetary assistance and information to the Mayor, Council, and Metro departments so they can make well-informed budgetary decisions and to assist departments in effectively managing their resources.

Each program includes a purpose statement that describes what the program provides to its customers.

# METROPOLITAN GOVERNMENT OF NASHVILLE AND DAVIDSON COUNTY

DAVID BRILEY  
MAYOR

OFFICE OF THE MAYOR  
METROPOLITAN COURTHOUSE  
NASHVILLE, TENNESSEE 37201  
PHONE: (615) 862-6000  
EMAIL: [mayor@nashville.gov](mailto:mayor@nashville.gov)

Fellow Nashvillians:

Our city has seen incredible growth and prosperity in recent years, and as a result we have enjoyed historic revenue collections. While the fundamentals of the city are very strong, we do have an estimated \$34 million revenue shortfall in the current fiscal year that has required some tough decisions for the FY 2019 recommended budget.

Just as we all manage our family budgets at home, when resources become limited we tighten our belts and get back on track. This year, Metro is going to do that, too.

This budget is a status quo spending plan that maintains department budgets at current funding levels with very few exceptions. At \$2.23 billion, this budget recommends a \$22 million increase over the previous fiscal year, or less than 1 percent growth.

While this is not an ideal situation, the budget does meet our obligations for opening new facilities, debt service and other projects, and it recommends fiscally prudent investments in public education, affordable housing and homeless services, Metro employees, and health and hospitals. Most importantly, this budget **does not** reduce programs and/or services and it **does not** raise taxes.

I know you expect me to manage through challenging circumstances, and this budget demonstrates my commitment to do just that. Thank you for providing me the opportunity to serve.

Sincerely,

A handwritten signature in blue ink that reads "C. David Briley".

David Briley  
Mayor

## Introduction

This summary and the remainder of this book present the Metropolitan Government's balanced \$2.23 billion operating budget for FY2019. All funds are required to balance. As such, total anticipated revenues must equal the sum of budgeted expenditures for each fund. Revenues are derived from four sources: current revenue charges, increases in existing revenue charges, new revenue sources, and unallocated reserves carried forward from prior years.

## Budget Approach

Over the last two fiscal years, Metro has experienced historic levels of revenue collections allowing the city to make much needed investments in education, transit, affordable housing, public safety, and community & economic development.

Property and sales tax revenues returning to normal growth patterns, however, with an expected \$34 million shortfall in revenue and \$20 million in supplemental spending requests for FY 2018 has meant that a high level of fiscal discipline had to be executed in preparation of the FY 2019 Operating Budget.

The directive of the administration has been to create a fiscally prudent budget that does not increase Metro's historically low property tax rate. Under the guidance of the Finance Director, departments have submitted and been recommended to receive status quo budgets that maintain public services while making fiscally responsible investments in priority areas.

## Budget Priorities

Key areas identified for investment in the FY 2019 Operating Budget include:

- Public Education
- Affordable Housing & Homeless Services
- Metro Employees
- Health & Hospitals

Changes from the FY2018 budget are detailed in the "Highlights" of each department's narrative in this document. This information is also accessible via the Citizens' Guide to the Budget web site at [www.nashville.gov/citizens\\_budget](http://www.nashville.gov/citizens_budget).

## Public Education

School Fund Budget	
FY2018	\$879.3 million
FY2019	\$884.3 million
Net-Increase	\$ 5.0 million

The public education budget was developed by the Metro Nashville Public Schools' administrative staff and initially presented in draft format to the Metro Nashville Public Schools (MNPS) Board of Education for review. After receiving input from the community, parents, staff, and students, the budget was reviewed, adjusted, and approved by the MNPS Board.

The budget funds MNPS at \$884.3 million. While this is a net addition of \$5 million, in total Metro is investing an additional \$13 million in local funding over FY 2018.

Due primarily to lower than expected enrollment, MNPS lost and will lose approximately \$13.2 million in state funding. The FY 2019 operating budget recommends replacing those lost state dollars by selling MNPS surplus property.

## Transportation and Infrastructure

Well thought out transit options are important to maintaining future city growth. Metro's strategy to addressing transit and infrastructure issues are, in large part, laid out in the Metropolitan Transit Agency (MTA) long-range strategic plan called nMotion.

The FY2019 budget maintains funding of \$48,635,900 million to the Metro Transit Authority in the form of an operating subsidy. The MTA consists of city buses and paratransit, the system serving Nashville and Davidson County. Most bus routes serve the downtown transit station, Music City Central. Besides the bus fleet, the FY19 Budget gives \$1,500,000 to the Commuter Rail Service, the Music City Star. This services runs between Nashville and Lebanon, Tennessee.

Public Works received \$2.8 million for infrastructure needs. This funding will provide \$1.3 million to support areas of Davidson County that have been annexed into the Urban

Services District. When a property is annexed into this area, additional services, such as garbage collection and street lighting are provided. The rest of the funding is for a contractual increase with the Downtown Partnership of \$1.5 million. The contract provides parking and other services in the downtown area.

## **Affordable Housing and Homelessness**

The FY2019 budget continues to recognize that Metro's growth has resulted in increasing housing prices, making it unaffordable for some to live in Metro. Metro will continue to support the Barnes Fund for Affordable Housing with a \$10 million appropriation and will provide \$450,000 in continuation funding for the Housing Incentive Pilot.

## **Community and Economic Development**

The FY2019 budget is committed to provide a good quality of life for all Nashville citizens. A one million dollar enhancement for the park system has been included to fully fund the two new newest regional community centers opened during FY2018. Smith Springs Community Center will receive an additional \$600,000 and Madison Community Center will receive an additional \$400,000.

For the first time, Metro will be contributing to four specific Chambers of Commerce. The Nashville LGBT Chamber, the Nashville Black Chamber of Commerce, the Tennessee Latin American Chamber, and the Nashville Area Hispanic Chamber of Commerce will each receive \$25,000. This is in addition to the Nashville Chamber of Commerce receiving \$350,000 for Partnership 20/20.

## **Public Health and Hospitals**

The FY2019 budget includes additional funding of \$11.1 million for Nashville General Hospital, Metro's safety net hospital. For the past three fiscal years, Nashville General has required additional supplemental funding. This budget increase will fully fund the hospital without requiring mid-year supplemental funding.

The Public Health Department is recommended to receive \$740,400 to continue programs that were approved in FY18. One program funded for \$440,000 is through the Mental Health Cooperative's 24/7 Mental Health Crisis Services Center which provides emergency psychiatric care. The other program funded for \$100,000 provides continued funding for an animal welfare program. Additionally, the Health Department will receive \$200,000 to fund a competitive grant program for non-profits providing services not provided by Metro, as well as services that enhance existing Metro programs.

## **Public Safety**

Public Safety Budget	
FY2018	\$453.5 million
FY2019	469.7 million
Increase	\$16.2 million

Metro continues to focus on ensuring that our citizens are safe by providing the necessary personnel, training, and equipment to our Public Safety programs. Highlights from selected departments include:

### **Police**

The Police Department's annual budget for FY2019 provides \$2.4 million in additional funding for the Secondary Employment Unit (SEU). This funding includes two additional positions to monitor off-duty police employment activities taking place in Nashville-Davidson County. The SEU is located in the Custom Services Division of the Metro Police Department. The SEU contracts with Metropolitan Government agencies, as well as private businesses and organizations, in need of the services of an off-duty Metro police officer.

### **Office of Family Safety**

The Office of Family Safety will receive additional funding of \$286,500 to replace a previously grant funded position and to provide funding related to a new facility that will become operational during FY2019. Additionally, \$200,000 has been provided to fund a competitive grant program for non-profits providing domestic violence services.

## Sheriff

The Sheriff is undergoing the major project of rebuilding the existing Criminal Justice Center in its existing footprint. An additional \$1 million has been funded to enhance security at the Harding Complex, and \$241,500 has been funded for security needs at the new Family Justice Center. Finally, The Steering Clear PIP was deemed a success, and funding of \$470,100 has been provided to continue that program. The purpose of Steering Clear is to remove financial and other barriers for drivers' retaining their licenses. Instead of arresting drivers or seeking payment of exorbitant fines, Metro Nashville will instead offer public service or driver education programs. The program is a cost-saving measure for the court system, as well as beneficial to drivers.

## Youth and Family

Investing in youth is investing in our future. The administration recognized in FY18 the importance of investing in youth in many ways, including increased commitments to education and a major youth employment initiative. The administration is continuing the commitment to youth employment opportunities with continued funding of \$3 million for Opportunity NOW for funded internships within Metro or through local non-profit organizations. Additional employment opportunities are facilitated through direct connections between private employers and young people in the county.

In addition to giving our youth the opportunities to find employment, the administration is committed to deterring youth violence. Total funding of \$250,000 has been provided, including \$50,000 for grassroots initiatives.

## Pay Plan/Benefit Adjustments

It is important for Metro to attract and retain a qualified workforce. As part of its employee hiring and retention strategy, Metro strives to offer competitive wages. To support employees, the administration has proposed funding of \$8.5 million for employee increments of 3% and for open range increases of 2.5% in order for most employees to receive raises during FY2019. Additionally, \$2.2 million has been funded for retiree health premiums.

## FTE Adjustments

The table below illustrates changes in full-time equivalent (FTE) counts for FY2017 through the FY2019 budget for positions funded by the general funds.

FTEs by Fund Group				
	FY17	FY18	FY19	FY18-FY19 Variance
GSD	6,424.96	6,642.20	6,709.70	67.50
USD	756.50	728.50	698.50	-30.00
Total	7,181.46	7,370.70	7,408.20	37.50

For FY2019, the GSD and USD show a net increase in FTE's from the previous year. The majority of the increase for FY19 was 32 FTEs for the Sheriff's Office. Additionally, the Fire Department reallocated positions from the USD to the GSD to more accurately reflect staff assignments. For a detailed list of FTE's by department including additions and reductions, see Appendix 1 Schedule 3. This appendix also includes information on FTE's funded by other revenue sources.

## Economic Trends

The resources available to Metro are directly and indirectly dependent on the strengths of the National and State economies. Given these relationships, the status of these economies and their impact on Metro are reviewed prior to setting funding levels.

Economic growth in Tennessee outpaced that of the national economy in 2016, as inflation-adjusted gross domestic product (GDP) expanded by 2.6% for the state, compared to 1.5% at the national level. The two are expected to switch roles by the end of 2017, with continued advancement projected for Tennessee, albeit at a more tempered pace of 2.1%. Comparatively, the US economy is projected to grow 2.3%. Nominal personal income also grew by 2.5%, trending higher than the nation overall by 1.29 percentage points, while driving in an additional 5.3% in taxable sales over the same time period. This trend is expected to slow in the next year, with forecasted increases of 2.0% and 4.6%, respectively. These finishes would represent greater growth for the state for the year than that experienced by the rest of the country.

Unemployment also performed favorably across the state during 2016, dropping steadily throughout the year from 3.8% in January to 3.4% by the end of the year. A slight uptick during the third quarter did not detract from an impressive annual average of 3.7%, down from 4.5% the year before. This trend has continued into 2017, with recent estimates indicating a fall in the rate to 2.9%. Low levels of unemployment have been met with continued employment growth, which increased by 2.6% during the year, the beneficiary of additional job creation. This strength of the state economy has been relatively short-lived, as employment levels did not return to pre-recession ranks until 2014. Recently released figures show continued state job creation for 2017, outpacing the country for the third quarter of the year 1.5% to 1.3%, respectively. The estimated labor force for the state of Tennessee now stands at 3,139,378. As of March 2018, the estimated labor force in Davidson County is 394,980 with 384,740 being employed.

The two largest private sector employers in Nashville/Davidson County are Vanderbilt University Medical Center, with an estimated 20,428 employees, and HCA Holdings, Inc., with over 10,000 employees, helping earn the city the moniker "Healthcare Industry Capital." Nearly \$40.0 billion of economic impact is derived from the area's healthcare industry annually. The largest employer overall is the State of Tennessee, with 25,777 employees. Rounding out the city's top four employers is the U.S. Government, employing 13,148. Mimicking declines witnessed in previous years, Nashville's unemployment level likewise dropped in 2016, from 3.8% to 3.4%. The city continued to benefit from considerable population growth, among the fastest in the country. This increase offset job expansion from the area's top employers, a trend that is expected to continue into the next year.

As of 2016, there were 306,393 households in Davidson County, which has a homeownership rate of 54.0%. That same year the median sales price of homes sold in the county was \$248,250. That figure has continued to climb since, consistently breaking year over year monthly records. Sales figures for the first quarter of 2018 exhibit year over year growth of 13.0%, resulting in average prices that are 46.0% greater than the market's pre-recession peak in 2007. Strong growth, high demand, and low inventory project a continuation of this upward trend, as new construction attempts to keep pace with population driven demand.

Current GDP (2016) for the State of Tennessee is \$331.9 billion. Based on the most recent data available from the Bureau of Economic Analysis, the GDP for Nashville – Davidson MSA was \$117.8 billion in 2015 and \$124.2 billion in 2016. This change is reflective of an increase of 5.4%, which exceeds the relative production of both the state and nation during the same time period.

## **Property Reappraisal**

The Assessor's Office conducts a property reappraisal every four years under Tennessee state law. The reappraisal estimates the value of all property in Davidson County. This is performed to periodically adjust recorded property assessments to generally reflect market values.

State law also requires that this reappraisal be revenue neutral for local governments. This means that as the aggregated value of property changes, the tax rate must change as well to ensure that the local government receives the same amount of revenue. So if the property in the county collectively increases in value, the actual property tax rate needs to drop so that the revenue collected remains the same. The most recent reappraisal occurred in calendar year 2017, resulting in an unprecedented decrease in the Certified Tax Rate for FY2018 due to considerable market appreciation.

## Revenues

The tone of any government's budget is always set by the availability of resources. Revenues and available fund balances must be able to support budgeted expenditures, and both the Metropolitan Charter and Tennessee Law prohibit deficit financing. The largest sources of revenue are property taxes and sales taxes, which are discussed below.

## Property Taxes

Property Tax Budget	
FY2018	\$1,021.3 million
FY2019	1,036.3 million
Increase	\$ 15.0 million

The predominant source of revenue is Property Tax. Property tax is forecasted to increase by 1.5%, from \$1,021.3 million to \$1,036.3 million, between FY2018 and FY2019. In FY2018, the combined property tax rate decreased from \$4.516 per \$100 of assessed valuation to \$3.155, the lowest in Metro's history.

The combined USD-GSD rate is the total paid for property in the USD; property outside of the USD is taxed at the GSD rate. Residents of the satellite cities within Metro pay the GSD rate plus the rate set by that satellite city.

FY2019 Property Tax Distribution (Rates per \$100 of Assessed Value)			
District	Fund	2018 Rate	2019 Proposed Rate
GSD (General Services District)	General	\$1.338	\$1.338
	Schools General Purpose	0.994	0.994
	General Debt Service	0.297	0.297
	Schools Debt Service	0.126	0.126
	Subtotal - GSD	\$2.755	\$2.755
USD (Urban Services District)	General	\$0.334	\$0.334
	General Debt Service	0.066	0.066
	Subtotal - USD	\$0.400	\$0.400
Combined USD/GSD rate		\$3.155	\$3.155

Metro's property tax rates are the lowest of the four major Tennessee cities and competitive with those of surrounding areas. The following chart represents the tax rate for Nashville in FY2019 and the current tax rates for Knoxville, Chattanooga, Memphis, Murfreesboro, and Franklin.

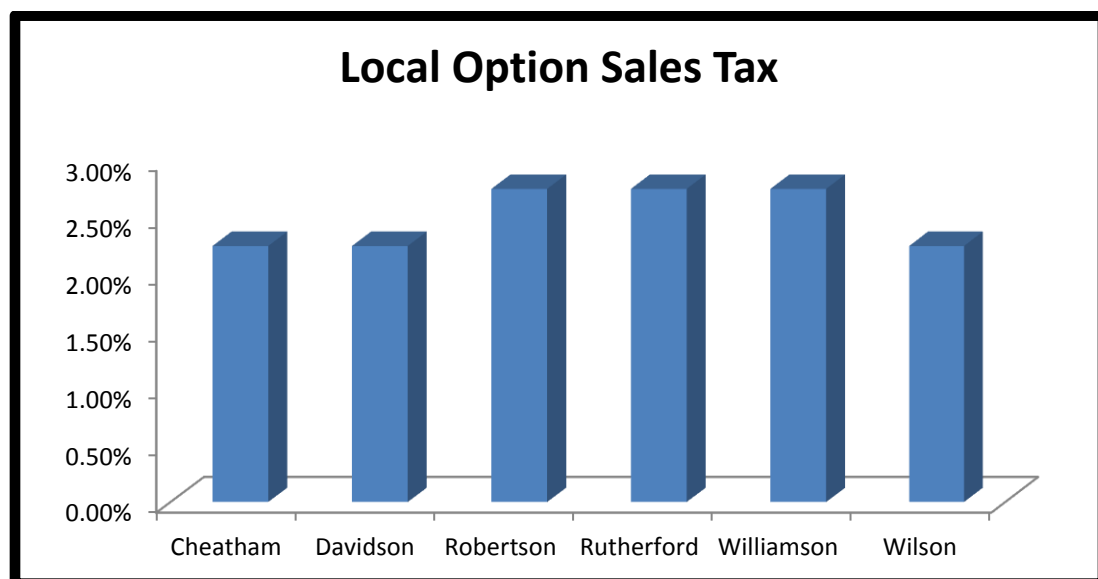

#### Local Option Sales Tax

Sales Tax Budget	
FY 2018	\$413.2 million
FY 2019	438.1 million
Increase	\$ 24.9 million

Continued economic growth is projected to have an immediate effect on sales tax collections and secondary effects on other revenue sources. Taxable sales are expected to increase in FY2019 by 6.0% from FY2018.

The budget includes no change in the rate of the 2.25% local option sales tax. By State law, at least 1/2 of the local sales tax must be allocated to schools. Nashville Davidson County has chosen not to increase to the state allowed maximum of 2.75%. The following chart shows local sales tax rates in surrounding counties. Note these percentages represent the FY2018 rates.

Davidson County's Local Option Sales Tax Rate is 2.25% as of April 1, 2018. By comparison, Robertson, Rutherford and Williamson County rates are higher by 0.50% at 2.75%. Cheatham, Sumner, and Wilson County are all comparable to Davidson County, at 2.25%.

#### Federal, State, and Other

Federal, State, & Other Gov't Agencies Budget	
FY2018	\$420.6 million
FY2019	417.0 million
Increase	\$ 3.6 million

Budgeted Federal, State, and Other revenues are based on our best estimates of revenues from specific sources. This category also includes revenues, reimbursements, and grants from other organizations. The net decrease in this category is principally from decreases in the TN MNPS Basic Education Program (\$13.2 million) and the Hall Income Tax Allocation (\$6.4 million), offset by other revenue increases.

#### Other Local Revenues

Other Revenues Budget	
FY2018	\$279.3 million
FY2019	330.9 million
Increase	\$ 51.6 million

Other Local Revenues include items such as motor vehicle licenses, traffic violation fines, parking fees, building and excavation permits, emergency ambulance fees, alcoholic beverage taxes and court fees. Transfers from other funds are also included in this category. Other local revenues are expected to increase in FY2019 by 18.5%. The growth in this category is principally from anticipated real property sales (\$33.0 million), alcoholic beverage gross receipts (\$6.9 million), and business taxes (\$1.4 million).

#### Fund Balances

Fund Balance Appropriated	
FY2018	\$75.2 million
FY2019	9.4 million
Decrease	\$ 65.8 million

Fund balance growth occurs when revenues received are greater than expenditures. We normally see fund balances increase at the end of each year, and routinely appropriate some of that to support the next year's operating budget.

It is Metro's policy that fund balances as a percentage of expenditures for the six tax supported funds should remain above 5% to handle unanticipated contingencies. At June 30, 2017 most fund balances were at 5%. The FY2019 budget appropriates \$9.4 million from operating and debt service fund balances, and unencumbered fund balances at June 30, 2018 are expected to range between 2.3% and 5.1%, with the GSD and USD General Funds to each be at 4%.

#### Strategic Planning

Metro Nashville's approach to Strategic Planning continues to transform. Fundamentally, the Mayor, Metro Council and many other elected officials set the vision for the city and the government's priorities. These priorities inform the strategies deployed by each Metro Department and agency. For many years, these strategies were documented in the form of Strategic Business Plans. These plans identify each organization's mission, strategic issues, goals, and performance measures that should contribute to goal attainment.

Metro is in the process of moving to a new strategic management system, which has only begun to be defined. In the face of citizen demand for greater government accountability and visibility, opportunities to give feedback and avenues to engage in the governing process, Metro is responding with new and improved processes to develop, measure, and report the results of its strategic initiatives.

Through funding of the Strategic Budgeting and Performance Public Investment Plan, Metro government hired a Chief Strategy Officer to facilitate development of community outcomes and give departments the necessary tools and training to identify strategic issues and develop collaborative, effective solutions.

For Fiscal Year 2018, the Chief Strategy Officer focused on the outcomes and performance measures of the Public Investment Plans (PIP). By using the Socrata Platform, the Chief Strategy Officer used the "Story" component to feature each approved PIP. The story competent demonstrated the need for funds, how the program would work, the operating budget and actuals, and finally how success would be measured. For more information on the PIP process, budgets, and performance measures, visit: <https://pip.nashville.gov>

In the upcoming Fiscal Year, the Chief Strategy Officer will continue to work with programs found in the operating budget and assist in the creation of performance measures.

**Conclusion**

The FY2019 budget continues to fund essential services and make fiscally prudent investments while maintaining our historically low property tax rate.

# Metro Nashville and its Budget

## Metro Government

The Metropolitan Government was formed in 1963 with the merger of the governments of the former City of Nashville and Davidson County. Metro Nashville is a friendly, forward thinking city with a diverse economy, strong transportation links, and many institutions of higher education. It is the capital of Tennessee, one of the largest cities in the mid-state, and the hub of a state of nearly 6.6 million residents.

As a consolidated government, Metro provides all services and performs all functions normally associated with Tennessee city and county governments. This also means that the government and its budget are more complex than those of most other cities and counties.

## Services Districts

The Charter requires that Metro's operating budget be divided into two districts: the **General Services District (GSD)** and the **Urban Services District (USD)**. The GSD is synonymous with Davidson County; the USD comprises the old City of Nashville plus certain areas added since Metro was formed.

The geographic areas, purposes, and functions of these two districts determine the way services are budgeted and provided in Metro. The two districts relate services provided to taxes paid. The GSD receives a base level of services; its property is taxed at the GSD rate to fund these services. The USD receives more of certain services, which are funded by an additional USD rate to fund those services.

### The General and Urban Services Districts in a Nutshell

District	GSD	USD
<b>Size</b>	327.4 square miles 195,354* people	197.8 square miles 495,889* people

## Other Governments

A variety of services are provided to Metro citizens directly by the federal, state, and other local governments. This book does not cover those services. However, information on them is available from various web sites.

- For federal services, see the U.S. Government site at [www.usa.gov/](http://www.usa.gov/).
- For state services, see [www.tn.gov](http://www.tn.gov)

- For any of the seven satellite cities within Davidson County, some basic information is provided under the listing for Satellite Cities in the Glossary (Appendix 2). For more current and detailed information, contact the satellite city directly.

## Organizational Structure

The following organization chart presents a high-level view of Metro's structure. The structure of each department is shown in that department's budget description, later in this book.

Metro has a "strong-mayor" form of government, in which the popularly-elected mayor is the city's chief executive and is independent of the Council.

Both the Mayor and Council are elected on a nonpartisan basis.

Within this framework, operations are conducted by executive departments (reporting to the Mayor), independent elected officials (including the elected Board of Education), and appointed boards, commissions, and agencies. The variety of elected officials, boards, and commissions facilitate citizen involvement in the government's operations.

# Metro Nashville and its Budget

## Financial Organization

Since the budget is a financial planning and policy document, it is organized according to Metro's financial accounting and coding structure. That coding structure – the chart of accounts – corresponds roughly to the government's administrative organization and service structure, while meeting the legal and accounting requirements of the government. It forms the basis for Metro budgeting, accounting, and financial reporting, and is used in both the budget ordinance and this book.

The entire budget is organized by fund. Revenues of each fund are organized by type and source. Expenditures of each fund are organized by business units, object codes, classifications, and positions.

## The Fund Structure

A "fund" is an accounting entity with assets, liabilities, equities, revenues, and expenditures, held separate in the budget for certain specific activities or to accomplish definite objectives.

## Budgetary Funds

Most of Metro's tax dollars are deposited into and spent out of six basic funds in the two districts:

- GSD General Fund (fund number 10101)
- GSD Debt Service Fund (20115)
- Schools (MNPS) General Purpose Fund (35131)
- Schools (MNPS) Debt Service Fund (25104)
- USD General Fund (18301)
- USD Debt Service Fund (28315)

These six budgetary funds provide the basic local government services to Davidson County. They are financed primarily through sales and property taxes, and their expenditures are controlled based on appropriations in the budget ordinance.

The two *General Funds* provide for the traditional operating services of the government. These funds receive property and sales taxes, charges for services, fees, fines, penalties, and other revenues.

The three *Debt Service Funds* finance the payment of interest and principal on long-term general obligation debt of each district. Per the Charter, debt service budgets must be sufficient each year to pay the principal and interest due on outstanding bonds.

The *School Fund* is Metro's biggest special revenue fund (described more generically below). It receives a dedicated portion of the property tax and, by state law, a portion of the local option sales tax. This fund's expenditures are budgeted and controlled by the Metropolitan Board of Public Education (MBOE) for the Metropolitan Nashville Public Schools (MNPS).

The two districts and six funds make it possible to allocate taxes and services in each district and fund. Revenue collected for each district can be spent only for purposes prescribed for that district. After the budget is passed, appropriations cannot be transferred between funds and/or districts except as specifically authorized in the budget ordinance.

## Proprietary Funds (Special Purpose Funds)

Metro uses other types of funds for special purposes. Non-budgetary fund expenditures are limited to revenues received by and balances in each fund, rather than appropriations. Monies in these funds generally cannot be used to support other funds. These non-budgetary funds are explained below.

*Internal Service Funds* provide services to Metro departments on a cost reimbursement basis.

*Enterprise Funds* provide services to the public on the same basis. The primary enterprise funds are the Farmers' Market, State Fair, Municipal Auditorium, Community Education and Water Services funds.

*Capital Projects Funds* account for costs related to capital projects. These are not generally included in the operating budget.

*Permanent Funds* and *Fiduciary Funds* account for monies held for others. These are not generally included in the operating budget.

*Special Revenue Funds* account for the proceeds of specific revenue sources that are legally restricted for expenditure for specified purposes. These include the Schools Fund (mentioned above), Waste Management, grants, and the General Fund Reserve Fund (usually called the Four Percent Reserve Fund).

## Accounting & Budgeting

This budget conforms to guidelines of the Charter and standard municipal budgetary practices, while the year-end *CAFR* conforms to governmental Generally Accepted Accounting Principles (GAAP), so they are not strictly comparable to each other. Specifically:

- This budget recognizes that Metro operates in two general funds, as required by the Charter and Tennessee law. Governmental GAAP recognizes only one general fund per government.
- This budget treats transfers to and from any fund as revenues and expenditures, respectively, of that fund. Governmental GAAP classifies them as "Other Sources & Uses of Funds."
- This budget does not include certain "component units" that are required to be included in the *CAFR*.

## The Budget Process

The Operating Budget, Capital Improvements Budget (CIB), and Capital Plan are developed through a multi-step information gathering and priority setting process that establishes objectives and priorities of the city and creates a financial plan for the operations of the government for the fiscal year. The Charter defines much of the process. The Mayor's Office, Finance Department, Office of Management & Budget (OMB), agency officials, and the Metropolitan Council are key participants. The FY2019 operating budget calendar is, as scheduled:

January 16: The Finance Department introduced the capital budget process for FY2019. Instructions and forms for multiyear budgeting were released to departments on the "Inside Metro" intranet site.

January 17 – February 3: Departments submit their capital project requests to the OMB in the Hyperion system.

January 17 – February 10: Departments submit their operating budget proposals and revenue estimates to the OMB in the Hyperion system.

February 8: The Finance Department introduced the budget process for FY2019. Operating instructions and forms for multiyear budgeting were released to departments on the "Inside Metro" intranet site.

February 22: All budget submissions are due to the OMB. The Finance Director and OMB staff review budget submissions, discuss budget issues with Metro Departments.

March 2 – March 16: The OMB and the Finance Director hold review budget submissions with departments.

March 19 – April 18: – The Mayor and Finance Director hold "Budget Improvement Discussions" with agency heads to discuss budget priorities.

May 1: Charter deadline to file the Operating Budget and tax levy ordinances.

May 7 – May 23: Council Budget and Finance Committee hold hearings in regard to 2018 departmental budgets.

May 15: Charter deadline to file the CIB; Mayor's Office files CIB.

May 15: First reading of the Mayor's Recommended Operating Budget, tax levy ordinances and Capital Improvements Budget by the Council.

June 6: Public hearing and second reading of the Operating Budget and CIB by the Council.

June 13: Third reading of the CIB by the Council.

June 15 – Charter deadline for the Council to pass the CIB.

June 19: Third and final reading of the Operating Budget Ordinance; the Council is scheduled to adopt a Substitute Operating Budget Ordinance (with changes to the Mayor's Recommended Budget), the recommended tax levy ordinance, and the Urban Council resolution.

## Prior to June 30 – Amending the budget

For the budget ordinance to be amended, it must occur before the third reading of the ordinance is complete. Typically, changes to the recommended budget are discussed between the Council Office and the OMB a few days prior to the scheduled third reading of the budget ordinance. OMB incorporates these changes into a substitute budget ordinance that is presented to the Budget and Finance Committee of the Council for review prior to the third reading. Council members also have the opportunity to file amendments with the Budget and Finance Committee prior to the third reading.

**Amending the Budget After Council Approval** - Once Council has passed the Final Budget, any further changes to budget totals must be approved by Council via Resolution, which requires only one reading.

June 30: Charter deadline for the Council to pass balanced budget and property tax levy ordinances.

July 1, 2018 – June 30, 2019: Agencies provide services to customers and citizens. The FY 2018-2019 budget may be amended as permitted by the Charter, the budget ordinance, and internal controls.

Late 2018 – An Independent CPA firm conducts the annual audit for FY 2017-2018.

Late autumn 2018: The Division of Accounts issues the *Comprehensive Annual Financial Report (CAFR)*, summarizing the government's financial condition and results of operations for Fiscal Year 2017-2018. This process is very public. All budget hearings and council meetings are televised by the Metro Nashville Network Government Access Channel and by internet streaming video. Budget documents, the CAFR, and streaming video are available at [www.nashville.gov](http://www.nashville.gov).

## Long-Term Financial Planning

The current Administration established five main priorities during the first term in office. Each of the four budgets submitted have consistently focused on protecting the following priorities:

- Public Education
- Affordable Housing and Homeless Services
- Metro Employees
- Health and Hospitals

These priorities continue to have a significant impact on the operating budget process. One critical component to these areas is grant funding beyond the operating budget. Securing grants is essential to continuing and improving each area. With the recent reductions in the federal government's budget, service impacts are imminent. Local government operating budgets cannot replace all of the lost grants.

## Financial Policies

The budget is governed by policies set out in the Charter and by executive decision. These policies are enforced by the Department of Finance through ongoing processes, internal control systems, special analyses, and in the annual independent audit.

The primary fiscal policies stated in the Charter are:

- **Fiscal year** - The fiscal year begins on July 1 and ends on the following June 30. (Charter §6.01) By custom, each fiscal year can be referenced in two ways: by using both years (e.g., "2017-2018") or by the calendar year in which the fiscal year ends (e.g., "FY2018" for 2017-2018).
- **Budget Preparation** - The budget process (described on the previous page) must begin by March 1. All officers and agencies must furnish such information as the Finance Director requests in the format he or she specifies. Agencies are entitled to a hearing before the Director on any contemplated changes in their budgets (§6.02); this is assured through the Mayor's budget hearings, in which all departments are generally asked to present their budgets to the Mayor and the Director. Operationally, most budget preparation is coordinated by the Office of Management and Budget (OMB).
- **Scope of the Operating Budget/ Balanced Budget** - The budget ordinance is organized by district, fund, and account number. Each fund's budget must be balanced: estimated revenues plus estimated fund balances must cover all budgeted expenditures (§6.03).
- **Public Inspection** - The Mayor's recommended budget is submitted to the Council by May 1 as an ordinance accompanied by a transmittal message. The Metropolitan Clerk publishes the ordinance's revenue and expenditure summaries in major local newspapers. The operating budget, the capital improvements budget, the budget message, and all supporting schedules are public records in the Office of the Metropolitan Clerk and are open to public inspection (§6.04). The OMB also prepares a Recommended Budget Book, intended primarily for the Council but also useful to the media and the public, containing more information on the recommended budget. Copies of the ordinance are available in the Clerk's office and from the Finance

Department; the budget is available at [www.nashville.gov/citizens\\_budget](http://www.nashville.gov/citizens_budget).

- **Council Hearings** - Once in the Council's hands, the budget goes through three readings. Between first and third readings, the Budget and Finance Committee holds a public series of departmental hearings, and the Council holds a Charter-mandated hearing for public comment (§6.05).
- **Council Action** - The Council may approve the Mayor's budget, amend it, or create a substitute. They cannot change revenue estimates except to correct errors. A balanced budget must be approved by midnight June 30, or the Mayor's budget and proposed tax rate take effect by default (§6.06).
- **Authorized Spending** - Departments cannot overspend their budgets. The amount set out in the adopted operating budget for each organizational unit, purpose, or activity constitutes the annual appropriation for such item; no expenditure shall be made or encumbrance created in excess of the otherwise unencumbered balance of the appropriation or allotment to which it is chargeable (§6.06).
- **Property Tax Levies** - The budget is accompanied by a property tax levy ordinance that sets a tax rate sufficient to fund the budget (§6.07).
- **Allotments** - Annual appropriations are divided into quarterly allotments based upon estimated needs (§6.08).
- **Administrative Impoundments** - Unencumbered funds in each account at the end of each quarter may be unallotted through "administrative impoundments." These are merely allotment adjustments, not the "charter impoundments" discussed immediately below in §6.09.
- **Impoundment of Funds** - If the Finance Director certifies that the revenues or other resources actually realized for any fund are less than was anticipated and are insufficient to meet the amounts appropriated from such fund, the Mayor is obligated to impound such appropriations as may be needed to prevent deficit operation (§6.09). Such impoundments reduce appropriations and allotments in order to keep the budget balanced.
- **Additional Appropriations** - The Council may make appropriations in addition to the current operating budget, but only from an existing, unappropriated surplus in the fund to which it applies (§6.10). This is done by resolution based on available fund balance or previously-unbudgeted revenue.
- **Intradepartmental Budget Transfers** - Funds may be transferred within a department's expenditure budget by the department head and the Mayor and are available for use when allotted (§6.11). As an administrative matter, the Deputy Finance Director also approves the transfer.
- **Interdepartmental Budget Transfers** - At the end of any quarter, the Council may, by resolution, transfer the unencumbered balance of any appropriation (or any portion thereof) to another appropriation within the same district and fund (§6.11).
- **Lapse of Appropriations** - At the end of the fiscal year, all unencumbered balances of appropriations in the

# Metro Nashville and its Budget

current operating budget lapse into the unappropriated fund balance or reserves of the fund or funds from which such appropriations were made (§6.12). Unencumbered appropriations cannot be carried over from one fiscal year to the next.

- **Capital Improvements Budget Preparation** - By March 1, the Planning Commission shall begin to prepare a Capital Improvements Budget (CIB). The CIB includes a program of proposed capital expenditures for the ensuing fiscal year and the next five fiscal years thereafter, accompanied by the Commission's report and recommendations with respect to the program. By May 15, the Mayor shall submit the CIB to the Council and shall recommend those projects to be undertaken during the ensuing fiscal year and the method of financing them, and shall include in the appropriate current operating budget any projects to be financed from current revenues for the ensuing fiscal year. By June 15, the Council shall accept, with or without amendment, or reject, the proposed program and proposed means of financing (§6.13).

- **Capital Improvements Budget Expenditures** - Expenditures for the construction of any building, structure, work or improvement must be included in the CIB, except to meet a public emergency (§6.13).

- **Capital Improvements Budget Amendments** - Amendments to the CIB may be made by recommendation of the Mayor, Planning Commission, and a two-thirds vote of Council (§6.13).

- **GSD General Fund Reserve (Four Percent Reserve Fund)** - Four percent of original revenues are deposited to the Four Percent Reserve Fund. The Mayor and Council may appropriate money from this fund by resolution for the purpose of equipment for any department that derives its operating funds from the general fund budget (§6.14).

- **Advance Planning and Research Fund** - The APR Fund, established for the use of the planning commission to prepare plans for capital projects and studies and research, must be at least \$50,000 at the start of each year (§6.14).

- **USD General Fund Reserve** - The Council has not exercised its ability to create a contingent reserve fund not to exceed five (5%) percent of the general fund revenue of the USD (§6.14).

- **Post Audit** - The Council shall provide annually for an independent audit of the accounts and other evidences of financial transactions of the government and of every department, office and agency. The audit shall be made by a certified public accountant (CPA) or firm of CPAs thoroughly qualified in governmental accounting to perform the audit; the auditor shall be chosen by a three-member audit board consisting of the presiding officer of the Council, the chairman of the finance committee of the Council, and the chairman of the board of education. The audit report shall be available to the public and to the press. In addition, the Council may at any time order an examination or special audit of any department, office or agency of the government (§6.15).

- **Mayor's Veto Power** - The Mayor has line-item veto power, that is, the ability to reduce or veto specific appropriations or parts of appropriations within an

ordinance. The Council may override such a veto by the affirmative vote of 27 members (§5.04).

- **Bond Issues** - Bond issues and debt service shall be prepared and administered in accordance with Article 7 of the Charter (§7.01 et seq.).

- **Transfer of School Funds Within School Budget** - Within the constraints of general law, the Metropolitan Board of Public Education (MBOE) has authority over the distribution of, and transfer of funds within, its budget (§9.12).

- **Referendum as to School Budget** - The MBOE may initiate a referendum to levy additional property taxes for schools (§9.04(3)).

- **No Diversion of School Funds** - No funds that are appropriated for the use of, or transferred to, the school system shall be diverted from that use for any other purpose (§9.11).

- **Transfers to School Fund from General Funds; Borrowing Money** - The Council and the Mayor may advance cash or transfer monies from the general fund to the school fund, provided the advance or transfer is reimbursed the following year (§9.13). An advance involves a loan of cash with the establishment of an asset (a receivable or a "due from") on the books of the loaning fund and a liability (a debt or a "due to") on the part of the recipient. A transfer would include appropriation of one fund's revenues or fund balance to another, handled through the budget as if it were an expenditure to one fund and a revenue (or source of operating resources) to the other.

Other important policies include:

- **Functions of Director of Finance** - The Director of Finance is responsible to the Mayor for the administration of financial affairs and shall supervise the divisions of budgets, accounts, purchasing, collections, and treasury. The Director of Finance, or his designee, shall compile for the Mayor the current budget of estimated revenues and proposed expenditures for each of the operating funds and assist in the preparation of the capital improvements budget (§8.103).

- **Functions of Budget Officer** - The budget officer compiles the departmental estimates and other necessary data and assists in the preparation of the budgets. The budget officer monitors departmental budgets as compared to actual activity and alerts the Finance Director of any significant issues. Along with the chief accountant, the budget director writes, revises, and maintains a proper standard procedure manual to be followed by all departments to insure uniform accounting and budgetary procedures (§8.104).

- **Funds Budgeted** - The budget ordinance and book contain annually-budgeted governmental operating funds, debt service funds, enterprise funds, internal service funds, and special revenue and other grant funds with fiscal years beginning July 1. It does not include grant funds with non-Metro fiscal years, capital projects, bond funds, fiduciary funds, permanent funds, component unit funds (unless the component unit receives significant general fund money), and other funds with multi-year budgets. The budgets of funds that are not included in the annual operating budget are approved through other processes as required by law.

# Metro Nashville and its Budget

- **Basis of Budgeting and Accounting** - All annually-budgeted funds are budgeted using the current financial resources measurement focus and the modified accrual basis of accounting.

Revenues are recognized as soon as they are both measurable and available. Revenues are considered to be available when they are collectible within the fiscal year or soon enough thereafter to pay liabilities of that year (collected within 60 days of the end of the fiscal year). Property taxes, franchise taxes, licenses, interest, and certain portions of special assessments associated with the fiscal year are accrued. All other revenue items are considered to be measurable and available only when Metro receives the cash.

Expenditures are generally recorded when a liability is incurred, as under accrual accounting. However, debt service expenditures, as well as expenditures related to non-vested sick pay, compensated absences and other long-term commitments and contingencies, are recorded only when payment is due.

Actual revenues and expenditures of governmental funds are presented in this book using the same modified accrual basis. Actual revenues and expenditures of proprietary funds are presented using the economic resources measurement focus and the accrual basis of accounting. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows. Property taxes are recognized as revenue in the year in which the levy is assessed. Grants and similar items are recognized as revenue as soon as all eligibility requirements imposed by the provider have been met.

- Accounting and financial reporting shall conform to generally accepted accounting principles (GAAP) for governments as promulgated by the Governmental Accounting Standards Board (GASB), the federal Office of Management and Budget, the Federal Comptroller General, and the State of Tennessee.
- Current operating costs will be financed by current operating revenues. Only capital goods will be financed by long-term debt, and then, only as provided by the Charter. The government shall refrain from using nonrecurring revenue to fund ongoing operations of the three operating funds. Nonrecurring revenue shall be those funds not normally accrued to the benefit of the operating funds each year, including transfers from special, enterprise, and internal service funds. Any nonrecurring revenue received shall be utilized to fund activities that do not require ongoing funding or to build reserves. To protect the financial position of this government in the event of unexpected emergencies or unforeseen downturns in revenue collection, fund balances will not be appropriated in any budgetary fund unless the audited unreserved undesignated fund balances of that fund are at least 5% of the fund's budgeted expenditures (Resolution R89-959 adopted 11/21/1991).
- The government will strive to maximize service efficiency and effectiveness to its citizen taxpayers in a manner consistent with practices of sound financial management.
- Revenue estimates will be realistic and accurate without being optimistic. Operationally, this means that

estimates will be based on objective judgment and should be 95% to 100% of actual collections without exceeding those actual collections.

- The government will not commit to programs with significant future costs without first identifying those costs and the sources of funds to finance those programs.
- Generally, the government will not use local funding to make up for lost state and federal categorical grants.
- Adjustments and amendments to the operating budget will be done in accordance with provisions of Article 6 of the Charter.
- Staffing levels will be limited to final position counts and FTEs noted in this book. Exceptions to this policy (as for new grant-funded staff) are strictly regulated by the Finance Department.
- USD tax-supported debt will be no more than 15% of the total assessed valuation of USD property, per § 7.08 of the Charter.
- Capital expenditures are authorized through an annual Capital Plan. Major capital expenditures for General Fund departments shall be funded through issuance of bonds or notes. Smaller capital expenditures for GSD General Fund departments shall be made from the Four Percent Reserve Fund. Capital expenditures for grants will be made through the grant's operating budget. Capital expenditures for enterprise and internal service fund operations will be made from those funds.
- The Four Percent Reserve Fund will maintain a minimum fund balance of \$1,000,000: \$500,000 by Administration policy and an additional \$500,000 by Council policy.
- The government will control costs by appropriate competitive bidding (as specified in the purchasing ordinance).
- Investments shall be made in conformance with the government's investment policy (available at [www.nashville.gov](http://www.nashville.gov)) and instructions given to the government's investment manager. Those documents establish a hierarchy of objectives of (1) preserving principal, (2) maintaining liquidity, and (3) maximizing return. They also define allowable types of investments, required collateralization, custody, internal controls, diversification, and operation of the Metro investment pool.
- Indirect Cost Planning and Recovery - Where allowable under Federal, State and Local statutes and grant regulations, Metro departments and agencies shall develop an annual indirect cost recovery plan which must include both cost identified in the Local Cost Allocation Plan (LOCAP) and departmental indirect cost allocations. Indirect costs must be recovered when funding is made available through reimbursement or draw-down processes, in accordance with the terms of each departmental indirect cost rate proposal or cost allocation plan and applicable Federal, State and Local grantor's regulations. Departments and agencies shall make provisions for indirect costs in their grant budgets both during the application submission and in the general ledger. Funds collected from grantors for indirect cost recovery shall be deposited into the General Fund based

on guidance provided by the Finance Director or his designee.

- Debt Management Policy establishes the objectives and practices for debt management within Metro and assists concerned parties in understanding Metro's approach to debt management. A more detailed overview of the Debt Management Policy can be found with the Debt Service Fund pages.
- Self-Funding Policy establishes uniform guidelines for use of self-funding as a designated source for capital assets that are determined to either provide cost savings to Metro to cover the cost of funding assets or provide specific benefits to one or more agencies such that the cost for an asset should be recovered from the operating budgets of the beneficiaries.
- Disallowed Cost Policy provides guidelines on ensuring costs charged to grants are allowable and an appropriate course of action in situations where costs are questioned.
- Grant Drawdown and Reimbursement Policy ensures that Metro departments and agencies that are grant recipients receive revenue as early and as often as is allowable under the terms of the grant contract.
- Grants Management Policy establishes the responsibilities of the Metro departments and agencies as well as the Division of Grants Coordination in developing funding opportunities that are well suited to local needs while controlling costs associated with financial assistance.
- Unclaimed Property Policy establishes uniform guidelines across Metro for the disposition of unclaimed property.

## Budget Overview

The following pages provide background information on Metro's revenues and ongoing expenditures. Revenue projections and expenditure changes are discussed in the Executive Summary at the beginning of this section.

## Revenues

Deficit financing is prohibited by both Tennessee Law and the Metropolitan Charter; expenditures must be matched by equal dollars of revenue and appropriated fund balances.

The operating budgets for the GSD and the USD are supported by a variety of revenue sources. The primary sources are presented in the Executive Summary and discussed on the following pages.

Detailed revenue projections are included in the budget ordinance, which is included in the Executive Summary. Recent revenue trends can be seen in Appendix 1 in Schedule 1 - Summary of Revenues, Expenditures, and Changes in Fund Balances.

## Property Taxes

The largest single source of operating revenue is the property tax. The property tax is authorized by the State Constitution as an *ad valorem* ("according to value") tax based on the market value of property. This tax is levied based on the assessed value of various types of property, including:

- real property (land, structures, and leasehold improvements),
- personal property (business equipment, excluding inventories for resale), and
- public utility property (real and personal property owned by utilities and organizations regulated by the State).

Property tax law and policy are set by the State Constitution, legislature, courts, and Board of Equalization. The Legislature makes laws which govern the administration of the tax. The State Board of Equalization establishes rules and regulations to be followed by local assessors, and the entire process is subject to court interpretation.

The tax bill for a property is determined by:

- The appraised value of the property – what it would bring if sold on the open market – and its classification – whether it is used for residential, utility, commercial, industrial or farm purposes, which determines the percentage of assessment;
- The assessment - applying the classification percentage against the appraised value to arrive at an assessed value; and,
- The tax rate set by the local governing body which is applied to the assessment to calculate your property tax bill.

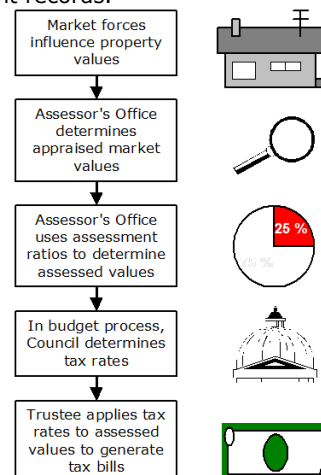

Certain types of property (governmental, religious, educational, etc.) are exempt from property taxes.

**How the Property Tax Works:** The following diagram shows the appraisal and budgetary process.

**Market values** – Market values of property are set in the open market. Market value is the most probable price of a piece of property in an arms-length transaction between a willing and knowledgeable buyer and a willing and knowledgeable seller.

**Appraisal** – The Assessor of Property's role is to determine the value of property so that the tax burden is distributed equitably among all property owners. That office executes tax policy to identify, classify, appraise and assess all property. In Metro, the Assessor must:

- Produce an annual assessment roll—adding new construction and removing demolished buildings.
- Perform site inspections of all properties to update assessment records.

# Metro Nashville and its Budget

- Collect and verify sales prices for all real estate transfers.
- Analyze sales data and property characteristics to produce 100% appraisals in the fourth year of the appraisal cycle.

Metro's Assessor of Property determines the appraised value of all real and personal property in the county, except public utilities (whose values are determined by the State Comptroller's Office). Appraised value is the estimated market value of the property at a certain point in time (currently 2014).

The appraised value of a property is an estimate of its market value. Three appraisal methods are used to estimate each property's market value:

- The estimated *cost* to replace a structure, referred to as "replacement cost new," adjusted for depreciation based on the property's age and condition, yielding the "depreciated replacement cost."
- The *market value* or sale prices of similar properties that have recently sold.
- The *present value of the future net income* that can be generated by that or similar properties, sometimes called the "capitalization of income" method.

When used together, these three methods give the appraiser the best indication of what a property is worth. With the aid of modern computer systems, the Assessor has adapted these traditional appraisal techniques to produce large-scale reappraisal projects with accurate and cost effective results.

In most years, appraised values on existing real property do not change unless there are substantial taxable additions or improvements to the property, the property is rezoned, or the owner files and wins an appeal from the county or state Board of Equalization. New construction between reappraisals is valued at levels consistent with tax roll appraisals of similar existing properties.

However, over time, the market values of properties may change considerably and at different rates. The resulting inconsistency with the market causes some property owners to pay taxes based on appraisals that exceeded the current value of their property, while others pay on appraisals that reflected only a portion of the current value.

So, in accordance with state law, the Assessor's Office conducts a county-wide reappraisal every four years to bring appraised values up to current market values. (Current law allows for reappraisals on a four-year or six-year cycle; the Metro Assessor has chosen the former. The last reappraisal was for tax year 2013 or FY2014). After the reappraisal, all properties should be appraised consistently at 100% of their current market values. Periodic reappraisals are designed to equalize the appraised values of all property.

Tennessee's property tax laws protect taxpayers against an automatic or arbitrary increase in their tax bills after a reappraisal. Local governments must lower the tax rate to a level which will produce the same amount of revenues from the new appraisals as was generated from the old rates and appraisals - except for new construction. This is called the certified tax rate. Therefore, under the state law, your property tax bill

can't be raised by reappraisal unless your property value has grown more in value than the average for all other property in the county.

In between reappraisals, the state performs a biennial analysis of appraised values conducted for all counties in the state. This analysis, known as a sales ratio study, compares sales prices with appraised values to determine both the level and equity of appraisals. However, this ratio is not used to increase residential property appraisals.

**Assessment:** In Tennessee the assessed value upon which taxes are levied is a fraction (percentage) of the appraisal. The percentage varies depending on the classification of the property, which is determined by its use. The assessed value, not the appraised value, is applied to the tax rate to produce a tax bill.

One of the reasons the Assessor inspects all property is to verify how it is used. The Tennessee Constitution mandates assessment percentages to be applied to the appraised value of different classes of property. These percentages are:

Property Class	Assessment Rate
Residential & Farm	
• Real Property	25% of appraised value
• Personal Property	5% of appraised value (\$7,500 exemption)
Commercial & Industrial	
• Real Property	40% of appraised value
• Personal Property	30% of appraised value
• Public Utility	55% of value set by the State Comptroller

The appraised values are multiplied by percentages defined in the state constitution to arrive at assessed values, which are then multiplied by the tax rate to determine the taxes owed. This is described in detail later in the section on Property Reappraisal.

For example, the assessed value of a residential property with an appraised value of \$100,000 would be \$25,000 (.25 X \$100,000), while a commercial property of the same appraised value would have an assessed value of \$40,000 (.40 X \$100,000).

Assessments must be compiled annually on assessment rolls for the GSD, USD, and each of the seven satellite cities within the county.

If the value of a piece of property changes (usually because of an improvement to or demolition of the property), notices of the property's new appraised value, the classification in which it is now placed, and the resulting assessment are mailed by the Assessor. There is a process established for appeals of the appraisal, but the Assessor can only consider information about value, not tax bills.

**Tax rate set through budget process:** The tax rate is set through the budget process in the form of a tax levy ordinance that is recommended by the Mayor and approved by the Council. That ordinance (printed in the Executive Summary of this book) sets the GSD and USD rates per \$100 of assessed value.

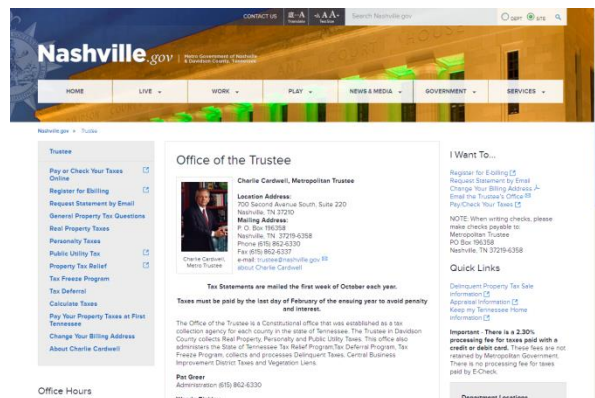

**Tax bills are generated:** The Trustee's office prepares and distributes tax bills based on the assessed value of each property and the tax rate for its district.

# Metro Nashville and its Budget

To calculate your property tax bill, divide the assessed value by \$100 and then multiply that amount by the tax rate. For example, a property classified as residential and appraised at \$100,000 would be assessed at \$25,000 (the \$100,000 appraised value times the 25% residential assessment ratio). With a tax rate set at \$4.52, the calculation would be:

$$\begin{aligned}\text{tax} &= (\$25,000/\$100) \times \$3.16 \text{ per } \$100 \\ &= \$250 \times \$3.16 \\ &= \$790.00\end{aligned}$$

Property tax bills are mailed to property owners and, if taxes are paid through an escrow account, also to the mortgage holder. This normally occurs in late September or early October. Tax payments are due by the end of the following February and can be mailed to the Office of the Trustee or made online at [www.nashville.gov/trustee](http://www.nashville.gov/trustee).

Property taxes can also be paid over the internet at [www.nashville.gov](http://www.nashville.gov).

Metro and the state assist the elderly and disabled with property taxes on the first \$25,000 appraised value of their homes through the Property Tax Relief program administered by the Trustee. The program also assists disabled veterans with the first \$25,000 of assessed value of their property.

**Property Value Trends:** Total assessed values have decreased significantly over the past year due to the national economic downturn.

Construction of taxable property has weakened over the past year. Local growth, as measured by the value of permits issued, follows this trend and has decreased over the past year as well (although many of those permits are for tax-exempt projects). This is in line with the statewide and national trends.

**Property Tax Rates:** FY2018 and FY2019 recommended tax rates are shown in the Executive Summary and in the tables on the following pages. The combined rate is the total paid for property in the USD; property outside the USD is taxed at the GSD rate. Residents of the seven satellite cities within Metro pay the GSD rate plus the rate set by that satellite city.

Nashville's property tax rates are currently the lowest of the four major Tennessee cities, and competitive with those of surrounding communities.

Historic property tax rates, tax rate changes, and property values are presented in the following tables.

The **History of Property Tax Rates** table presents historic nominal property tax rates along with a summary of changes that have taken place. If no changes occurred, then the fiscal year is not presented.

The **Property Tax Rate Changes** table on the following page shows the history and type of tax rate changes, whether from budget-related tax increase, redistribution of the rate between funds, changes in the fire tax or county-wide property reappraisals.

**Local Option Sales Tax**

Local option sales tax collections provide the second largest source of revenue to the operating budget. Nashville's 9.25% sales tax rate consists of a 2.25% local option tax and a 7.00% state tax (the total rate is 7.25% on unprepared food, because the state rate for such food is 5.00%). The tax is levied on all retail sales in Davidson County, although the local portion is limited to the first \$1,600 of the cost of each item. Tennessee Code Annotated, Title 67, Chapter 6, Part 7 states, at least 1/2 of the local sales tax must be allocated to schools. The local option rate can be raised by referendum. Sales and sales taxes should reflect economic activity at the national and local levels, although some activities are not subject to the tax.

## State & Federal Revenues

Major sources of revenue from the State of Tennessee are equalizing funds for education (based on average daily school attendance), healthcare-related revenues, and Metro's share of the gasoline tax. Most of these funds are categorical, being tied to specific functions and services.

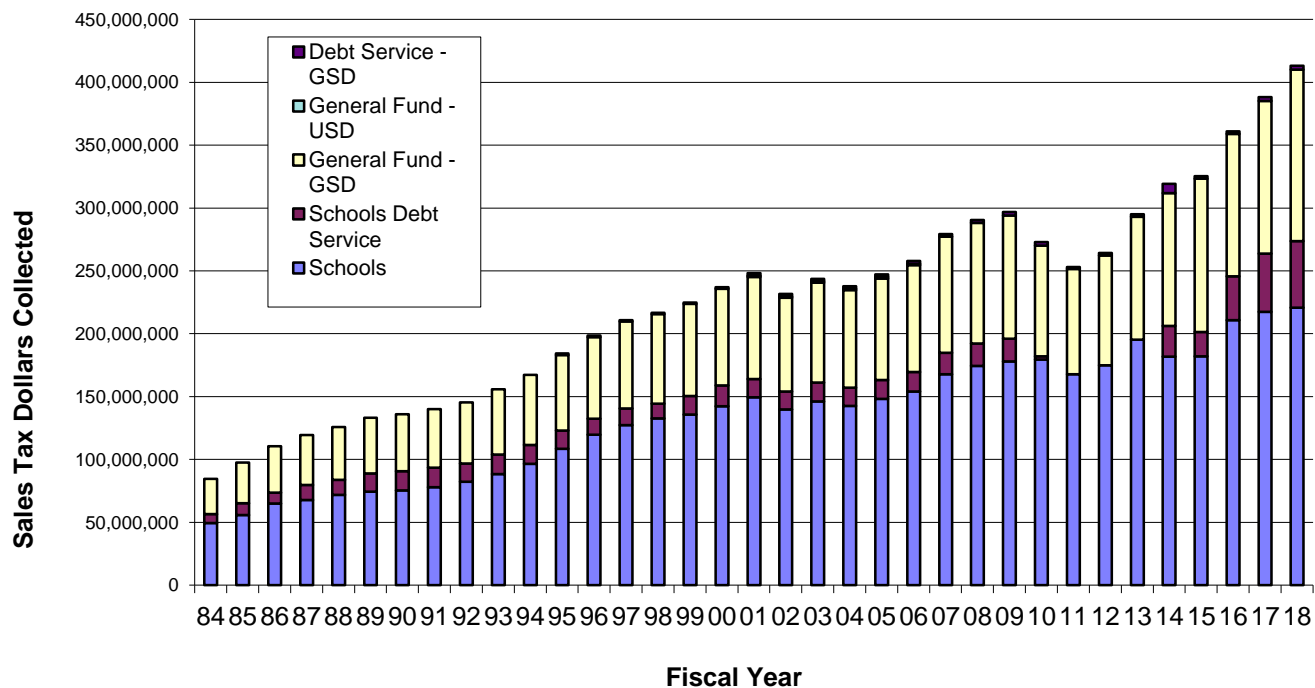

The primary sources of federal funds received by Metro are categorical grants such as education funding, Title XX, Title III, and USDA nutrition funds, and reimbursements for services provided by Metro agencies such as the Health Department and Social Services. Most federal funds (including the entire Schools Special Grants Fund) are nondiscretionary in that their receipt requires Metro to carry out certain specified programs. Unrestricted grants such as revenue sharing are now rare.

Federal funds received by the government are subject to federal government single audit provisions. These provisions provide that grants are audited as part of the city's annual independent audit. In an effort to properly reflect federal and state revenues that may be subject to such audit, the Finance Department has reclassified many revenues from other categories to this "State and Federal" category.

The Finance Department has moved most grant revenues and expenditures from the general funds to various grant special revenue funds since FY2000.

## Distribution of Local Option Sales Tax Collections

# Metro Nashville and its Budget

## Other Local Revenues

The Metropolitan Government generates various revenues locally.

Licenses and Permits include the Business Tax, Wholesale Beer Tax, Motor Vehicle Regulatory License, Hotel Occupancy Privilege Tax, and building permit and franchise fees.

Charges for Current Services are derived from user fees and charges levied in return for specific services provided by Metro. Among the many fees and charges collected are revenues generated for health services, parking fees, ambulance fees, dog registration charges, vehicle emission test charges, fees for the use of parks' facilities, and waste disposal fees. Most of these fees are set by Metro, by the Council, or by action of oversight boards and commissions.

Fines, Forfeitures, and Penalties are collected by the various court clerks, the Sheriff, and the Police Department for fines, court costs, Sheriff's fees, DUI safety education, litigation taxes, and proceeds from confiscated property.

Revenue from the Use of Money or Property includes interest on investments and the rental of Metro-owned land and buildings. Metro investment practices emphasize safety, prudence, and liquidity; the government does not engage in speculative high-risk investments such as derivatives.

Commissions and Fees from Certain Officials consist of processing charges for services provided by the clerks of the courts and by the County Register. These fees are generally set by Metro or the state.

## Transfers from Other Funds

Transfers may be made into the general funds of the GSD or USD from time to time from surpluses that have accumulated in certain special and working capital funds. Transfers are also made to reimburse various funds for services that are provided by those funds but are rightfully chargeable to another fund.

The FY2019 recommended budget continues to include the transfer of \$3.2 million from the GSD General Fund to the GSD Debt Service Fund to help fund the stadium financing package; this amount is approximately equivalent to the former GSD General Fund's 1¢ share of the Hotel Occupancy Tax (see the description of that fund in Section J).<sup>1</sup>

## Fund Balances

Fund balances are the difference between the government's assets and liabilities. They result from receiving more revenue than estimated and/or expending less than budgeted in prior years. They provide some protection against unexpected expenditures or revenue losses, and help to stabilize the government's finances.

Fund balances frequently increase by the end of the year due to actual revenues being higher than actual expenditures, often because of unspent appropriations

and/or higher-than-estimated revenue collections. Metro's budget does not propose formally saving any money to increase unrestricted fund balances.

Management policy is that fund balances should remain at least 5% of expenditures for the general and schools funds and that they should not be used to support recurring expenditures. The budget typically appropriates a portion of fund balances from prior fiscal years to fund operations of the budgeted fiscal year and holds remaining balances in reserve for contingencies or future appropriation.

## Conclusion

We anticipate revenues sufficient to fund budgeted expenditure appropriations in FY2019, and revenue estimates to be within the  $\pm 5\%$  range (95% accuracy) considered normal in municipal finance.

## Expenditures

The budget ordinance defines the operating budgets of the two general funds by department. It defines the operating budgets of the other budgetary and non-budgetary funds at the fund level, with a few funds (such as debt service and the Waste Management Fund) defined at more detailed levels.

## Normal Cost Increases

The budget began with FY2019 projections equal to departments' FY2018 budgets. The budget was initially projected with no inflation or other increases. During the process, adjustments were made as follows:

- Adjustments for grant funding changes in FY2019.
- Elimination of FY2018 nonrecurring budgeted expenditures from the FY2019 projections.
- Adjustments for pay plan improvements implemented during this fiscal year.
- Fringe benefits – Costs for active employees in the open benefit plans (FICA, medical, dental, life, and Metro pension) are carried in departmental budgets. Departmental fringe benefits will change during the year due to decreased pension costs and medical plan increases during the fiscal year. To cover these increases budget modifications are included in the central Administrative accounts of the two general funds at the beginning of the fiscal year, but funds will not be distributed to departments' budgets until the actual increases are known.

Expenditure numbers are presented in the budget ordinance, which is included at the end of this executive summary, and in the three schedules of Appendix 1; more detail is presented in each department's "Financial" pages.

**Conclusion:** Within its budget, each department must cover all of its operating costs. The overall operating budget maintains and improves services, and meets certain new obligations.

<sup>1</sup> The \$4 million Water Services in-lieu-of-taxes component of the stadium package does not affect the six budgetary funds. In that component, Water Services will make monthly payments into the stadium indenture revenue fund. From that fund, Metro will make monthly debt service payments to the bond trustee, who makes semiannual interest payments and annual principal payments to the bondholders.

## The Capital Improvements Budget and Capital Plan Process

Capital improvements (capital expenditures) are any expenditures requiring Council authorization regarding the acquisition, replacement construction, renovation or modification to any equipment, land, building, public utility, public thoroughfare, or place of public activity; and, which has a useful life expectancy of ten years or greater.

Capital improvements are planned and authorized in a process that is related to, but independent of, the operating budget process.

## The Capital Improvements Budget

As specified in § 6.13 of the Charter, the capital improvements budget (CIB) must be prepared annually to "include a program of proposed capital expenditures for the ensuing fiscal year and the next five fiscal years thereafter..."

The capital improvements program is a tool for implementing long-range policies of the General Plan through timely scheduling of infrastructure and facilities in coordination with general development needs.

The CIB is prepared annually by the Planning and Finance Departments. Departments submit project requests through an internet-based budgeting system to the Planning staff. The Planning Department, Finance Director and staff along with the Mayor review the CIB requests, edit as needed and then submit a Recommended CIB to Council by May 15<sup>th</sup>. The Council has 30 days to review, amend and approve by June 15<sup>th</sup>.

The CIB is strictly a planning document; it does not appropriate funds, or authorize or approve any projects. The Capital Spending Plan is where funding and approval to commence a project is authorized. The CIB document is available separately from the Planning Department or at the Nashville.gov web site.

The FY 2018 CIB ordinance was approved on June 14, 2017, [BL2017-736.] The subsequent FY 2018 Capital Spending Plan resolution for this CIB was approved on June 14, 2017, [RS2017-713] in the amount of \$288,000,000. A mid-year FY 2018-B Capital Spending Plan was approved on November 22, 2017, [RS2017-963] in the amount of \$133,211,000.

Details on the FY 2018 CIB and Capital Spending Plan are found in the tables below and at the end of this section.

## Areas of Emphasis

The Administration has announced six priorities for Metro Nashville / Davidson County. The six areas of particular emphasis:

- **Community & Economic Development** – (1) Increase post-secondary educational attainment (credential+) among low-income households in Promise Zone. (2) Accelerate growth of entrepreneurship in Promise Zone to provide more living wage job opportunities to residents.
  - Small Business Development & Entrepreneurship
  - Music City Music Council
  - Workforce Development
- **Affordable Housing / Homelessness** – (1) Increase housing affordability for households earning < 80% MHI. (2) End chronic homelessness among veterans.
  - Barnes Housing Trust Fund
  - Housing Incentive Pilot Program
  - Public – Private Partnerships
- **Education Impacting Youth** – (1) Expand access to high-quality preschool and affordable daycare. (2) Reduce number of “disconnected” or “opportunity” youth.
  - Expanding high-quality Pre-K
  - Help students continue their education after high school
  - Funding schools in order to meet their needs in curriculum, instruction, and support services.
- **Public Safety** – (1) Reduce incidences of gun violence among youth. (2) Minimize the impact of adverse childhood experiences (ACEs).
  - Mayor’s Youth Council
  - Neighborhood Leadership Training
- **Transportation & Infrastructure** – (1) Increase access to frequent transit (every fifteen minutes or better). (2) Decrease percentage of employees commuting alone by car.
  - nMotion
  - Gear Up 2020
  - Smart Cities.
- **Central Government Operations**

The alignment of the capital plan to the Administration’s priorities is detailed on the following pages.

For more details on the Mayor’s priorities go to <http://www.nashville.gov/Mayors-Office.aspx>.

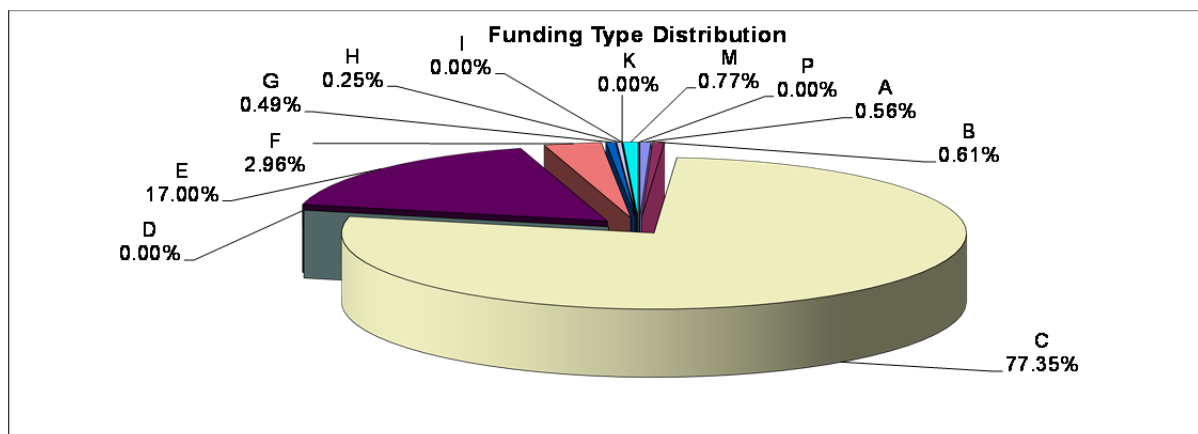

## Capital Funding Sources

Metro has fourteen different types of funding for capital projects. The “Capital Improvement Budget Funding Sources” table [following page] and “Funding Type Distribution” graph on this page show the amounts estimated by type and year in the *2017-2018 to 2022-2023 CIB*.

Possible funding sources for specific projects include:

- Bond and note authorizations (described in Section J of this book) for the Debt Service funds, approved by the Council, including:
  - Approved General Obligation (B) and,
  - Proposed General Obligation (C) bonds and notes.
- Four Percent Reserve Fund (Fund 30003 in section J of this book) appropriations by the Council quarterly throughout the year, including:
  - Approved 4% (L) and,
  - Proposed 4% (M) funding.
- Grant operating budgets included in the operating budget, added grant contingency transfers, or Council resolutions denote funds as:
  - Federal (F) and,
  - State (G);
  - Approved Community Development (I) and,
  - Proposed Community Development (K).
- Revenue bond authorizations or operations for enterprise-type activities, approved in the budget or by Council resolution; including:
  - Approved Revenue (D),
  - Proposed Revenue (E) and,
  - Enterprise (H) funds.
- Other sources, including:
  - Miscellaneous funds (A) and,
  - Approved Miscellaneous funds (O), which, individually, do not comprise major funding categories, and
  - Operating budget funds (P).

The proposed funding for these requests is summarized on the following pie chart and table.

### Financial Considerations

Metro's short and medium term capital requests, as identified by the individual departments, far exceed its capacity to raise funds to pay for those needs.

Financial projections determine the constraints for programming the projects according to a schedule that is fiscally and administratively practical. The Department of Finance annually develops two programs based on financial considerations:

- (1) The current debt level program assumes no change in the amount or distribution of tax rates. Projects scheduled in this program are either committed or are considered to have the highest priority in meeting community needs.
- (2) The essential needs program assumes additional revenues would be available to retire general obligation bonds, but total outstanding indebtedness would remain below limits set by Metro.

The scale of general obligation (GO) bond funding in the recommended program depends upon resources available under present tax levels, but may reflect additional funding requirements to meet priority needs. In recommending a program whose funding would exceed present tax level resources, the Planning Commission may advise the Mayor of estimated additional tax levy needed for debt service.

### The Capital Spending Plan: Approval and Appropriation

The CIB is strictly a planning document; it does not appropriate funds, authorize or approve any projects.

The **Capital Spending Plan** is a compilation of projects from the CIB that have been selected by the Mayor, Finance Director and staff for recommendation to the Council for approval and funding. The capital spending plan typically recommends \$200 million to \$400 million worth of projects that align with the Mayor's and Metro's areas of emphasis described on previous pages. The Capital Spending Plan selects, specifies, and recommends for funding the CIB projects to be developed.

Currently, Metropolitan Government of Nashville has no significant, non-recurring capital expenditures.

**Highlights of the FY 2017-18 and FY 2017-18-B Capital Spending Plans** the FY 2017-18 and FY 2017-18-B Capital Spending Plans, approved on June 14, 2017, and November 22, 2017 in the amount of \$288,000,000, and \$133,211,000 respectively align with the current Administration's priorities as follows:

#### FY 2017-18:

Community & Economic Development - \$16,500,000  
 Affordable Housing / Homelessness - \$25,000,000

## Operating Budget Effects

Approved capital expenditures affect the budget in three ways.

- First, Four Percent Reserve Fund expenditures are drawn from a reserve pool representing 4% of the locally generated revenues to the GSD General Fund.
- Second, debt service – the repayment of principal and interest owed on general obligation debt from the debt service fund – is an operating budget expenditure. The debt service budget is discussed in Section J of this book. Capital debt capacity is determined before any capital spending plan is proposed.
- Third, potential improvements may commit Metro to operating costs that will be reflected in future years' departmental operating budgets. These costs are considered in the process of considering and approving prospective capital improvements.

Costs for completed or soon-to-be-completed capital plan projects are identified in the department's operating budget section in this budget book. Costs for proposed or under-construction projects are included in the *Capital Improvements Budget* book.

Most projects replace existing facilities and do not create additional operating costs.

Details, program descriptions, and estimated operating budget impacts of each prospective capital improvement project on the operating budget are noted in the CIB. The estimated operating budget impact for approved capital projects are noted in the tables presented on the following pages.

## Summary

Capital projects are budgeted in a multi-step process. The CIB, approved around mid-June of each year, proposes more capital projects than the government can afford from all funding sources. It is from this CIB that the individual projects will be selected, approved, and funded in what is known as a Capital Plan or Capital Spending Plan. When the capital projects are approved and/or completed, their operation may or may not affect future operating budgets.

A flowchart of the CIB and Capital Spending Plan process, the FY 2018 Capital Spending Plan, and the FY 2018 CIB listing of the approved project's details are presented on the following pages.

Again, at this time, the Metropolitan Government of Nashville has no significant, non-recurring capital expenditures.

## Estimated Operating Budget Impacts of the Capital Spending Plans:

**FY 2017-2018 Capital Spending Plan = \$8,976,100 Estimated Operating Budget Impact**

**FY 2017-2018-B Capital Spending Plan = \$3,634,800 Estimated Operating Budget Impact**

**BILL NO. BL2018 -**

**A bill to be entitled: The Budget Ordinance of the Metropolitan  
Government of Nashville and Davidson County, Tennessee for  
Fiscal Year 2019**

WHEREAS, Article 6 of the Metropolitan Charter provides for the preparation of the Annual Operating Budget of the Metropolitan Government and for its submission to the Council by the Mayor not later than May 1 of each year.

BE IT ENACTED BY THE COUNCIL OF THE METROPOLITAN GOVERNMENT OF NASHVILLE AND DAVIDSON COUNTY:

ARTICLE I

The amounts hereafter set out in Section I and Section II shall constitute the estimated revenues and applicable prorating provisions for property taxes, and the Operating Budget for The Metropolitan Government of Nashville and Davidson County, and the said sums specified herein are hereby appropriated for the purpose of meeting the expenses for the General Services District (GSD) and the Urban Services District (USD), respectively, for the various departments, institutions, offices, and agencies of the Metropolitan Government, and for meeting the payments of principal and interest on the Metropolitan Government debt maturing during the fiscal year beginning July 1, 2018 and ending June 30, 2019 (hereinafter referred to as Fiscal Year 2019 and FY2019).

The informational summary sheets immediately following are summaries of the detailed estimated revenue sources and budget appropriations by funds for purposes and in amounts numerically itemized by departmental accounts in subsequent schedules of Section I and Section II.

The Director of Finance is hereby authorized to allocate all initial revenues received from any sale of parking asset concessions to the general services district debt services fund for reimbursement of principal and interest related to costs for traffic and parking capital improvements.

The Director of Finance is hereby authorized to allocate all revenues received from any sale of the Murrell School property to the general services district schools general fund.

In order to facilitate proper grant accounting, the Director of Finance is hereby authorized to transfer grant-related appropriations and estimated revenues from the general funds to existing or new grant-related special revenue funds at her discretion.

The Director of Finance is hereby authorized to transfer funds as necessary to implement the Guaranteed Pension Plan program previously approved by the Metropolitan Council.

The Director of Finance is hereby authorized to carry forward and allocate in FY 2019 any unencumbered and unexpended funds at June 30, 2018 for General Government Administration, Employee Benefits and Contingency; Community Support; and Reserve appropriations.

The Director of Finance is hereby authorized to carry forward and allocate in FY 2019 any unencumbered and unexpended funds at June 30, 2018 for appropriations made from benefit trust fund accounts.

For the purpose of providing funds in anticipation of various grants, the Director of Finance is hereby authorized to enter into interfund loans between funds of the Metropolitan Government and between the Metropolitan Government and related but separate legal entities that are included in the Metropolitan Government's reporting entity, as may be permitted under the laws of the State of Tennessee.

Nashville General Hospital (NGH) serves as a safety net facility for the provision of acute medical care services to residents of Davidson County, Tennessee. NGH requires additional resources to expand health care services to the indigent, uninsured and Medicaid/TennCare patients in Davidson County; otherwise such services would be unavailable. An appropriation of \$46,112,100 is to be provided to the Hospital Authority, all of which is provided as part of this Fiscal Year 2019 operating budget with the following appropriation established for safety net expansion purposes: \$6,500,000. This safety net expansion appropriation shall be in the form of an intergovernmental transfer to the State of Tennessee as a match to secure federal funding. Such federal funding requires the approval of the Centers for Medicare and Medicaid Services (CMS). If CMS fails to approve the \$6,500,000 as a federal funding match, then the \$6,500,000 appropriation will be paid directly to the Hospital Authority. The Mayor is authorized to execute any and all documents necessary to complete the above-referenced transaction with the Federal and State governments.

In the event adjustments are needed for internal service fund budgets by the Metro Council, the Director of Finance is authorized to adjust the affected operating budgets of internal service funds, special revenue funds, enterprise funds, and departmental operating budget accounts. The Director of Finance is authorized to adjust internal service fund budgets for purposes of incorporating pay plan adjustments as authorized by the Metro Council.

For purposes of expediting flood recovery efforts during the fiscal year, the Director of Finance is hereby authorized to provide funding approval to proceed with flood related projects where reimbursement for said projects is expected from Federal Emergency Management Agency (FEMA) funds, insurance proceeds and/or other identified funding sources, conditioned on the following: all such reimbursements from federal and/or state grants are submitted to the Metropolitan Council for ratification at the time the funds are awarded.

The Director of Finance is hereby authorized to carry forward and allocate remaining funds at June 30, 2018 and funds received during FY 2019 from Hotel Occupancy Tax Funds (30047 Hotel Occupancy 2007 1% Secondary TDZ Fund) enacted pursuant to Ordinance BL2010-727, as amended by BL2017-589, for the purpose of reimbursing expenses related to flood mitigation and the repair and renovation of the Grand Ole Opry House due to damages directly caused by the May 2010 flood.

The Director of Finance is hereby authorized to increase the allocation for the tourist promotion budget from Hotel Motel Occupancy Tax Funds (30044 Hotel Tourist Promotion) for the purpose of recognizing any revenue received in excess of budgeted revenues to support the direct promotion of tourism.

For the purpose of obtaining adequate funds for its continued operation while awaiting the receipt of funds from federal grants, MTA is hereby authorized to borrow funds in a principal amount not to exceed \$14 million dollars at a rate of interest and such other terms to be determined at the discretion of MTA in accordance with its policies and procedures, (the evidence of such borrowing referred to as the "Note"). The Note shall mature not later than 364 days after the closing thereof. The principal of and interest on the amount of the Note may be secured by the pledge of the MTA's business assets, including accounts, accounts receivable, contract rights, inventory, furniture, fixtures, equipment, general intangibles, and personal property of all and every kind, wherever located and whether now existing or hereinafter acquired. MTA may take such other steps as are necessary to effectuate the Note and the purposes of this Resolution. The debt secured by the Note shall not pledge the credit of Metropolitan Government of Nashville and Davidson County and shall be "without recourse" such that the Metropolitan Government of Nashville and Davidson County is not obligated with respect to the debt or the Note.

# Internal Service Fees

## Internal Service Funds

Internal service funds are used by Metro Government to identify and account for costs incurred by one department in order to provide goods and services to other departments and agencies. For FY19, the Internal Service Funds that recover their budget through billings to departments will be Information Technology Services, Fleet Management, Radio Shop, and Surplus Property. The services provided by these funds will be funded by the General Fund. Below is a brief description of the services provided by each fund:

- Information Technology Service (ITS) – Infrastructure and support functions related to applications, voice and data connectivity and security, mail and access management, file storage, servers, technical help desk, data center operations, some radio communication services, and personal computing devices.
- Fleet Management (Fleet) – Fleet management, fuel services, and maintenance.
- Surplus Property – Handling and disposition of surplus property.

In each department's budget pages, you will find a highlight for their total budget change in Internal Service Fees. Below are two schedules that show the details of the FY19 billings broken down by Internal Service Fund.

# Internal Service Fees

## Internal Service Allocation Methods

To help explain how the remaining internal service charges are calculated the following schedules outline how the costs are allocated for each of the internal service funds. Included are the list of activities in each department; the basis on which the costs of each particular activity are allocated; the total number of allocation units; the total cost to departments; the resulting cost per unit, where applicable; and a brief narrative example of how the allocation works. All schedules are based on the FY18 Budget.

Allocation Method by Activity					
General Services Department					
Activity	Allocation Basis	Total Allocation Units	Costs Allocated to Departments	Allocation or Cost Per Unit	Example
Fleet Services (Preventative Maintenance/Major Maintenance/Asset Management)	Percent of Actual Usage Reported by OFM Fleet System	100%	Submitted by General Services	Submitted by General Services	Charges determined by recent actual usage statistics for departments
Fuel Services	Percent of Actual Usage Reported by Fuel Master & Wright Express system	100%	Submitted by General Services	Submitted by General Services	Charges determined by recent actual usage statistics for departments
Metro Surplus Property Auction	Customer Budget Size as Percentage of Total of Customer Department Budgets	N/A	\$293,300	Allocated	A department with 2% of Metro's budgeted expenditures will pay 2% of the costs allocated to departments.

# 49 Office of Emergency Management - At a Glance

**Mission** The mission of the Metro Nashville Office of Emergency Management and the Emergency Management Council is to develop, coordinate, and lead the local emergency management program; enabling effective preparation for and efficient response to emergencies and disasters in order to save lives, reduce property loss, and stop human suffering.

To accomplish this mission, the Nashville Office of Emergency Management and the Emergency Management Council will:

- Develop plans and procedures to ensure the highest level of mitigation, preparedness, response and recovery.
- Maintain a comprehensive, risk-based, multi-hazard emergency management and training program.
- Coordinate federal, state, and local resources for mitigation, preparedness, response, and recovery operations.

# 44 Human Relations Commission - At a Glance

**Mission** The mission of the Metro Human Relations Commission is to protect and promote the personal dignity of all people by protecting and promoting their safety, health, security, peace, and general welfare. The commission will endeavor to carry out this mission both proactively and reactively by:

- Investigating complaints within the general services district regarding perceived discrimination
- Reviewing allegations of discriminatory misconduct by metropolitan government employees, including but not limited to employees of the police department, fire department, health department, department of codes administration, public works, metropolitan beer permit board, metropolitan development and housing agency and department of water and sewerage services, and fostering better relations between employees of metropolitan government and the people they seek to serve
- Lessening and eliminating prejudice and discrimination through educational and awareness-enhancing programs designed to promote tolerance, respect, and the value of diversity
- Proposing legislation addressing human relations issues in the general services district and enhancing the enforcement of statutes and ordinances that already exist
- Fostering mutual understanding, tolerance, and respect among all economic, social, religious, ethnic, and other community groups by working with existing educational, religious, governmental, social and community agencies

## Overview

The Music City Center is Nashville's convention center located in the heart of downtown. The 2.1 million square foot building sits just south of Broadway between 5<sup>th</sup> Avenue and 8<sup>th</sup> Avenue and features a 353,143 square foot exhibit hall with 32 loading docks to provide easy access for convention planners. The LEED Gold certified facility includes a 57,500 square foot Karl F. Dean Grand Ballroom, the largest grand ballroom in the state, along with the 18,000 square foot Davidson Ballroom. It also offers 90,000 square feet of meeting space, over 100 pieces of public art and a three-level parking garage with spaces for about 1,800 cars. At its tallest point, the building is 150 feet high and overlooks the Country Music Hall of Fame and Bridgestone Arena.

The Music City Center strives to serve the community by bringing meetings and conventions to Nashville. During the first four years of operation, the Music City Center saw record attendance, tourist traffic, tax revenue and hotel occupancy and since opening in May 2013, has generated over \$1.5 billion in direct economic impact. With the ability to compete for about 75 percent of nation's convention market, the Music City Center plans to make sure that growth continues and will continue to work towards attracting business and convention travelers to Nashville.

Since its inception as City Hospital in 1890, Nashville General Hospital (NGH) has been a stalwart advocate for the citizens of Nashville and Davidson County. Initially opened to serve desperately ill patients or those who could not care for themselves, NGH has grown into a multi-service, technologically-advanced facility that provides emergency services and acute care as well as ancillary and ambulatory services.

In 1998, the hospital was relocated to the campus of Meharry Medical College. Today, NGH is Joint Commission accredited and is the principal teaching hospital for Meharry clinical training. Meharry's students encounter a broad range of medical-surgical experiences and are involved in community outreach and screening programs designed to foster early detection, improved health, and better understanding of general health related issues among the most underserved residents of Metropolitan Nashville and Davidson County.

With annual emergency room visits exceeding 32,000, and inpatient admissions greater than 3,400, NGH is an engaged and trusted community partner dedicated to better health and wellness for all segments of the community.

# 80 Metro Nashville Public Schools - At a Glance

## Organizational Structure

---

Metro Nashville Public Schools is the second largest school district in Tennessee and the 45th largest school district in the nation, preparing 86,000 students to excel in higher education, work, and life. The district is an important economic engine of Nashville and Davidson County, as the region's second largest employer. The district operates 168 schools across a 520-square mile service area. The governing body for Metro Schools is the Metropolitan Nashville Board of Public Education, a nine-member elected body.

### OFFICE OF THE DIRECTOR AND CHIEF OF STAFF

The Director's Office works collaboratively with the Board of Education and board office to provide support to the Board of Education's day-to-day functioning and leadership. The Director leads and is accountable for the district's overall strategic direction, operations, and teaching and learning programs and outcomes. He oversees the executive leadership team in service of the district's strategic priorities. Also included in the Director's Office is the Chief of Staff, who leads the district's and director's strategic agenda and supports the director's and his Executive Leadership Team's priority setting.

Additionally, the Chief of Staff oversees Government Relations; Research, Assessment and Evaluation; Policy, Planning, and Project Management of the Director's Initiatives; and Communications and Community Engagement. Research, Assessment, and Evaluation oversees assessment scheduling, administration, and reporting; as well as district data collection and administration and a variety of research and evaluation priorities. Communications and Community Engagement establishes and implements a variety of communication, public and parent engagement, and multi-media strategies to apprise MNPS stakeholders about day-to-day events and strategic priorities. Additionally, this department works to mitigate and resolve parent and community concerns.

### DIVISION OF FINANCE, FACILITIES, & OPERATIONS

Overseen by the Chief Operating Officer, included in this division are Facility Planning and Construction, Facility and Grounds Maintenance, and Facility Services; Finance and Budget; and Operations. The Facilities Department plans and manages all aspects of capital planning, construction management, and building and grounds maintenance. Finance manages the efficient delivery of the district's business practices, budget, and fiscal resources to support the smooth running of the district, its facilities, and its schools to support student achievement. Operations includes the district's Transportation, Student Nutrition, Student Assignment and Technology & Information Services departments to promote smooth school operations by helping students arrive at school safely and on time, offering students nutritious meals, providing families school choices, and building a technology infrastructure and data warehouse to assist instruction.

## **DIVISION OF HUMAN RESOURCES**

Led by the Chief Human Resources Officer, this division leads, manages, and supports the recruitment, hiring, retention, and development of district employees; the project management for strategic HR initiatives, partnerships, and projects; and the administration of employee compensation, employee benefits, payroll, employee relations and workplace safety.

Included in HR is organizational development, HR operations, and talent strategy. Metro Schools employs 11,011 employees including certificated teachers, principals, and principal supervisors; paraprofessionals; support personnel; bus drivers; maintenance and security personnel; and food service workers, among others.

## **DIVISION OF SCHOOL IMPROVEMENT & SUPPORT**

Overseen by the Chief of Schools, this division is responsible for the leadership, support, supervision, and evaluation of district schools and support services. Included in this division are the following departments: athletics, charter schools and student support services. Four community superintendents – who provide the leadership, support, supervision, and evaluation of district schools within MNPS’s four quadrants – focus on mobilizing local, community-based strategies and resources to support students, families, and schools through collaborations with civic, community, business and faith-based organizations. The community superintendents will serve on the Director’s Executive Leadership Team. Within the four quadrants, Executive Directors of School Support and Improvement provide day-to-day school support and oversight. The Support Services Department aligns resources including Community Achieves staff, social workers, , behavior analysts, social and emotional learning staff, counseling, and attendance staff to provide services to students, schools and the community. The department also handles student health, student discipline, and numerous programs and initiatives in conjunction with community organizations and partners.

## **DIVISION OF TEACHING AND LEARNING**

Overseen by the Chief Academic Officer, included in this division are the Departments of Curriculum and Instruction; Equity and Diversity; Federal Programs and Grants; Exceptional Education; Instructional Technology and Library Services; Academies of Nashville and Magnet Schools; and Pre-Kindergarten. This Division is responsible for the strategic project management and leadership of the district’s instruction, curriculum, academic professional development, and academic programs along with strategically guiding assessment practices. Additionally, the management of and accountability for federal programs and funds rests within Teaching and Learning as does the coordination of equity and diversity practices and related professional development.

These accounts are administered by the Department of Finance and have no separate organization chart.

Important Note about the Budget: This Administrative department is made up of a group of various-purpose accounts that do not fall into other agencies' budgets. Revenues in this department include all general fund revenues not associated with other agencies, and are not directly related to the budgeted expenditures in this department. Because of this, the financial schedules presented later in this section list individual business units expenditure information, rather than a summary of revenues and expenditures.

## Budget Highlights FY 2019

For budget changes, see the financial schedule.

### Overview

Accounts are grouped into functional area, as presented in the budget ordinance. Each account's title, 8-digit business unit number, legal basis, & description follow. In cases where the Council changed an appropriation in the final (substitute) budget, the original proposal and final adjustments are both described.

### INTERNAL SUPPORT:

- **Insurance & Reserve** (01101301 & 01191301, Resolution R82-1327) protects Metro property against damage, loss and claims. This account pays insurance premiums for Metro vehicles, buildings and equipment, boiler and elevator inspections, and for protection against liability claims. The FY 2019 budget recommends a \$2,000,000 decrease in the GSD and no change in the USD.
- **Corporate Dues and Contributions to Governmental Associations** (01101303, Metro Charter § 18.11(c)) pays dues for Metro memberships in intergovernmental organizations. The FY 2019 budget recommends an increase of \$30,000 to \$700,600.
- **Judgments and Losses** (01101308 & 01191308, Metro Code § 2.40.100) pays on Metro's behalf for judgments and losses that arise in the course of litigation and pays related costs and expenses such as for court reporters, court costs, tax costs, etc. The FY 2019 budget recommends no change in the GSD and no change in the USD.
- **Pay Plan Improvements** (01101315 & 01191315) Pay plan improvements for active employees in the general funds' departments are included here. Payroll adjustment amounts have been budgeted in this account and will be spread to departments and agencies after the budget is finalized. The FY 2019 budget recommends \$7,071,100 for the GSD and \$1,449,900 in the USD.
- **Post Audits** (01101412, Metro Charter §6.15) pays for an annual independent financial audit and accounting services conducted by one or more certified public accounting firms. Audits are conducted in accordance with federal and state law. The FY 2019 budget recommends a decrease of \$50,000.
- **Metro Facility Rental** (01101127) pays rent for occupying non-Metro space. The FY 2019 budget recommends \$956,700.
- **Election Day and Early Voting** (01101667) funds for Metro Election Day and early voting sites for 2018 and 2019 elections. The FY 2019 budget recommends \$2,129,600.
- **Information Technology Services** (01101676) provides \$1,000,000 for internal service fees to Metro agencies for technology services.

- **Transfer to Advance Planning & Research Fund** (01101416, Metro Charter § 6.14) provides the mandated \$50,000 transfer to the APR fund and approximately \$191,000 for the Metro Planning Organization (MPO). The FY 2019 budget remains flat at \$248,700.
- **Coordinated Pre-K Initiative** (01101143) funds to be used for Pre-K initiatives among Metro agencies. The FY 2019 budget recommends \$400,000.
- **Subsidy Municipal Auditorium** (01101428) includes recurring funds to subsidize the Municipal Auditorium. The FY 2018 budget eliminated the subsidy amount of \$400,000.
- **GSD General Fund Transfer to GSD Debt** (01102160) The FY 2019 budget authorizes an operational transfer of budget dollars to the GSD Debt Service Fund to balance it for FY 2019.
- **Transfer for 4% Fund** (01101996, Metro Charter) transfers 4% of original revenues in the GSD General Fund to the separate General Fund Reserve Fund for equipment purchases or building repairs for any department funded by the GSD General Fund. The FY 2019 budget estimates a balance of \$32,185,000 for the 4% Fund.
- **Budget Adjustment Savings** (01101408) The FY 2019 budget estimates a budget adjustment savings of (\$11,500,000) from the agencies and departments of the Metro Nashville Government.
- **Self-Insured Excise Tax** (01101658) provides funds to cover the \$2 per employee excise tax for Metro's self-insured insurance plan. The FY 2019 budget recommends no change; flat at \$75,000.

### EMPLOYEE BENEFITS:

- **Police and Fire Pension Match** (01191102, Metro Charter § 13.09) provides Metro's guaranteed contributions from the USD General Fund to closed police and fire pension plans.
- **Civil Service Retirement Match** (01191103, Metro Charter § 13.09) provides Metro's guaranteed contribution from the USD General Fund to the closed City of Nashville Employees' Retirement plan.
- **Davidson County Retirement Match** (01101104, Metro Charter § 13.09) provides Metro's contribution from the GSD to the old Davidson County civil service pension plan. The FY 2019 budget remains flat at \$3,501,900.
- **Teacher Pensions Match** (01191106, Metro Charter § 9.06) provides Metro's contribution from the USD General Fund to the old city teacher's pension plan.
- **Employee Tuition Reimbursement Program** (01101138) provides tuition reimbursement for employees taking job-related courses. The FY 2019 budget removes this non-recurring \$50,000.

# 01 Administrative - At a Glance

- **Davidson County Teacher's Retirement Match** (01101107, Metro Charter §9.06) provides Metro's guaranteed contribution to the closed county teacher's pension plan. The Board of Education makes a separate guaranteed contribution from its Schools Special Revenue Fund to that plan. The FY 2019 budget remains flat at \$6,900,400.
- **Group Health Insurance Match** (01101109 & 01191109, Metro Code §3.16.020, .040, & 3.24.010) provides Metro's share of pensioners' medical and dental insurance premiums. For active employees, these costs are in their departments' budgets. The FY 2019 budget recommends an increase to \$54,231,000 in the GSD and no increase to the \$1,500,200 in the USD.
- **Death Benefit Payments** (01101110, Metro Code § 3.28.080) transfers money to a fund that provides a supplementary benefit for deaths in the line of duty. The FY 2019 budget remains flat at \$200,000.
- **Pensioners In-Line-Of-Duty Medical Expense** (01101113 & 01191112, Metro Charter § 13.12) provides medical payments for those pensioners who were disabled by in-line-of-duty injuries. The total cost is budgeted through the GSD General Fund; the share for USD employees is borne by a transfer from the USD to the GSD. The FY 2019 budget reflects a decrease of \$2,426,000 in the GSD and a decrease of \$169,700 in the USD.
- **Unemployment Compensation** (01101114, TCA § 50-7-401) reimburses the state for unemployment payments to eligible former Metro employees. The FY 2019 budget recommends a decrease of \$100,000.
- **Group Life Insurance Match** (01101115 & 01191115, Metro Code § 3.16.040) provides payment of life insurance premiums for pensioners. Life insurance for active employees is budgeted in departments' budgets; Metro pays 100% of the premiums. The FY 2019 budget recommends an increase of \$680,200 in the GSD and no change in the USD.

## Budget Highlights FY 2019

The recommended budget services outstanding debt issues. Currently, Metro has approximately \$1,675,068,000 in un-issued general obligation bonds authorized for capital spending plans in Fiscal Years 2010 through 2018.

## Overview

**Debt Financing:** Periodically, Metro borrows money to provide long-term financing for capital improvement projects that are included in the Capital Spending Plan by issuing (or selling) bonds and notes, which are written promises to repay the debt at certain times and with certain interest to bondholders/investors. The specific improvements to be financed are listed in the legislation that authorizes the debt. The proceeds from the sale of the debt are used to pay off commercial paper that provides short-term financing for those improvements.

Debt service is the process of repaying those bonds and notes, and their interest, over time to bondholders/investors. A portion of the principal is repaid each year between issuance and maturity. This approximately matches the maturity dates of bonds to the lives of the projects they fund, and keeps Metro from having to make a big payment at one time to make a capital improvement.

Metro does not issue long-term debt to finance operating expenditures or deficits.

**Types of debt:** Debt generally falls into the following categories:

- General obligation (GO) debt is payable from taxes, and is backed by the full faith, credit, and taxing power of the government. There is no legal limit to Metro's use of general obligation debt, although issuance requires passage of a Council resolution. Only general obligation debt is repaid from the three debt service funds (25104, 20115, and 28315).
- Revenue debt is often used to finance projects that will generate revenue. Part of the revenue generated by a project is used to service the debt on the project. It is accounted for through the enterprise or internal service fund that develops the capital project and receives its revenues.
  - Limited obligation revenue debt normally operates as revenue debt, but is backed by certain non-property-tax revenues (defined in the bond covenants) in the event that there are not sufficient revenues to service the debts.

Interest earned by our bondholders/investors is generally held to be exempt from federal and Tennessee taxation.

**Structure:** Metro's outstanding debt takes three forms:

- Bonds - Long-term debt that usually matures over a period of 20-30 years.
- Notes - Shorter-term debt that is issued for three years, renewable for an additional two terms of three years each. The usual total maturity is 3 to 5 years.
- Commercial paper - Short-term GO obligations with flexible maturities ranging from 1 to 270 days, issued as cash when needed in blocks of \$100,000 plus \$1,000 increments. Interest rates are usually lower than bond interest rates.

Notes and commercial paper often provide temporary financing and are retired by issuing longer-term bonds.

Many bonds have "call" provisions that allow Metro to redeem the debt before its scheduled maturity. This is most often done when the debt being called is refunded by issuing new debt for the same period of time but at lower interest rates. The lower interest costs save Metro money over the remaining life of the bond issue.

**Legal Limitations:** There is no legal debt margin limitation on GSD debt. Section 7.08 of the Charter limits the USD total net bonded indebtedness payable from USD ad valorem taxes, after deduction of sinking funds for the payment of principal, to 15% of the USD assessed valuation of taxable property. At June 30, 2017, the taxable property was valued at \$15.1 billion, so the 15% limit was \$2.2 billion. With only \$173.7 million of applicable debt (1.23% of valuation), the margin was \$2.0 billion.

**Bond Ratings:** Metro holds excellent investment-grade ratings from two independent rating agencies (Moody's Aa2 and Standard & Poor's AA). These ratings are based on both the city's financial health and available reserves for paying off debt. Each agency has its own rating system; ratings of the two agencies cannot necessarily be compared to each other. For explanations of the ratings, visit each agency's web site.

**Debt Policies:** The following guidelines are used in managing debt service funds:

- USD general obligation debt is subject to the legal limitation noted above.
- Debt is not issued above the capacity provided by current revenue sources (including property taxes at the current rate) plus anticipated normal growth; debt is not issued in anticipation of a not-yet-approved property tax increase.
- When planning future debt capacity, normal revenue growth is projected conservatively.
- The financing of an improvement will not exceed its useful life. In a multi-purpose bond package, the package maturities will reflect the mix of project lives funded by the package; the average life of the bonds cannot exceed the average life of the projects.
- General obligation issues are sold by competitive bid in a public offering; a bid sale is awarded to the bidder with the lowest true interest cost
- Bond issues may be considered for refunding when lower interest rates on the new bonds will result in a 3.5% or better aggregate present value savings over the old bonds. The term of the refunding bonds will not exceed the terms of the bonds being refunded. Refunding Bonds may be sold either by negotiated sale or by competitive bid public offering.

# 90 Debt Service Funds - At a Glance

**Revenue Sources:** Revenues for all three funds are detailed in the budget ordinance. The GSD and USD Debt Service Funds (funds 20115 & 28315) are funded primarily by a dedicated portion of the property tax levies. The GSD Debt Service Fund also receives \$3.2 million from the GSD General Fund (fund 10101) for stadium debt, and the Schools Debt Service Fund (fund 25104) receives substantial schools-related sales taxes.

**Capital Expenditures and the Budget:** The discussion of Capital Improvements in Section A of this book describes how these funds relate to the operating budget.

**Recent Bond Issues:** The Recent Bond Issues table summarizes recent bond issues. Note that only the general obligation issues are serviced through the GSD, USD, and Schools Debt Service funds; the revenue issues are serviced through non-tax sources. Future debt service requirements are listed on the next page.

**Comparative Debt Statistics:** The Comparable Debt Statistics table uses standard indicators to measure debt burden levels and trends.

## Highlights from the Metropolitan Government of Nashville and Davidson County's Debt Management Policy

The purpose of the Policy is to provide written guidance about the amount and type of debt issued, the issuance process, and the management of the debt portfolio for the Metropolitan Government.

### Introduction

The Metropolitan Government of Nashville and Davidson County (the "Metropolitan Government"): (1) identifies policy goals and demonstrates a commitment to long-term financial planning; including a multi-year capital plan; (2) improves the quality of decisions; and (3) provides justification for the structure of debt issuance.

### Goals & Objectives

Debt policies and procedures are tools that ensure that financial resources are adequate to meet the Metropolitan Government's long-term financing objectives. In addition, the Policy helps to ensure that financings undertaken by the Metropolitan Government satisfy certain clear objective standards which allow the Metropolitan Government to protect its financial resources in order to meet its short-term financing and long-term capital needs. The adoption of clear and comprehensive financial policies enhances the internal financial management of the Metropolitan Government.

### Purpose and Use of Issuance Process

Debt is to be issued pursuant to the authority of and in full compliance with provisions, restrictions and limitations of the Charter and the Constitution and laws of the State of Tennessee (including without limitation Title 9, Chapter 21, Tennessee Code Annotated, and Title 7, Chapter 34, Tennessee Code Annotated (together, the "State Debt Statutes"), pursuant to resolutions adopted by the Metropolitan Government.

### Debt Capacity Assessment

During development and consideration of a capital-spending plan, impact of the resulting debt and debt service will be evaluated to determine appropriate level of debt to the overall financial position of the Metropolitan Government. To accomplish this evaluation, a calculation of the various metrics, will be performed on existing debt as compared to projected debt resulting from capital-spending plan. An analysis of historical financial trends and current and projected economic factors will be considered in evaluation of the appropriate level of debt to be approved in a capital-spending plan.

### Federal Tax Status

1. **Tax-Exempt Debt** – The Metropolitan Government will use its best efforts to maximize the amount of debt sold under this policy using tax-exempt interest financing.
2. **Taxable Debt** – The Metropolitan Government will sell taxable debt when necessary to finance projects not eligible to be financed with tax-exempt debt.

### Legal Limitation on the Use of Debt

1. No Debt obligation, except as shall be repaid with the fiscal year of issuance, shall be sold to fund the current operation of any Metropolitan Government service or program.
2. The proceeds of any debt obligation shall be expended only for the purpose for which it was authorized.
3. Debt may only be issued pursuant to an authorized resolution of the Metropolitan Council.

### Types of Debt

#### A. Bonds

**Security-** Pursuant to State Debt Statutes, the Metropolitan Government may issue general obligation bonds, which are direct general obligations of the Metropolitan Government payable as to both principal and interest from any funds or monies of the Metropolitan Government from whatever source derived. The full faith and credit of the Metropolitan Government is pledged to the payment of principal of and interest on all general obligations bonds. General obligation bonds may be additionally secured by a pledge of the revenues of one or more revenue-producing systems or facilities. Pursuant to State Debt Statutes, the Metropolitan Government may issue revenue bonds, which are limited obligations of the Metropolitan Government, payable solely from the revenues of one or more revenue-producing systems or facilities.

#### B. Short Term Debt

Pending the issuance of bonds to provide long-term financing, the Metropolitan Government may issue short term debt. Such debt shall be authorized by resolution of the Metropolitan Government.

These notes may be structured as:

- Bond Anticipation Notes
- Tax and Revenue Anticipation Notes
- Capital Outlay Notes

## Debt Management Structure

The Metropolitan Government shall establish all terms and conditions relating to the issuance of bonds, and will invest all bond proceeds pursuant to the terms of the Metropolitan Government's Investment Policy.

- A. Term.** The term of any debt (including refunding debt) used to purchase or otherwise obtain or construct any equipment, goods, or structures shall have a reasonably anticipated lifetime of use equal to or less than the average useful life of the project.
- B. Debt Service Structure.** Debt issuance shall be planned to achieve substantially level debt service over a twenty year period (commencing immediately following the third year after issuance) unless otherwise specified in the authorizing resolution of the Metropolitan Council.
- C. Call Provisions.** When issuing new debt, the structure may include a call provision that occurs no later than ten years from the date of delivery of the bonds. Call features should be structured to provide the maximum flexibility relative to cost.
- D. Original Issuance Discount/Premium.** Bonds sold with original issuance discount/premium are permitted with the approval of the Metropolitan Council.

## Balloon Debt

### A. Introduction

The Metropolitan Government may, from time to time, consider the issuance of bonds that would now constitute "balloon indebtedness," as defined by Tennessee Code Annotated Section 9-21-134. Generally speaking, balloon indebtedness reduces the Metropolitan Government's future capacity to issue debt and its financial flexibility to meet future needs. The Metropolitan Government's preference if for the issuance of indebtedness that does not constitute balloon indebtedness, all in a manner consistent with this Debt Management Policy, and in the best interest of the Metropolitan Government and its taxpayers or ratepayers (as applicable).

### B. Policy

It is the policy of the Metropolitan Government that the Metropolitan Government will strive to issue all future debt to provide funding for capital projects ("improvement bonds") with a principal amortization structure that does not constitute balloon indebtedness.

It is further the policy of the Metropolitan Government to maintain at all times a plan for managing any outstanding balloon indebtedness to mitigate its effects on the Metropolitan Government's future debt capacity

and financial flexibility, taking into consideration the financial resources of the Metropolitan Government.

## C. Issuance of Balloon Indebtedness

Unless the Metropolitan Council concludes, through the procedures outlined in (2) below, that a balloon indebtedness structure is in the public interest, all future improvement bonds will be structured so that principal amortizes in a manner that results in level or declining debt service, commencing no later than the fourth year following issuance.

## D. Debt Affordability

The Metropolitan Government will manage any outstanding balloon indebtedness in a manner that mitigates its effects on the Metropolitan Government's future revenues by considering the following options, within its financial resources:

- Restructuring debt with accelerated amortization
- Early repayment of debt
- Delaying of capital projects, or funding capital projects with revenues, until capacity is available to issue debt structured with level or declining payments
- Such other actions available within its financial capacity to manage debt.

## Refinancing Outstanding Debt

The Department of Finance and the Metropolitan Government's Financial Advisor shall have the responsibility to analyze outstanding bond issues for refunding opportunities. The Financial Advisor will regularly conduct an analysis of all refunding candidates to identify potential refunding candidates from the outstanding bond maturities. The Metropolitan Government will consider the following issues when analyzing possible refunding opportunities:

- Debt Service Savings
- Term of Refunding Bonds
- Bond Restructuring
- Escrow Structuring

## Methods of Sale

Pursuant to State Debt Statutes, new money general obligation bonds must be sold at competitive sale. State Debt Statutes permit the Metropolitan Government to determine the method of sale for refunding bonds and revenue bonds. Following each sale of bonds, the Finance Department with the assistance of the Financial Advisor shall provide a report to the Metropolitan Council on the results of the sale.

- Competitive Sale
- Negotiated Sale
- Private Placement

# 90 Debt Service Funds-At a Glance

## **Selection of Underwriting Team (Negotiated Transaction)**

If there is an underwriter, the Metropolitan Government shall require the underwriter to clearly identify itself in writing, whether in a response to a request for proposals or in promotional materials provided to the Metropolitan Government or otherwise, as an underwriter and not as a financial advisor from the earliest stages of its relationship with the Metropolitan Government with respect to that issue. The underwriter must clarify its primary role as a purchaser of securities in an arm's-length commercial transaction and that it has financial and other interests that differ from those of the Metropolitan Government. The underwriter in a publicly offered, negotiated sale shall be required to provide pricing information both as to interest rates and to takedown per maturity to the Metropolitan Government or its designated official in advance of the pricing of the debt.

## **Credit Quality**

The Metropolitan Government's debt management activities will be conducted to receive the highest credit ratings possible, consistent with Metropolitan Government's financing objectives.

## **Credit Enhancements**

The Metropolitan Government will consider the use of credit enhancements on a case-by-case basis, evaluating the economic benefit versus the cost. Only when clearly demonstrable savings can be shown shall an enhancement be utilized. The Metropolitan Government may consider each of the following enhancements as alternatives by evaluating the cost and benefit of such enhancements:

- Bond Insurance
- Letters of Credit
- Liquidity
- Use of Structured Products

## **Risk Assessment**

The Finance Department will evaluate each transaction to assess the types and amounts of risk associated with that transaction, considering all available means to mitigate those risks. The Finance Department will evaluate all proposed transactions for consistency with the objectives and constraints defined in this Policy.

## **Transparency**

The Metropolitan Government shall comply with the Tennessee Open Meetings Act, providing adequate public notice of meetings and specifying on the agenda when matters related to debt issuance will be considered. Additionally all costs (including interest, issuance, continuing, and one-time) shall be disclosed to the citizens in a timely manner (see also Federal Regulatory Compliance and Continuing Disclosure)

## **Professional Services**

The Metropolitan Government requires all professionals engaged to assist in the process of issuing debt to clearly disclose all compensation and consideration received related to services provided in the debt issuance process by the Metropolitan Government. This includes "soft" costs or compensations in lieu of direct payments.

## **Potential Conflicts of Interest**

Professionals involved in a debt transaction hired or compensated by the Metropolitan Government shall be required to disclose to the Metropolitan Government existing client and business relationships between and among the professionals to a transaction (including but not limited to financial advisor, swap advisor, bond counsel, swap counsel, trustee, paying agent, underwriter, counterparty, and remarketing agent), as well as conduit issuers, sponsoring organizations and program administrators and other issuers whom they may serve. This disclosure shall include that information reasonably sufficient to allow the Metropolitan Government to appreciate the significance of the relationships.

## **Debt Administration**

### **A. Planning for Sale**

Prior to submitting a bond resolution to the Metropolitan Council for approval, the Finance Department, with the assistance of the Financial Advisor, will present to the Metropolitan Council the purpose of the financing, the estimated amount of financing, the proposed structure of the financing, the proposed method of sale for the financing, members of the proposed financing team, and an estimate of all the costs associated with the financing.

In the case of a proposed refunding, proposed use of credit enhancement, or proposed use of variable rate debt, the Finance Department will present the rationale for using the proposed debt structure, an estimate of the expected savings associated with the transaction and a discussion of the potential risks associated with the proposed structure.

The Finance Department, bond counsel, financial advisor, along with other members of the financing team will prepare a Preliminary Official Statement describing the transaction and the security for the debt that is fully compliant with all legal requirements.

### **B. Post Sale**

The Finance Department will present a post-sale report to the members of the Metropolitan Council describing the transaction and setting forth all the costs associated with the transaction.

The financial advisor will provide a closing memorandum with written instructions on transfer and flow of funds.

# 90 Debt Service Funds-At a Glance

## **B. Post Sale (cont.)**

The Finance Department will establish guidelines and procedures for tracking the flow of all bond proceeds, as defined by the Internal Revenue Code, over the life of bonds reporting to the IRS all arbitrage earnings associated with the financing and any tax liability that may be owed.

The Finance Department, bond counsel, financial advisor, along with other members of the financing team will prepare an Official Statement describing the transaction and the security for the debt that is fully compliant with all legal requirements.

## **Federal Regulatory Compliance and Continuing Disclosure**

### **A. Federal Tax Compliance**

The Metropolitan Government has adopted Federal Tax Compliance Policies and Procedures regarding the administration of all of its tax-exempt and tax-advantaged debt. The Finance Department will comply with these Federal Tax Compliance Policies and Procedures, as they may be amended from time to time.

## **B. Investment of Proceeds**

Any proceeds or other funds available will be deposited with the Metropolitan Treasurer's Office. . The proceeds must be invested pursuant to the Metropolitan Government's investment policy and applicable provisions of State law.

## **C. Disclosure**

In complying with U.S. Securities and Exchange Commission Rule 15c2-12, the Metropolitan Government will timely provide to EMMA certain financial information and operating data each year, and will provide notice of certain enumerated events with respect to the bonds, if material.

## **D. Generally Accepted Accounting Principles (GAAP)**

The Metropolitan Government will prepare its financial reports in accordance with the standard accounting practices adopted by the Governmental Accounting Standards Board and with the accounting policies established by the Finance Department when applicable.

## Overview

This fund (Fund 30003) is used to finance small-to-medium size capital expenditures for GSD General Fund departments. Four percent (4%) of all original monies collected by the GSD General Fund during any year is placed in this reserve fund and is kept separate and apart from other funds of the government. This separate fund can be used only for the purchase of equipment for any department of Metro and for repairs to any building owned by any department of the Metropolitan Government. Larger capital expenditures are financed using notes or bonds in the manner discussed in the "Debt Service Funds" section.

**Revenues:** Four percent (4%) of all original monies collected by the GSD General Fund (fund 10101) are transferred to this fund. Administratively, the 4% is based on all GSD General Fund gross receipts except for revenues from other governments and certain other internal sources and transfer accounts.

The transfer of monies from the General Fund to the 4% Reserve Fund is in the budget as an expenditure account in the 01 Administrative section of the GSD General Fund.

**Expenditures:** This separate fund can be used only for GSD General Fund departments' expenditures for the purchase of equipment and for repairs to buildings.

**Minimum Balance:** Administrative policy is to maintain a \$500,000 balance in the fund at all times. The Council approved a policy of maintaining an additional \$500,000 balance in the fund, for a total balance of at least \$1 million.

**USD Charter Provision:** The Charter also allows the Council to establish by ordinance the same type of fund for the Urban Services District. This has not occurred.

**Historical Information:** The Charter originally required a five percent (5%) deduction from revenues. This was amended at an election held August 4, 1983 to four percent (4%).

## Overview

The Central Business Improvement District (CBID) was established by Metro ordinance under the authority of State law to protect and restore the central business district to promote the public health, safety, and welfare of Nashville. (See Ordinance O98-1037, Metro Code 2.174.010 et seq. and TCA §7-84-101 et seq.)

Ordinance BL2004-1064 expired December 31, 2007. Ordinance BL2007-1312 extended the term of the CBID through December 31, 2017. Ordinance BL2017-580, approved March 8, 2017, extends the CBID term again.

The CBID is a district management corporation chartered pursuant to the provisions of the Nonprofit Corporation Act of Tennessee for the purpose of administering the special assessment revenues and the activities within and for the district, the making of improvements within and for the district, and the provision of services and projects within and for the district.

The CBID has the power to acquire, construct or to maintain parking facilities, public improvements, and child care facilities; and to provide services for the

improvement and operation of the district, including promotion, advertising, health & sanitation, public safety, elimination of problems related to traffic and parking, security services, recreation, cultural enhancements, aesthetic improvements, furnishing music in public places, design assistance, and activities in support of business or residential recruitment, retention, and management development.

These services are provided to and in support of the Metropolitan Government, paid from revenues from the special assessment. These levels of service are in addition to, and not instead of, Urban Services District (USD) services.

The CBID Board of Directors is elected by and from district property and business owners who pay the assessment. The Board contracts with the Nashville Downtown Partnership to administer the CBID's operations.

The boundaries of the CBID are set by law. The district includes all properties shown within the shaded area in the map. BL2017-788 set the rate of levy at \$0.001294 per dollar of assessed valuation.

## Overview

The Gulch Central Business Improvement District (GCBID) was established by Metro Ordinance under the authority of the state law to enhance the local business climate and help manage the area and ensure that it is clean, safe and vibrant and will bring more people to the Gulch area of downtown Nashville to work, live, shop and play.

The GCBID is a district management corporation chartered pursuant to the provisions of the Nonprofit Corporation Act of Tennessee for the purpose of administering within and for the GCBID district, the making of improvements within and for the district, and the provision of services and projects within and for the district.

The GCBID has the power to acquire, construct or to maintain parking facilities, public improvements, and child care facilities; and to provide services for the improvement and operation of the district, including promotion, advertising, health and sanitation, public safety, elimination of problems related to traffic and parking, security services, recreation, cultural

enhancements, aesthetic improvements, furnishing music in public places, design assistance, and activities in support of business or residential recruitment, retention, and management development.

These services are provided to and in support of the Metropolitan Government, paid from revenues from the special assessment. These levels of service are in addition to, and not instead of, Urban Services District (USD) services.

The GCBID Board of Directors is elected by and from district property and business owners who pay the special assessment. The Board administers the GCBID's operations and services directly or by contract through the Nashville Downtown Partnership.

The boundaries of the GCBID are set by law. The district includes all properties shown within the shaded area in the map. Those properties are assessed a levy based on real property values.

Those funds are used to provide additional services within the GCBID. Ordinance BL2015-67, approved January 6, 2016, extends the current GCBID term until

# 38005 Gulch CBID - At a Glance

December 31, 2026. Ordinance BL2017-787 set the rate of levy at \$0.1081 per \$100 of assessed valuation.

GCBID's annual budget is approved as part of the Metro Nashville Government's annual operating budget.

## Appendix 2: Glossary

The annual operating budget contains specialized and technical terminology. This glossary defines some of the more common and more important of these terms.

**Account Code** - The combination of a business unit and object account that classifies all revenues and expenditures within a fund.

**Accrual Accounting** - A basis of accounting in which revenues are recognized in the period in which they are earned and become measurable, and expenses are recognized in the period incurred instead of when cash is actually received or spent. In such a system, revenue earned in June but received on July 10 is recorded as being received June 30.

**Active Position** - A position that is budgeted and funded, whether filled or not.

**Actual** - Actual (as opposed to budgeted) revenues and expenditures for the fiscal year indicated.

**Accountability** - The state of being answerable; it is demonstrated by being willing and able to tell taxpayers what they are getting for their money in terms of results.

**Accounting System** - The total set of records and procedures that are used to record, classify, and report information on financial status and operations.

**Activity** - An organizational process or system that converts inputs (money, staffing, technology, and other resources) into outputs (services and other things of value to customers, stakeholders, and citizens); the work performed by an organization to carry out a program for which it is responsible.

**Adjusted Budget or Adjusted Final Budget** - The final budget passed by the Council with detail adjusted by departments to show how they will operate within the fund-wide and department-wide numbers approved in that budget.

**Agency** - See **Department**.

**Allot** - To divide an appropriation into amounts that may be encumbered or expended during an allotment period.

**Allotment** - A part of an appropriation that may be encumbered or expended during an allotment period.

**Allotment Period** - A period of time less than one fiscal year in length during which an allotment is effective. Metro generally uses quarterly allotment periods, although some departments use monthly allotments as a management tool.

**Annual Budget** - A budget for a fiscal year.

**Appraise** - To estimate value, particularly of property. If the property is valued for purposes of taxation, the term "assess" means the same thing.

**Appraisal** - A valuation of property based on current market values.

**Appraisal Ratio** - The ratio between the appraised value of property and its market value, or the appraised value as a percentage of the market value. A house appraised at \$80,000 with a current market value of \$100,000 has an appraisal ratio of 80% (80,000/100,000). Using

statistical techniques, the state recalculates appraisal ratios for the entire county every two years.

**Appropriation** - A legal authorization granted by the Council to make expenditures and to incur obligations for specific purposes. An appropriation is usually limited in amount and time when it may be expended. Metro general fund appropriations lapse (expire) at the end of each fiscal year.

**Appropriation Ordinance** - An ordinance by which the budget appropriations are given legal effect, usually the budget ordinance.

**Assess** - To value property officially for the purpose of taxation.

**Assessment** - The portion of a property's appraised value that is taxed, determined by multiplying the appraised value of a property by its assessment rate. For example, a residence appraised at \$100,000 has an assessment of \$25,000 (25% x \$100,000).

**Assessment rate** - The constitutional percentage that is multiplied by the appraised value to determine the assessment (25% of the appraised value for residential property, 40% for commercial).

**Available (Undesignated) Fund Balance** - The funds remaining from the prior fiscal year that are available for appropriation and expenditure in the current year.

**Authorized Positions** - Number of positions authorized in the final budget. This is not a formal part of the budget ordinance, but an implicit management tool to control salary expenditures. Some agencies and elected offices are subject to legal constraints on the numbers of authorized and filled positions.

**Balanced Budget** - All funds are required to balance. As such, total anticipated revenues must equal the sum of budgeted expenditures for each fund. Revenues are derived from four sources: current revenue charges, increases in existing revenue charges, new revenue sources, and unallocated reserves carried forward from prior years.

**Baseline Budget** - An estimate of the funding required to continue existing programs at the currently-budgeted levels of service from one fiscal year to the next. It includes various adjustments made to the prior year's budget as appropriate for salary increments, pay plan, longevity, inflation, etc.

**Bond** - A written promise to pay a specified sum of money (the face value or principal amount) at a specified date or dates in the future (the maturity date) together with periodic interest at a specified rate. Metro issues (sells) bonds as one way to finance capital projects. Maturity dates may extend as far as twenty or thirty years after the bonds are issued.

**Bond, General Obligation** - A bond that is secured by the full faith, credit, and taxing power of the city.

**Bond, Revenue** - A bond that is paid from the earnings of an enterprise fund.

**Bonded Debt** - That portion of indebtedness represented by outstanding bonds.

## Appendix 2: Glossary

**Budget** - A plan of financial operation containing an estimate of proposed expenditures for a given period (usually a fiscal year) and the proposed means of financing them. Since the budget process includes many "budgets," it is necessary to specify whether the budget being discussed is projected, recommended, final (approved by the Council), or current.

**Budgetary Basis** - This refers to the basis of accounting used to estimate financing sources and uses in the budget. This generally takes one of three forms: GAAP, cash, or modified accrual.

**Budget Calendar** - The schedule that is followed in preparing, adopting, and administering a budget.

**Budgetary Control** - The control or management of an organization in accordance with an approved budget for the purpose of keeping expenditures within the limitations of available appropriations and available revenue.

**Budgetary Fund** - Any of the primary tax-supported funds:

- GSD General Fund (10101),
- USD General Fund (18301),
- GSD Debt Service Fund (20115),
- USD Debt Service Fund (28315),
- GSD Schools Operating Fund (35131), and
- Schools Debt Service Fund (25104).

The sum of the funds' expenditures, less transfers between them, is usually cited as the total size of the budget.

**Budget Message** - The Mayor's message generally explaining the budget, describing its important features, outlining proposed financial policies, and explaining the reason for significant budgetary changes. This may take the form of a letter, speech, or presentation.

**Budget Method** - A code that presents whether and how Metro budgets each fund. Common codes are:

- ANN - Annually budgeted governmental (except capital projects), enterprise, and internal service funds with a fiscal year that is the same as Metro's July 1 – June 30 standard.
- MYB - Multi-year budgeted funds, often grants, whose fiscal year crosses Metro's July 1 – June 30 standard fiscal year and which typically are not included in this document.
- NOB - Other funds whose spending is authorized by something other than the operating budget.

**Budget Ordinance** - The legal document that sets the annual operating budget for a fiscal year.

**Budgeted Positions** - The number of full- and part-time positions funded in June, plus the number of seasonal positions funded at any time in the fiscal year.

**Budget Projection** - A projection of revenues and/or expenditures for the coming fiscal year(s).

**Business Unit** - Generally, an eight-digit code that describes an organizational, programmatic, or service unit within a department and fund.

### **CAFR (Comprehensive Annual Financial Report) -**

The audited annual financial report of the government, showing financial position and results of operations for the fiscal year, along with schedules detailing other financial matters. The CAFR is prepared in accordance with governmental GAAP, so it is not strictly comparable to the budget ordinance.

**Capital Budget** - A plan of proposed capital outlays and the means of financing them. Metro's Capital

Improvements Budget (CIB) is compiled by the Finance Department and Planning Commission, and approved by the Mayor and Council. It is only a planning document and does not authorize expenditures on its own.

**Capital Improvements** - Expenditures that are related to the acquisition, expansion, or rehabilitation of an element of the physical plant of the government; sometimes referred to as infrastructure.

**Capital Outlays** - Expenditures for the acquisition of capital assets such as heavy equipment, machinery, buildings, etc.

**Capital Spending Plan** - The annual process of selecting and funding a package of specific capital projects to be authorized by the Council.

**Capital Program** - A plan for capital expenditures to be incurred each year over a fixed period of years to meet capital needs arising from the long-term work program or otherwise. It sets forth each project or other contemplated expenditure in which the government is to have a part and specifies the full resources estimated to be available to finance the projected expenditures.

**Certified Tax Rate** - After reappraisal, the property tax rate that equates total current property tax revenues to those of the previous year's receipts plus normal growth. TCA 67-5-1701 provides that reappraisals cannot by themselves increase Metro's revenues. So, for years in which a reappraisal is implemented, the certified rate forms a basis for gauging the amount of any tax increases. This assures that tax increases are not hidden within post-reappraisal tax rates, but will be known to the public. The certified rate is calculated using state forms and guidelines and is approved by the state Board of Equalization and the Council.

**CBER** - The University of Tennessee's Center for Business and Economic Research, which has assisted the Department of Finance in forecasting certain revenues for the budget.

**CBO** - The federal Congressional Budget Office.

**Class Code** - A code number assigned to positions within the city's classification and compensation plan.

**Commercial Paper** - a form of **note** (q.v.) with generally a shorter term and more flexible terms of issuance and payment.

## Appendix 2: Glossary

**Component Unit** - An organization that is legally separate from Metro, but Metro has the ultimate financial responsibility for the organization (i.e. if there was financial trouble, Metro would have to step in). They are not generally presented as part of the overall Metro budget, either in the budget ordinance or in this book. Component units include:

- Nashville District Management Corporation
- Sports Authority
- Metropolitan Development and Housing Agency (MDHA)
- Electric Power Board (Nashville Electric Service, NES)
- Metropolitan Transit Agency (MTA)
- Metropolitan Nashville Airport Authority
- Metropolitan Nashville Hospital Authority (General and Bordeaux Hospitals)
- Emergency Communications District
- Industrial Development Board
- Gulch Business Improvement District, Inc.
- Convention Center Authority

More information on these component units is available in Note 1 of the CAFR.

**Constant or Real Dollars** - The presentation of dollar amounts adjusted for inflation to reflect the real purchasing power of money as compared to a certain past point in time.

**Contingency Account** - Funds set apart to provide for unforeseen expenditures or for anticipated purposes of uncertain amounts.

### **Contingency for State, Federal, or Other**

**Reimbursable Program Funds** - An account in the budget ordinance that allows transfer of new, unbudgeted grants and other reimbursable funds into the general funds of departments' budgets without separate Council appropriation. It is budgeted in expenditure account 01101299.590000 and offset by estimated revenue in revenue object account 406100.

**Continuation Budget** - A budget at a level of funding required to maintain current service levels during the coming year.

**Cost** - The amount of resources required for a business program, product, activity or service to produce an output, regardless of where the resources are accounted for:

- **Direct costs** can be identified specifically with a particular final cost objective (e.g. direct service, program, or product) and usually appear in the budget of the program that provides the product or service.
- **Indirect costs** are incurred for a common or joint purpose benefiting more than one cost objective (e.g. direct service, program, or product) but are not readily assignable to the cost objectives specifically benefited; they may be found elsewhere in the budget of the department that provides the product or service, or in the budgets of other departments that support that department.
- **Full cost or total cost** is comprised of the allowable direct cost of the program, plus its

allocable portion of allowable indirect costs, less applicable credits.

**Cost Allocation Plan** - The documentation that identifies, accumulates, and allocates or develops billing rates based on the allowable costs of centralized services. The costs of these services may be allocated or billed to users or funding sources (such as grantors). A departmental cost allocation plan allocates a department's central costs to its programs. A local government cost allocation plan, or **LOCAP**, allocates the costs of central governmental units to other departments and agencies within the government that the central units serve.

**Current Year** - The fiscal year in progress.

**Debt Service** - (1) Repayment of principal and interest on outstanding debt (bonds, notes, and commercial paper). (2) The amount of money required for such repayments.

**Debt Service Fund** - A fund established to account for the accumulation of resources for, and the payment of, debt service.

**Deficit** - (1) The excess of the liabilities of a fund over its assets. (2) The excess of expenditures over revenues (or, in proprietary funds, the excess of expense over income) during a fiscal period.

**Department** - The highest organizational and administrative unit with overall management responsibility for goals, objectives, divisions, operations, programs, and activities within a functional area. The word generally includes boards, commissions, agencies, and elected offices.

**Direct Cost** - See **Cost**.

**EBS** - The government's integrated financial and administrative computer system. EBS encompasses most budgeting, accounting, purchasing, payroll, human resources, and benefit activities for Metro.

**Encumbrances** - The commitment of appropriated funds to an unperformed contract for goods or services. It is an estimate of the expenditures that will result when the contracts are completed.

**Enterprise Fund** - A fund established to account for a business-like operation in which services are provided to non-Metro customers for a fee. Such fees or user charges cover most or all costs of the fund. Examples include the Convention Center Fund and the Farmers' Market Fund. See also **internal service fund**.

**Estimated Revenue** - The amount of revenue that is projected for collection during the fiscal year.

**Expenditures** - Decreases in net financial resources. Expenditures include current operating expenses that require the current or future use of net current assets, debt service, and capital outlays. This term designates the cost of goods delivered or services rendered, whether paid or unpaid, including expenses, provisions for debt retirement that is not reported as a liability of the fund from which it was retired, and capital outlays.

## Appendix 2: Glossary

**Final Budget** - The budget appropriations approved by the Council, usually based on:

- the Mayor's recommended budget,
- a substitute budget containing changes to the Mayor's budget and replacing that budget, and/or
- amendments to one of the above.

Accounting statements in the CAFR prepared pursuant to GASB Statement 34 call this the "original budget."

**Fiscal Year** - A twelve-month period of time to which the budget applies and at the end of which a governmental unit determines its financial position and the results of its operations. The Metro and state fiscal years begin July 1 and end June 30; the federal fiscal year runs October 1 to September 30.

**Four Percent Reserve Fund** - See **General Fund Reserve Fund**.

**Fringe Benefits** - Benefits to employees paid by Metro in addition to salaries, including Social Security (FICA), pension, life insurance, health insurance, workers' compensation, and unemployment compensation. Benefit costs for active employees are included in the departments' operating budgets, while other benefits in the general funds are grouped in the Employee Benefit accounts.

**Full-Time Equivalent (FTE)** - A measure of effective authorized positions, indicating the percentage of time a position or group of positions is funded. For an individual position, 1.00 FTE is usually equal to 2,080 hours of work per year. FTE takes into account the number of hours per week and portion of the year the position is funded.

$$\text{FTE} = (\text{hours worked per week}/40) \times (\text{months funded}/12).$$

A year-round full-time position has an FTE of 1.00. A full-time position funded for 6 months (1/2 year) has an FTE of 0.5, as does a 20 hours-per-week, 12 month position.

**Function** - A group of Metro departments that performs similar activities or delivers like services (e.g., the Law Enforcement function includes the Sheriff and Police Departments).

**Fund** - A set of interrelated accounts to record revenues and expenditures associated with a specific purpose. A fund has its own revenues, expenditures, assets, liabilities, and equity (fund balance). In Metro, revenues and appropriations cannot be transferred between funds during the fiscal year.

**Fund Balance** - A term used to express the equity (assets minus liabilities) of governmental fund types and trust funds. A fund balance is the excess of cumulative revenues and other sources of funds over cumulative expenditures and other uses of funds.

**GAAP (Generally Accepted Accounting Principles)** - Nationally-recognized uniform principles, standards, and guidelines for financial accounting and reporting, governing the form and content of many financial statements of an entity. GAAP encompasses the conventions, rules, and procedures that define accepted accounting principles at a particular time, including both broad guidelines and detailed practices and procedures.

Governmental GAAP is determined by the Governmental Accounting Standards Board (GASB) and, to a lesser extent, by the Financial Accounting Standards Board (FASB), the American Institute of Certified Public Accountants, and other professional organizations.

**GAGAS (Generally Accepted Governmental Auditing Standards)** - Standards for conducting governmental audits as determined by the latest revision of the booklet *Government Auditing Standards* (the "yellow book") published by the Comptroller General of the United States through the GAO.

**GAO** - The Federal General Accounting Office.

**GASB (Governmental Accounting Standards Board)** - The oversight body that establishes governmental GAAP, equivalent to the private-sector FASB.

**General Fund** - The general operating funds are used to account for all resources except those required to be accounted for in another fund. Metro has separate general funds for the General Services District and the Urban Services District.

**General Fund Reserve Fund (Four Percent Reserve Fund)** - A capital projects fund for relatively small or short-lived capital expenditures. Four percent of the gross original GSD general fund revenue is deposited into this fund. These funds are appropriated by resolution in the capital spending plan for the purchase of equipment or repairs for any department funded by the GSD General Fund.

**General Obligation (GO) Debt** - Bonds and notes used to borrow money, backed by the full faith, credit, and taxing power of the Metropolitan Government. Compare to **Revenue Debt**.

**Governmental Fund** - A fund used to account for the acquisition, use, and balance of expendable financial resources and the related current liabilities--except those accounted for in proprietary funds and fiduciary funds. Governmental funds include general, special revenue, debt service, and capital projects funds.

**Grant** - A contribution by a government or other organization, generally to support a particular program or activity. Any receipts from any state or federal agency and certain non-profit organizations are considered grants unless specifically excluded by the Division of Accounts.

**Grant Match** - Costs or in-kind services required to match grantors' shares of grant program costs.

**GSD (General Services District)** - All of Davidson County. See also **Services Districts**.

**Hyperion** - The Metropolitan Government's budget preparation system.

**Impoundments** - Executive decisions not to spend (obligate or expend) monies budgeted and appropriated by the Council. There are two types of impoundments.

- **Administrative impoundments** are simple unallotments of funds; the funds remain in the department's appropriation but are not available for expenditure.

## Appendix 2: Glossary

- **Charter impoundments** are actual reductions of budget appropriations in accordance with §6.09 of the Charter.

**Independent Audit** - An audit conducted by auditors who are independent of the government. The annual audit is conducted by one or more public accounting (CPA) firms.

**Indirect Costs** - See **Cost**.

**Infrastructure** - The basic installations and facilities necessary for the continuance and growth of the city, such as roads, schools, transportation, utilities, and similar systems.

**Internal Service Fund** - A fund established to finance and account for goods and services furnished by one department to another department on a cost reimbursement basis so that the original fund capital remains intact. Examples include the Fleet Management and the Information Technology Services funds.

**Lapse** - The automatic termination of an appropriation, except for indeterminate or continuing appropriations, or as otherwise provided by law. Any unexpended balance of an appropriation and the authority to spend it lapses at the end of the fiscal year.

**Levy** - In reference to the budget as a whole, either the total amount of taxes due or (sometimes) the tax rate. In reference to a specific piece of property, the amount of tax due on that property.

**Liability** - Debt or other legal obligations arising out of transactions in the past which must be liquidated, renewed or refunded at some future date. The term does not include encumbrances.

**Line-Item Budget** - A budget that is presented entirely or primarily based on objects of expenditure. The Metro budget ordinance and supporting detail are prepared on a line-item basis.

**Line of Business** - A group of programs with a common purpose that produce key results for citizens.

**LOCAP** - See **Cost Allocation Plan**.

**Longevity** - Monetary payments to Metro employees who have been in the employment of Metro for a minimum of five years. Per resolution RS2001-642, these payments range from a minimum of \$110 after five years of service to a maximum of \$935 for twenty or more years.

**Long-Term Debt** - Debt that matures more than one year after it is issued.

**Mayor's Recommended Budget** - The budget proposed to the Council by the Mayor.

**Measures** - Statistical or workload data that quantifies the activities, outputs, or outcomes of program activities and expenditures.

**Mission** - A clear, concise purpose for an entire agency, focusing on the broad, yet distinct, results that it will achieve for its customers.

**Modified Accrual Basis** - The basis of accounting in which revenues are recognized when they become both measurable and available to finance expenditures of the current period. Expenditures are recognized when

incurred, i.e., when the related fund liability is incurred, except for:

- inventories of materials and supplies, which may be considered expenditures either when purchased or used;
- prepaid insurance and similar items, which need not be reported;
- accumulated unpaid vacation, sick pay, and other employee benefit amounts which need not be recognized in the current period, but larger-than-normal accumulations must be disclosed in the notes to the financial statements;
- interest on special assessment indebtedness which may be recorded when due rather than accrued, if approximately offset by interest earnings on special assessment levies; and
- principal and interest on long-term debt are generally recognized when due.

All governmental funds and expendable trust funds are accounted for using modified accrual accounting; internal service and enterprise funds utilize full accrual accounting similar to that found in private sector businesses. The CAFR has more information on this subject and its use in Metro.

**MSA (Metropolitan Statistical Area)** - A group of relatively freestanding but socially and economically linked metropolitan area counties, usually as a central city surrounded by non-metropolitan counties. The Nashville MSA included Davidson, Cheatham, Dickson, Robertson, Rutherford, Sumner, Williamson, and Wilson Counties. The new Nashville-Davidson-Murfreesboro MSA, designated by the Federal Office of Management and Budget, adds Macon, Trousdale, Smith, Cannon, and Hickman Counties.

**Note** - A form of debt that is shorter in term than bonds and often used for short-term capital project financing in anticipation of a future bond package with terms more advantageous for the government. TCA 9-21-505 provides that, "notes shall be issued for a period not to exceed two (2) years from the date of issue; provided, that with the approval of the state director [of local finance] the notes may be extended or renewed for not more than two (2) additional periods not exceeding two (2) years each."

**Object Account** - A code that describes a specific expenditure or revenue item.

**Objective** - A desired, specific, output-oriented accomplishment that can be achieved within a given time frame. Its achievement advances both the activity and organization toward a corresponding goal.

**OMB** - Office of Management and Budget; a unit of the Metro Department of Finance. When modified by the word "federal," a unit of the executive branch of the United States government.

**OMB Circular A-87** - The Federal OMB circular that describes allowable and unallowable costs for calculation of federal grant costs.

## Appendix 2: Glossary

**OMB Circular A-128** - The Federal OMB circular that describes the procedures for audits of grants under the Single Audit Act.

**Open Position** - See **Vacant Position**.

**Operating Budget** - A plan of current expenditures and the proposed means of financing them. The annual operating budget is the primary means to control most of the financing, spending, and service delivery activities of a government. The use of annual operating budgets is required by Section 6.01 of the Charter.

**Ordinance** - Legislation that is approved on three readings by the Council and signed by the Mayor.

**Original Revenues** - The revenues from which 4% is transferred to the **General Fund Reserve Fund (Four Percent Reserve Fund)**. This includes all revenues to the GSD General Fund except transfers; interdepartmental payments and receipts; federal and state financial assistance (except Medicaid and Medicare payments); and compensation for loss, sale, or damage to property.

**Overdraft** - The amount by which requisitions, purchase orders, or audited vouchers (i.e., expenditures and encumbrances) exceed the current allotment to which they are chargeable. This creates a negative balance in the unencumbered allotments.

**Part-Time Employee** - For the purpose of budgeting, a part-time employee is any employee who regularly works less than 40 hours per week. This interpretation differs from that used by the Employee Benefit Board (less than 20 hours per week) or the Personnel Department (less than 32 hours).

**Pay Plan** - A schedule of each classification used by the Civil Service Commission, along with the pay grades, rates, ranges, and longevity-based steps for each class.

**Performance Budget** - A budget that focuses on activities rather than line items. Expenditures are related to workload and performance measures to assess the efficiency of services, and budget decisions incorporate measurable performance of activities and work programs.

A performance budget may also incorporate other bases of expenditure classifications, such as character and object class, but these are given a subordinate status to activity performance.

**Performance Indicators** - Specific quantitative measures of a division's, program's, or activity's work performed or results obtained toward meeting an objective. They measure demand, workload, efficiency, effectiveness, quality, achievement, or outcomes.

**Position** - A tracking unit representing the authority to hire an employee; may be full-time (funded all day every workday), part-time (funded less than all day every workday), or seasonal (full- or part-time for only a portion of the year, with that portion recurring annually).

**Position Headcount** - The number of authorized positions funded by a budget. As used in Metro budgeting, this is the sum of positions that are:

- Full-time and funded in June, plus
- Part-time and funded in June, plus
- Seasonal, regardless of months funded.

**Prior Year** - The fiscal year immediately preceding the current year.

**Prior-Year Encumbrances** - Obligations from previous fiscal years in the form of purchase orders, contracts or salary commitments.

**Product** - A countable deliverable that a customer receives from the agency. It is something that one or more customers receive, not processes the agency performs. "Circulating library books" is a process, a library book checked out is a product, and "library book check-outs" is an output or demand measure of what is delivered to customers.

**Program** - A group of services with a common purpose or result.

**Program Budget** - A budget where expenditures are based primarily on programs of work related to the goals and objectives of an organization and secondarily on character and object.

**Property Tax** - An *ad valorem* (value-based) tax levied on real and personal property according to the property's assessed valuation and the tax rate.

**Reappraisal** - A county-wide revaluation of real property based on current market values. See **Certified Tax Rate**

**Reserve** - An account used to indicate that a portion of a fund's assets are legally restricted for a specific purpose and is, therefore, not available for further appropriation or expenditure.

**Revenue** - Funds that the government receives as income to support expenditures.

**Revenue Code** - A numerical code used to break down revenues into definable areas such as taxes, licenses, user fees, etc.

**Revenue Debt** - Bonds and notes used to borrow money, backed only by certain revenues (usually from the project built with proceeds from the debt) and not the full faith and credit of the government.

**Revenue, Nonrecurring** - Revenues that are not expected to repeat over time and generally should not be used to support ongoing expenditures.

## Appendix 2: Glossary

**Satellite Cities** - The seven smaller cities and towns totally or partially in Davidson County that were incorporated prior to Metro being formed in 1963. These smaller cities receive some Metro county-wide GSD services but also provide their own city services instead of or in addition to GSD services. Their citizens pay the GSD property tax rate plus any rate set by the satellite city. The information presented in this book does not include any revenues, expenditures, or services of the satellite cities themselves.

**Services Districts** - The two districts established by state law and the Charter for budgeting and administering services within the Metro Government. The General Services District (GSD) is all of Davidson County. The Urban Services District (USD) is the former City of Nashville plus annexed areas within the GSD; it receives more services in return for paying a higher property tax rate. In the map below, the USD is the large darker-shaded area within the GSD.

**Single Audit Act** - The federal law requiring a comprehensive government-wide audit of all federal financial assistance. In Metro, this is performed as an integral part of the annual independent audit.

**Special Revenue Fund** - A fund used to account for the proceeds of specific revenue sources (other than special assessments, expendable trusts, or for major capital projects) that are legally restricted to expenditure for specified purposes. Examples are the Schools General Purpose Fund (35131) and the General Fund Four Percent Reserve Fund (30003).

**Stakeholder** - Any person or entity that has an interest in the activities or objectives of an organization, including such groups as citizens, customers, suppliers, and regulators.

**Strategic Goal** - A significant result to be achieved by an agency over the next two to five years.

**Structural Balance** - The situation in which recurring revenues are sufficient to finance expected expenditures for the foreseeable future.

**Subledger** - An optional additional level of detail for account codes. It is typically used to identify a revenue source or the fund number of an interfund transfer. For example, the number of the resolution that approved a grant might be entered as the subledger for the grant revenue account code.

**Subsidiary** - An optional additional level of detail for account codes. It is used to add more detailed information below the object account level.

**Supplemental Appropriation** - A resolution appropriating funds (increasing budget authority) above and beyond previously-approved levels.

**Target Budget** - A budget built by adjusting detailed budget items to a departmental total, instead of building the total budget by adding together detailed line-item projections.

**Tax Levy** - The total tax dollars assessed on property, calculated by multiplying the tax rate per one hundred dollars by the tax base. The term can also refer to the tax rate itself.

**TCA** - Tennessee Code Annotated; state law.

**Transfer, Budget** - A transfer of an unused portion of an appropriation to another purpose or activity within a department's budget.

**Transfer, Operating** - All interfund transfers other than residual equity transfers (which are nonrecurring or non-routine transfers of equity between funds), quasi-external transactions, reimbursements, loans, or advances. The typical operating transfer is a legally authorized transfer from a fund receiving revenue to another fund through which the resources are to be expended. The budget treats this as if it were an expenditure of the first fund and revenue to the second.

**Unencumbered Allotment** - also **unencumbered balance**. The portion of an allotment not yet expended or encumbered. The focus of budgetary control, as §6.08 of the Charter provides that, "... no expenditure shall be made or encumbrance created, but in pursuance of an allotment, and within the otherwise unencumbered balance of such allotment."

**Unencumbered Appropriation** - The portion of an appropriation not yet expended or encumbered.

**Unexpended Allotment** - The portion of an allotment not yet expended.

**Unexpended Appropriation** - The portion of an appropriation not yet expended.

**Unreserved Fund Balance** - The portion of a fund's balance that is not restricted for a specific purpose and is available for general appropriation.

**USD (Urban Services District)** - The former City of Nashville plus annexed areas, which receive more services in compensation for paying a higher property tax rate. See also **Services Districts**.

**Vacant Position** - A position that is active (available and funded) but unoccupied.

**Working Capital** - A financial measure which represents the amount of day-by-day operating liquidity available to the government.

# Appendix 3: The Law and the Budget

Many of the government's financial affairs are set by the Metropolitan Charter and other laws, resolutions, and rules. Budget-related sections of some of those documents are reproduced below, beginning with Article 6 of the Charter. Other sections of the Charter and laws may delegate finance-related powers and responsibilities to other departments. Text in *italics* summarizes certain long sections.

## **METROPOLITAN CHARTER ARTICLE 6 - THE BUDGETS AND FINANCIAL MATTERS**

**Section 6.01. Fiscal Year.** -- The fiscal year of the metropolitan government shall begin on the 1st day of July of each year and shall end on the 30th day of June next following. Said fiscal year shall constitute the budget year and the year for financial accounting and reporting of each and every office, department, institution, activity and agency of the metropolitan government; but the aforesaid provision shall be in addition to, and not in lieu of, any accounting and reporting required of any official or agency by state or federal laws.

**Section 6.02. Preparation of Annual Operating Budget.** -- The director of finance shall obtain from all officers, departments, boards, commissions and other agencies for which appropriations are made by the metropolitan government, or which collect revenues for such government, such information as shall be necessary for him to compile the annual operating budget; and it shall be the duty of all such officers, departments, boards, commissions and agencies to furnish the director such information as he may require at such time or times and in such form as the director may prescribe.

Not later than March 1st prior to the end of each fiscal year, said director shall distribute to each of the agencies identified in the preceding paragraph all forms necessary for the preparation of the operating budget for the succeeding fiscal year. Such forms shall be returned to the director with the information desired not later than two months prior to the end of the current fiscal year. On the basis of the information so received and otherwise secured by him, said director shall prepare and transmit to the mayor a proposed operating budget for the next fiscal year of the kind and scope set forth in section 6.03 hereof. In preparing the proposed budget, the director may revise, as he may deem necessary, the estimates or requests made by the various officers, departments, boards, commissions and agencies, but any such agency shall be entitled to a hearing before the director with reference to any contemplated changes in its budget requests or estimates.

**Section 6.03. Scope of the Annual Operating Budget.** -- Section I of the annual operating budget shall apply only to the general services district and shall deal with those services and functions appertaining to the general services district as set out by this charter, or by ordinance of the council.

Section II of the annual operating budget shall apply only to the urban services district and shall deal with those services and functions appertaining to such urban services district as set out in this charter, or by ordinance of the council.

Each of the above described sections of the annual operating budget shall contain with respect to each of the operating funds of the metropolitan government to which they are applicable:

(a) An estimate of the unencumbered fund balance or deficit at the beginning of the ensuing fiscal year, and the amount of any reserves for designated purposes or activities includable in the operating budget.

(b) A reasonable estimate of revenues to be received during the ensuing year, classified according to source; but the estimated revenues from current and from delinquent property taxes shall not exceed the percentage of the total receivable from each such source collected during the last completed fiscal year; or the current fiscal year.

(c) Proposed expenditures for each organizational unit and activity in accordance with the established classification of accounts, including those capital outlays which are to be financed from the revenues of the ensuing year, and including all debt service requirements in full for such fiscal year payable from such fund.

In no event shall the total proposed expenditures from any fund exceed the total anticipated revenues plus the estimated unappropriated surplus, or fund balance, and applicable reserves and less any estimated deficit at the end of the current fiscal year.

**Section 6.04. Review and Revision of Operating Budget by Mayor; Submission to Council; Budget as Public Record; Distribution of Copies.** -- The mayor shall review the operating budget submitted to him by the director of finance, and may make any revisions in such budget as he may deem necessary or desirable, before it is submitted to the council for consideration.

Not later than May 1<sup>st</sup>, the mayor shall submit to the metropolitan council the operating budget as approved by him in the form and with the contents specified in section 6.03 hereof, together with a message explaining such budget, describing its important features, and outlining the proposed financial policies of the metropolitan government for the ensuing fiscal year and setting forth the reasons for any significant changes in policy or budgetary allocations. The mayor shall promptly cause copies of the budget and budget message to be prepared for distribution to interested persons, and a summary of the budget shall be published in each of the daily newspapers in the area of the metropolitan government. The operating budget, as well as the capital improvements budget hereinafter provided for, the budget message, and all supporting schedules shall be public records in the office of the metropolitan clerk and shall be open to public inspection.

**Section 6.05. Hearings by Council.** -- After the council shall have passed the budget ordinance on first reading, it shall hold hearings on the proposed operating budget, as well as on the capital improvements budget as provided in section 6.13 hereof, but the hearing on the capital improvements budget shall be heard prior to those on the proposed operating budget, and the hearings on either budget may be adjourned from time to time. Budget hearings shall be advertised in a daily newspaper of general circulation published in the area of the metropolitan government at least seven days prior to the date or dates set for the beginning of such public hearings.

# Appendix 3: The Law and the Budget

## **Section 6.06. Action by Council on Operating Budget.**

-- After the conclusion of the public hearings, the council may amend the operating budget proposed by the mayor except, that the budget as finally amended and adopted must provide for all expenditures required by law or by other provisions of this charter and for all debt service requirements for the ensuing fiscal year as certified by the director of finance. Neither shall the council alter the estimates of receipts or other fund availability included in the budget document except to correct errors and omissions, in which event a full explanation shall be spread on the minutes of the council. In no event shall the total appropriations from any fund exceed the estimated fund balance, reserves, and revenues, constituting the fund availability of such fund.

The council shall finally adopt an operating budget for the ensuing fiscal year not later than the 30th day of June, and it shall be effective for the fiscal year beginning on the following July 1st. Such adoption shall take the form of an ordinance setting out the estimated revenues in detail by source and making appropriations according to fund and by organizational unit, purpose or activity as set out in the budget document. If the council shall fail to adopt a budget prior to the beginning of any fiscal year, it shall be conclusively presumed to have adopted the budget as submitted by the mayor.

A copy of the adopted budget, certified by the metropolitan clerk, shall be filed in the office of the director of finance.

The amount set out in the adopted operating budget for each organizational unit, purpose or activity shall constitute the annual appropriation for such item, and no expenditure shall be made or encumbrance created in excess of the otherwise unencumbered balance of the appropriation, or allotment thereof, to which it is chargeable. This shall not preclude the impoundment of funds or additional appropriations as provided herein.

**Section 6.07. Property Tax Levies.** -- The council shall levy an annual tax on real and personal property and merchants' ad valorem in the general services district, and the tax levy ordinance shall be the next order of business of the council after the adoption of the operating budget. The tax rate set by such ordinance shall be in two (2) parts; the general tax rate and the school tax rate.

The general tax rate set by such ordinance shall be such that a reasonable estimate of revenue from the levy shall at least be sufficient, together with other anticipated revenues, fund balances, and applicable reserves, to equal the total amount appropriated with the exception of the amount appropriated for schools and to provide in addition, a reasonable amount of working capital for each of the several funds.

The school tax rate set by the ordinance shall be such that a reasonable estimate of revenue from the levy shall at least be sufficient, together with other anticipated revenues, fund balances, and applicable reserves, to equal the total amount appropriated for schools and to provide in addition, a reasonable amount of working capital.

After the council has approved the annual operating budget of the urban services district, said council shall determine and declare the amount of revenue which must be produced from a tax levy upon the real and

personal property and merchants' ad valorem within the urban services district. The urban council shall thereupon convene and it shall have a mandatory obligation by resolution to levy a property tax adequate with other available funds to finance the budget for urban services, as determined by the council; subject, however, to the requirements of section 1.04 of this Charter with respect to the tax on property in the newly annexed areas.

The willingness and ability of citizens to bear the burden of tax increases should always be considered. Therefore, notwithstanding any provisions above, real property tax rates shall not exceed the maximum rates approved by the voters of the county in a referendum. Such referendum may be authorized either by the Mayor or by a majority vote of the Council no more than once each calendar year pursuant to Tennessee Code Annotated Section 2-3-204. The referendum shall read "The maximum real property tax rates for Davidson County shall be increased to:" followed by a list of rates. Voters shall be provided the two choices of FOR and AGAINST. The real property tax rates in effect as of November 7, 2006 shall be the maximum rates allowed until the first referendum occurs.

**Section 6.08. Allotments of Appropriations.** -- All appropriations contained in the current operating budget shall be allotted by the director of finance on a quarterly basis, and it shall be his duty to make such allotments promptly at the beginning of each quarter of the fiscal year. Such allotments shall be based upon estimated needs, and in the determination of such need the director of finance may require all spending agencies to submit allotments requests on such forms as he may prescribe. Such allotments shall constitute authorizations for expenditure or encumbrance, and no expenditure shall be made or encumbrance created, but in pursuance of an allotment, and within the otherwise unencumbered balance of such allotment.

**Section 6.09. Impoundment of Funds.** -- Upon certification of the director of finance that the revenues or other resources actually realized with respect to any fund are less than was anticipated and are insufficient to meet the amounts appropriated from such fund, it shall be the duty of the mayor to impound such appropriations as may be necessary to prevent deficit operation.

**Section 6.10. Additional Appropriations.** -- The metropolitan council may make appropriations in addition to those contained in the current operating budget, at any regular or special meeting called for such purpose, but any such additional appropriation may be made only from an existing unappropriated surplus in the fund to which it applies.

**Section 6.11. Transfer of Appropriations.** -- On request of any department head, and with his consent, the mayor may transfer the unencumbered balance of any appropriation, or any portion thereof, for any purpose or activity to the appropriation for any other purpose or activity within the same department, but the same shall not be available for encumbrance or expenditure until it shall have been allotted by the director of finance.

At the request of the mayor, but only at the end of any quarter of the fiscal year, the council may by resolution approved by a majority of the membership of the council transfer the unencumbered balance of any appropriation,

## Appendix 3: The Law and the Budget

or any portion thereof, to another appropriation within the same section of the budget and within the same fund. However, the council shall not make transfers of appropriations at any time between the general services district and the urban services district, or transfer moneys from any operating fund to another fund. Provided, however, that this stipulation shall not apply to the discharge of obligations existing between governmental agencies financed from one fund and those financed through another fund, nor to the transfer of moneys from operating funds to agency or trust funds covering collections to be expended through such agency or trust funds, nor to the transfer of the unappropriated surplus in bond funds to the debt service funds set up to retire such bond, nor to such other transfers between funds as may be authorized by law.

**Section 6.12. Lapse of Appropriations.** -- All unencumbered balances of appropriations in the current operating budget at the end of the fiscal year shall lapse into the unappropriated surplus or reserves of the fund or funds from which such appropriations were made.

**Section 6.13. Capital Improvements Budget.** -- The director of finance shall obtain annually from all officers, departments, boards and commissions and other agencies requesting funds from the metropolitan government for capital improvements, such information as the planning commission shall require to enable it to prepare the capital improvements budget. This data shall be delivered to the planning commission not later than four months prior to the end of the fiscal year. The capital improvements budget shall include a program of proposed capital expenditures for the ensuing fiscal year and the next five fiscal years thereafter, accompanied by the report and recommendations of the metropolitan planning commission with respect to the program. Section I of the capital improvements budget shall present proposed general services district projects. Section II shall present proposed urban services district projects. The mayor shall submit the capital improvements budget to the council not later than May 15th and shall recommend those projects to be undertaken during the ensuing fiscal year and the method of financing them, noting the impact on the debt structure of the metropolitan government and shall include in the appropriate current operating budget any projects to be financed from current revenues for the ensuing fiscal year.

The council shall have power to accept, with or without amendment, or reject, the proposed program and proposed means of financing. The council shall not authorize an expenditure for the construction of any building, structure, work or improvement, unless the appropriation for such project is included in its capital improvements budget, except to meet a public emergency threatening the lives, health or property of the inhabitants, when passed by two-thirds vote of the membership of the council. The capital improvements budget must be acted upon finally by the council not later than the 15th day of June following its submission.

The mayor may submit amendments to the capital improvements budget at any time during the year, accompanied by the recommendation thereon of the planning commission, which amendments shall become effective when adopted by a two-thirds vote of the membership of the council.

**Section 6.14. General Fund Reserve.** -- From all original moneys collected during any year, before making a budget ordinance, there shall be deducted four (4%) percent of the gross amount of the general fund revenue of the general services district, which sum shall be placed in an account to be known as the general fund reserve and shall be kept separate and apart from other funds of the metropolitan government.

The mayor and council may by resolution make appropriations from said funds for the purchase of equipment for any department of the metropolitan government or for repairs to any building owned by any department of the metropolitan government; provided, however, that no appropriations shall be made from this fund to any department not deriving its operating funds from the general fund budget.

From all moneys collected during any year, and after making provisions for the four (4%) percent of the gross amount of the general fund revenue that shall establish the general fund reserve of the metropolitan government, there shall be next provided a sufficient amount, not to be less than fifty thousand (\$50,000) dollars, to be placed in and constituted the metropolitan government advance planning and research fund for the use of the metropolitan planning commission of the metropolitan government in the preparation, in advance, of plans for capital projects, and for the making of such studies and the doing of such research as is by the metropolitan planning commission deemed necessary in the performance of the duties and responsibilities given it by the Metropolitan Charter and general law. No expenditures shall be made from said fund except by resolution of the metropolitan planning commission, and in no case shall expenditures be made there from for the payment of budgetary items or matters not concerned with research and advance planning. The resolution of the metropolitan planning commission as to capital projects shall precisely define the projects concerned and amounts expended in the planning of such projects shall be provided for in the financing of construction of same and, upon the commencement of construction, the metropolitan government advance planning and research fund shall be repaid those sums and moneys expended from it in the advanced planning of such project. From all moneys collected during any year, and after the making of provision for the four (4%) percent of the gross amount of the metropolitan government's general fund revenue flowing into the general fund reserve of the metropolitan government, there shall next be provided a sufficient amount, as of the first day of each fiscal year, to bring the unencumbered balance on hand in the metropolitan government advance planning and research fund created herein to the minimum sum of fifty thousand (\$50,000) dollars.

By ordinance, the council may create a contingent reserve fund not to exceed four (4%) percent of the general fund revenue of the urban services district. The mayor and council may by resolution make appropriations from said fund for the purchase of equipment for any department of the metropolitan government or for repairs to any building owned by any department of the metropolitan government which equipment or buildings are used primarily for the furnishing of services herein defined as urban services; provided, however, that no appropriations shall be made from this fund to any department not deriving its

# Appendix 3: The Law and the Budget

operating funds from the general fund of the urban services district current operating budget.

**Section 6.15. Post Audit.** -- The council shall provide annually for an independent audit of the accounts and other evidences of financial transactions of the metropolitan government and of its every department, office and agency. The audit shall be made by an accountant or an accounting firm, the members of which have no personal interest, direct or indirect, in the fiscal affairs of the metropolitan government or of any to its departments, offices, or agencies. The designated accountant shall be a certified public accountant, or, if an accounting firm is employed, the members thereof shall be so certified and thoroughly qualified by training and experience in governmental accounting to perform the audit.

The independent audit shall be made by a firm chosen by a three member audit board. This board shall consist of the presiding officer of the council, the chairman of the finance committee of the council, and the chairman of the metropolitan board of education.

The audit may be conducted on a quarterly or continuing basis and the final report of the annual audit shall be completed as soon as practicable after the close of the fiscal year, and in no event later than four months after the close of the fiscal year. The audit report shall be available to the public and to the press.

The council may at any time order an examination or special audit of any department, office or agency of the government.

## ARTICLE 5 - METROPOLITAN COUNTY MAYOR & VICE-MAYOR

**Section 5.04. Mayor's veto power; veto of items in appropriations and budget.** -- The mayor is authorized to approve or to disapprove ordinances and resolutions adopted by the council and no ordinance or resolution shall become effective without his approval except as herein provided. Every ordinance or resolution adopted by the council shall be presented to the mayor for his consideration. If he approves, he shall sign the same, and it shall become effective according to the terms thereof. If he disapproves, he shall return the same to the council without his signature, which return may be accompanied by a message indicating the reasons for his disapproval. Any resolution or ordinance so disapproved shall become effective when subsequent to its return it shall be adopted by two-thirds (2/3rds) of all the members to which the council is entitled, with the ayes and noes and the names of the councilmen voting for and against the same entered on the minutes. Every resolution or ordinance shall become effective unless the same be approved or disapproved by the mayor and returned to the council at or prior to the next regular meeting of the council occurring ten (10) days or more subsequent to the date when the same was delivered to his office for consideration.

The mayor, while approving other portions of an ordinance, may reduce or disapprove the sum of money appropriated by any one or more items, or parts of items, in any ordinance appropriating money, except for debt service, employee benefits or independent audits, such power to be exercised with return of the ordinance to the council within the time prescribed for disapproval of

ordinances generally, accompanied by written explanation of the reasons for disapproval or reduction. The one or more items or parts of items disapproved or reduced shall be void to the extent that they have been disapproved or reduced unless any such item or parts of items so disapproved or reduced shall be restored to the ordinance in the original amount and become effective by adoption by the council according to the rules and limitations prescribed for the passage of other ordinances over the mayor's veto.

## ARTICLE 9 - PUBLIC SCHOOLS

**Section 9.04. Same - Duties; referendum as to school budget.**

*Subsection 3 of this lengthy section, not reproduced here, provides a process for the Metropolitan Board of Public Education (MBOE) to initiate a referendum to levy additional property taxes for schools.*

**Section 9.11. No diversion of funds.** -- No funds which have been appropriated for the use of, or transferred to, the metropolitan school system shall be diverted from that use for any other purpose.

**Section 9.12. Transfer of school funds within school budget.** -- The board shall have power at any time to transfer funds within the major items of its budget. It shall also have power to make transfers of funds to, from or between major items in its budget, provided such transfers are not inconsistent with the general law.

**Section 9.13. Transfers to school fund from general funds; borrowing money.** -- The metropolitan council by resolution approved by the mayor, may transfer funds to the school fund from the general fund or general accounts of the metropolitan government, or may issue short term anticipation notes to provide such funds if in its judgment it is necessary and proper to

provide temporary advances or transfers for the maintenance and operation of the schools. Such temporary advances or transfers shall be repaid or restored out of school funds during the ensuing year.

## OTHER RELATED ARTICLES

**Section 13.05. Duties of metropolitan employee benefit board.** -- In addition to other duties imposed by this Charter or by general law, it shall be the duty of the board to:

...(f) Advise the mayor and the council of the anticipated financial requirements of each employee benefit plan adopted by the metropolitan government, as well as the retirement plans listed in Section 13.09(a)-(c) of this article so that such financial requirements shall be included in the budget and tax levy ordinances for the ensuing fiscal year.

## METROPOLITAN COUNCIL RULES OF PROCEDURE (2011-2015)

**Rule 15** - All ordinances must be referred to the appropriate committee by the Vice Mayor of the Council after first reading, and except for zoning matters, budget, revenue service charges or tax measures, no ordinance may be amended after second reading. No motion to amend the Capital Improvements Budget for the ensuing fiscal year shall be entertained by the Council unless such amendment has been submitted to the Budget and Finance Committee for a recommendation.

All resolutions shall be referred to the appropriate committee or committees of the Council by the Vice Mayor. The committee assignment shall be indicated on the Council agenda. No vote will be taken on any resolution or on any ordinance on third and final reading until a committee has made a recommendation regarding the legislation.

The committee to which an ordinance or resolution has been referred shall make a report to the Council at the next regular meeting after its referral.

**Rule 16** - No resolution or ordinance involving the appropriation or expenditure of money, upon being filed, shall be placed upon the agenda by the Metropolitan Clerk until the Director of Finance has furnished a statement as to the availability of funds.

**Rule 17** - No resolution or ordinance proposing to expend or appropriate funds or to authorize the borrowing of funds for capital improvement projects (including the issuance of bonds or notes), upon being filed, shall be placed upon the agenda by the Metropolitan Clerk unless and until said legislation shall list the projects to be funded and the estimated cost of each project.

**Rule 28** - No resolution or ordinance involving the appropriation or expenditure of funds may be considered by the Metropolitan Council if the department, agency or office benefiting from the appropriation or expenditure has failed for thirty or more days to respond to information requested by the Metropolitan Council or any committee of the Metropolitan Council.

**Rule 34** - At any meeting wherein the operating budget for the ensuing fiscal year is being debated on third

# Appendix 3: The Law and the Budget

reading, the following provisions shall apply, any rule contained in these rules to the contrary notwithstanding:

No motion to amend the operating budget or a substitute operating budget ordinance may be entertained by the Council, unless such amendment or substitute budget has been submitted to the Budget and Finance Committee for a recommendation.

A second substitute budget ordinance may not be amended but must be acted upon as filed and presented.

A motion to table the budget ordinance or a substitute budget ordinance cannot be made until the proponents or opponents have been allowed at least fifteen minutes of debate. Provided however, when a motion is made to table any amendment proposed to the budget ordinance or substitute budget ordinance, the spokesperson for such amendment may divide a total of twelve minutes among other members speaking in support of the motion.

**Rule 35-** A motion to reconsider a vote of the Council on any ordinance or resolution can be entertained only when the following have been complied with:

- (a) The maker of the motion to reconsider must have voted with the prevailing side.
- (b) The motion to reconsider must be made before the next order of business.
- (c) Not less than four (4) members of the Council must second the motion, and these four members need not have voted with the prevailing side.

Such motion, properly made and seconded, must be considered and finally acted on at the next regular meeting of the Council or at a special meeting called for that purpose. Such motion shall not be debatable prior to its consideration and final action

No statement that a member is proposing to offer a motion to reconsider at a later meeting is to be entertained by the Council.

## FINANCIAL MANAGEMENT RESOLUTION

In 1991, the Council passed a financial management resolution that set policy for the government in two areas: minimum fund balances to be maintained in the two general funds and the Schools fund, and restricting the use of non-recurring revenue to fund recurring expenditures.

### RESOLUTION NO. R89-959

**A resolution affirming the mayor's financial management policy on the maintenance of fund balances and the use of nonrecurring funds.**

*(adopted November 21, 1991)*

WHEREAS, it is deemed to be in the best interest of the Metropolitan Government to maintain sufficient reserves in the GSD and USD general funds and the Schools operating fund to protect against unforeseen circumstances; and

WHEREAS, several sources have recommended the adoption of a formal policy dealing with fund balance; and

WHEREAS, Resolution No. R89-828 requested that the Vice Mayor appoint a five member committee of the

Metropolitan Council to work with the Director of Finance to establish budgetary guidelines; and

WHEREAS, the Director of Finance has submitted a proposed policy dealing with maintenance of fund balance and the use of nonrecurring funds, which has been approved by the Mayor; and

WHEREAS, said policy has been reviewed and approved by the special Council committee.

NOW, THEREFORE, BE IT RESOLVED by the Council Of The Metropolitan Government Of Nashville and Davidson County:

SECTION 1: That the Metropolitan Council goes on record supporting, to the extent of its authority, the attached Financial Management Policy which has been implemented by the Mayor.

SECTION 2: That this Resolution shall take effect from and after its adoption, the welfare of The Metropolitan Government of Nashville and Davidson County requiring it.

## FINANCIAL MANAGEMENT POLICY

Maintenance of Fund Balance and Restriction of Use of Non-Recurring Revenue

It shall be the policy of the Metropolitan Government of Nashville-Davidson County to maintain sufficient reserves in fund balances, to protect the financial position of this government in the event of unexpected emergencies or unforeseen downturns in revenue collection. Based on input from various sources it is hereby established that an amount equal to 5% of the three operating funds' budget (the GSD and USD General Funds and the General Purpose School Fund) shall be maintained in fund balance as a reserve.

It is the intention of the Metropolitan Government of Nashville-Davidson County to achieve these reserves by the conclusion of fiscal year 1993. In order to accomplish this goal, it is the intent to make no appropriation of fund balance in the three operating funds until such time as fund balances equal 5% of that fund's operating budget. In addition, all alternatives to increase fund balances will be explored, including implementation of the efficiency study recommendations where possible; revenue raising options; ongoing review of services and service levels; and utilization of expenditure controls.

It shall also be the policy of the Metropolitan Government of Nashville-Davidson County to refrain from using nonrecurring revenue to fund ongoing operations of the three operating funds. Nonrecurring revenue shall be those funds not normally accrued to the benefit of the operating funds each year, including transfers from special, enterprise, and internal service funds. Any nonrecurring revenue received shall be utilized to fund activities which do not require ongoing funding or to build reserves.

## TENNESSEE CODE ANNOTATED 9-1-116 Programs and services limited to extent funds available.

(a) Notwithstanding any other provision of the law to the contrary, availability of programs and services to people in this state shall be limited to the extent that funds are

appropriated by the general assembly or the appropriate governing body of a political subdivision.

(b) No person shall be entitled to ... any program or any services provided by or through the state, its departments, agencies or political subdivisions unless funds remain available for such program or service from moneys appropriated for that purpose by the general

assembly or the appropriate governing body of a political subdivision.

### **TENNESSEE CODE ANNOTATED 7-3-314 Financial assistance to nonprofit organizations.**

This section, not reproduced here, governs contributions by Metropolitan Governments to qualified nonprofit organizations.

# Appendix 4: About Nashville

## Welcome to Nashville!

Nashville, home to more than 650,000 inhabitants is the largest city and capital of the U.S state of Tennessee. Located in the rolling hills of middle Tennessee, the city's budding population has been attributed to its low cost of living (9% lower than national average), employment opportunities and lifestyle.

The city was founded on Christmas Day of 1779 on the banks of the Cumberland River as Fort Nashborough. The community changed its name to Nashville in 1784, which incorporated as a town in 1806 and was permanently established as the capital of Tennessee in 1843.

The Nashville and Davidson County governments were consolidated into a single entity under the Metropolitan Charter effective April 1, 1963, making it a Metropolitan government with a geographical area of 525 square miles.

**The Founding Fathers of Nashville**  
Statue of Nashville's founders

The city is a center for music, healthcare, hospitality, publishing, banking and transportation industries. It is also home to some of the top U.S universities, notable among which are Vanderbilt University and Belmont University. Nashville is ranked among the 12 best places for business and career in 2017 by Forbes and the one of the 15 best U.S. cities for work and family by Fortune Magazine. The area's low cost of living, a variety of residential opportunities, abundant recreational and tourist opportunities, a lively cultural base, diverse economy closely mirroring that of the nation, a regional hub for health care, and many institutions of higher education. Transportation is available by air, train, water, and road – 50% of the nation's population lives within 650 miles via one of the three interstate highways (I-65, I-40, and I-24) that converge in the city. Although it has a diverse and balanced economy with manufacturing, transportation, education, financial, healthcare, and other services, Nashville may be best known as the home of country music – Music City USA.

Nashville's weather and temperature range are fairly moderate compared to many other cities in the United States, and while Nashville has recorded temperatures as low as -17 F and as high as 107 F, that is not the norm—temperatures in Nashville typically range from an average low of 28 F in January to an average high of 80 F in July.

The best seasons to visit this Tennessee city are spring, summer, and fall, especially between the months of April and October when the Music City comes to life with a whole slew of outdoor events and attractions.

Residents and visitors alike can enjoy a wide variety of cultural offerings. Galleries include:

year jump of 27.1 percent in financial-activities (banking) jobs. *American City Business Journals, October 20, 2017*

Nashville is ranked as the 7<sup>th</sup> Best City for Millennials. The Penny Hoarder developed a list of the top 25 coolest and most affordable cities for millennials. The rankings are based on an analysis of housing and local price data, young population growth, unemployment data, walkability and community assets. Nashville ranked highly due to its affordability, healthy economy and hip local food and music scene. *ThePennyHoarder.com, July 22, 2017*

Nashville was named among the Top 20 Cities for Tech Jobs. Job search site ZipRecruiter recently analyzed its database of more than 8 million active jobs, and ranked the 20 fastest-growing tech markets based on year-over-year data. Nashville ranked number 8 on the list. *Time, Money Magazine, June 12, 2017*

Nashville was ranked 8th of the best cities for investing in the housing market. The study analyzed markets with a population of over 500,000 and looked at five key statistical factors, especially affordability and a three year housing price forecast. *Forbes, January 10, 2017*

Nashville was included as one of the 50 Best Places to Travel in 2017. Travel+Leisure chose Nashville as one of the best destinations around the world because of the milestones for many attractions and the growth in many areas. *Travel+Leisure, December 28, 2016*

NerdWallet ranked Nashville 3rd on their list of the Top 10 Cities for Job Seekers. They reviewed the 2015 statistics of the 100 largest cities in the United States, looking at unemployment rates, growth in the population of people who are at working age, and median annual earnings and monthly rent. Two factors that were mentioned especially for Nashville were the health care industry and the fact that Nashville is a state capital, one of five capitals on the list. *NerdWallet, December 19, 2016*

Nashville and the Middle Tennessee region was ranked 4th of the top markets for advanced manufacturing in a report from the Boyd Company. The company looked at 24 different regions around the country and analyzed the operating cost required to run a manufacturing facility with 500 employees for one year. GDP Price Index data reflects prices in the domestic economy as a whole. State & Local data reflects the price of goods purchased by state & local governments (not specifically Metro). CPI data reflects the price of a market basket of goods and services bought by urban consumers.

The GDP Price Index and GDP State & Local Government Purchases reflect base year change from 2009.

The percentage change in prices from one year to another is the difference in indices for those years divided by the index for the earlier year. Increases must be compounded, not simply averaged, across multiple years.

# Appendix 6: Pay Grades and Rates

This table presents Civil Service and non-Civil Service pay grades used by many departments, each grade's minimum and maximum annual salaries, number of steps in grade, and number of months at each step. It does not include other positions whose salaries are set by state law or by letter of agreement.

## Financial Trend Monitoring System Indicators

When managing municipal finances, it is important to understand past financial trends and their effects on the present and future. To accomplish this, Metro has developed a Financial Trend Monitoring System (FTMS). This system is based on the FTMS developed and outlined by the International City/County Management Association (ICMA) in its *Evaluating Financial Condition – A Handbook for Local Governments*, but slightly modified to meet the needs of Metropolitan Nashville and Davidson County.

The trend system consists of measurable factors that reflect and influence Metro's financial condition – its ability to finance current services on a continuing basis. These factors include the national economy, population levels, federal and state mandates, the local business climate, and the internal fiscal policies of the local government.

This evaluation reviews financial data from the general funds of the General Services District (GSD) and the Urban Services District (USD) for the ten-year time period extending from FY2008 to FY2017.

## Revenue Indicators

The revenue indicators reflect Metro's ability to produce sufficient revenue to support current service levels, meet existing obligations, and plan for future initiatives.

## Trends in Revenue Sources

**Description:** This graph reveals trends for the largest sources of revenue received by Metro, grouped into six categories: total revenue, property taxes, sales taxes, fees & user charges, revenue from other governments, and other revenue. The composition of these revenues helps determine the Metropolitan Government's potential dependence on any one specific revenue source in order to respond to changing economic situations and service demands.

**Commentary:** Total revenue grew by approximately 21.6% between FY2008 and FY2017, which represents a net increase of 2.8% relative to the previous rolling ten-year period. This increase is attributed to strong growth in property and local option sales tax revenues over the same period, which netted 1.0% and 5.0%, respectively. During this time period, two basic trends are evident.

Metro experienced vastly different revenue growth patterns during separate five-year periods ranging from 2008 to 2017. The devastating effects of the financial and liquidity crises, which occurred from 2007 to 2008 and eventually led to the subprime mortgage crisis, sending the country into a period now referred to as The Great Recession, are evident as total revenue declined 2.6% from 2008 to 2012. This figure rebounded to a much healthier increase of 15.8% between 2013 and 2017, as the economy recovered on a local, national, and even global scale.

The predominant source of revenue is property taxes, which increased by approximately 9.0% between 2013 and 2017. This upward trend occurred, in-part, following an increase in property tax rates in FY2013. A reappraisal that same calendar year lowered the rate for the following fiscal year, where it has remained since, despite continued growth. This demonstrates that Metro is benefitting from economic activity that is in turn driving new construction and property value appreciation. The growth experienced over the last five years represents half of that during the last ten, at 18.0%; various economic indicators, to include population growth, job market expansion, and unmet demand due to low supply, suggest a continuation of this trend for the upcoming fiscal year.

Prior to the reappraisal that occurred in calendar year 2017, the tax base had grown moderately but consistently over the period. Challenging this trend, the reappraisal resulted in a 48.9% increase in total assessed values for real property. State law mandates that revenues tied to the reappraisal of existing property remain the same, irrespective of increases in property values. This is achieved by offsetting reductions in the certified tax rates, ensuring that the reappraisal serves its intended purpose, equalization based on current market value. This revenue neutrality requirement creates stability in the source, which is beneficial given its proportion relative to the overall budget. The rate increases are detailed in the property tax discussion in Section A of this book.

Intergovernmental revenues (funds received from other governments) decreased by 16.4% from FY2008 to FY2012. In the years that followed, relative to revenues from all other sources, year over year figures continued to decline until about 2013, as absolute annual dollar amounts remained flat. Since FY2013, there has been a slight increase over the last couple of years, which could be attributed to an improving economy as well as an increase in programs funded by the State and/or Federal government. Since the recession, Metro has taken steps to ensure that it is not overly dependent on revenues from other governmental entities due to the volatility of available funds. These steps include programs being reduced or curtailed in some situations.

Local option sales tax is the primary source of elastic revenue because it responds to changes in inflation and the economic base. The total sales tax rate in Davidson County is 9.25%. To fund education, in FY2002 a 1.0% increase to all items except unprepared foods (4% plus local option) put the state portion of the sales tax rate at 7.0%, plus the 2.25% local option rate levied by Davidson County. During the 10-year period being discussed, Davidson County has experienced a 24.3% increase in the local option sales tax. The impact of the

## Appendix 7: FTMS

recession is readily identifiable from 2008 through 2012 as Metro witnessed a decrease of 3.8%. By comparison, from 2013 through 2017 this revenue source grew 20.3%.

Overall, fees and user charge collections have increased approximately 34.7% between FY2008 and FY2017, however, categorically they account for a small portion of total revenue.

**Analysis:** There are several suggestive trends indicating a significantly decreased reliance on certain revenue streams; although intergovernmental revenue is trending slightly upward in absolute terms, in relative terms it has declined in proportion to total revenue over the last five years. Fees and user charges and local option sales tax revenue have both shown typical post-recession growth, the result of increased consumer confidence and discretionary income; with the former increasing by roughly 10.7% year over year, making it one of the best performers during the year. However, per the status quo, potential threats to the viability of certain revenue sources going forward still remain; the result of inherent ties to the state and national economy in general, policy and administration changes at all three levels, as well as uncertainty with respect to the stability of revenues reliant on the tourism industry in particular. Examining avenues for increased diversification of Metro's revenue streams would help to offset potential sluggish performance in certain revenue categories at some point in the future.

However, since 2010 as economic indicators, including GDP, have reflected stabilization, if not growth, in the national economy, Nashville too has followed suit.

### Property Tax

**Description:** Metro relies heavily on the property tax as its single largest revenue source. In FY2017, the property tax constituted approximately 54.0% of all revenue collected by Nashville Metropolitan Government.

**Commentary:** The property tax, a comparatively stable funding source, should mirror the effects of inflation to ensure that dollars collected have consistent buying power year to year. For the analysis period, the current buying power of the property tax revenue has varied from a low of \$435.6M in FY2009 to a high of \$524.3M in FY2017. Since FY2012, as the total revenue generated has increased by roughly \$81.0M, constant buying power has failed to keep pace, increasing only \$21.0M.

**Analysis:** The graph displays property tax revenue in both current and constant dollars to show the effect of inflation on revenue. The noticeable uptick in FY2013 can be attributed to two things; a rate increase for the first time since FY2006, as well as a reappraisal. Although the latter resulted in a \$0.14 decrease to the adjusted tax rate for the following year, the offset created by both returned the effective rate to prerecession levels. This, in-part, demonstrated economic recovery locally and produced an increase from \$444.3M in FY2008 to \$524.3M in FY2017.

### Appraised Property Value

**Description:** Appraised value of property measures the market value of taxable real, personal, and utility property in Metro. Ideally, market and appraised values are the same – indicated by an appraisal ratio of 1.00. When a gap exists between market and appraised values, some property owners are paying less than a fair share of property taxes while others may be overburdened with taxes on properties of declining values. Appraised values and appraisal ratios (the state-estimated ratio between appraised and market values, updated every two years) are presented in Section A of this book.

**Commentary:** Regular reappraisals should help keep appraised values balanced with market values. All taxable real property is appraised every four years by Metro's Assessor of Property, ensuring that there is equitable distribution across the entire tax base.

**Analysis:** The total assessed value of property has steadily increased from FY2008 to FY2017 by 32.0%. Over the same time period, total estimated property value increased 29.6%, marking a change from the previous two rolling ten year periods, in which the two figures matched one another. When this occurs, the market is being fairly and accurately represented for citizens and they also benefit in increased service offerings, the result of the precise assessment of the tax base. The difference between the two could be linked to adjustments to assessed values as the result of appeals. Metro has elected to undertake a four-year reappraisal cycle in an effort to keep property values in line with current market values as well as maintain equalization throughout the county. Appraised values are generally within 90% of market values.

# Appendix 7: FTMS

## Uncollected Property Taxes

**Description:** Each year, a portion of assessed property taxes remain uncollected due to a variety of reasons. An increase in this percentage can indicate an overall decline in local government's economic health. Delinquent and back property tax collections form a significant portion of annual property tax revenue. The largest portion of delinquent taxes consists of the prior year's assessments.

**Analysis:** With the exception of just a few years over the last ten, uncollected property tax levels have consistently hovered between just over \$4.0M to \$5.5M, most recently at \$4.3M in FY2017. These relatively low levels can be attributed, in large part, to an FY2006 agreement in which Metro sold its outstanding property tax receivables to a private sector collector, which at the time stood at approximately \$22.8M.

## Delinquent Property Tax Receivables

**Commentary:** Delinquent property tax receivables have fluctuated during the time period of analysis. These fluctuations occur as a result of property tax increases and/or periods of economic stagnation. Despite a slight year over year increase, the overall trend for delinquent property tax receivables has been negative, decreasing by 20.3% from FY2008 to FY2017.

**Analysis:** The fluctuations in delinquent property tax collections can be explained by inconsistencies in the collection process, with the spikes in the graph representing increased efforts by the legal department in pursuing delinquent funds as noted in the significant decline from FY2009 to FY2015, with FY2017 remaining a much more manageable total compared to earlier in the period.

## Elastic Revenue

**Description:** Elastic revenue refers to revenue that responds to changes or fluctuations in inflation and the economy. In this study, the elastic revenue analyzed is the local option sales tax.

**Commentary:** In FY2008, elastic operating revenues were roughly \$94.6M. For the first five years of the period, the revenues experienced a decline of 3.8%, indicative of the recessionary period of the timeframe. However, over the second half of the ten year analysis, elastic revenues have increased by a much more robust 20.3%.

**Analysis:** During periods of increased inflation, a high percentage of sales tax revenue compared to total revenue helps maintain purchasing power. The category's growth, which started modestly in 2011, positively correlates with the recovery and subsequent strengthening of the economy that began that year. In conjunction with this, improved efficiency in sales tax collections has also played an important role in the increase. The spike observed in FY2015 is the result of fund allocation adjustments and not representative of the actual continued growth of the underlying source itself, which continued in FY2017.

## Intergovernmental Revenue

**Description:** Intergovernmental revenue consists of funds from federal, state, and other governmental entities, and non-profit groups. Often these funds are designated for specific uses. Too much dependence on intergovernmental revenue is risky; if funds are withdrawn, the local government may need to fill the gap or reduce services provided by the funding.

## Appendix 7: FTMS

**Commentary:** Intergovernmental revenue, following steady growth into FY2008 relative to total revenue, declined considerably in FY2010 and has remained comparatively flat since, ranging from roughly 10.3% to 11.0%. In part, this is due to property tax rate increases, which increased the percentage of revenue raised by the property tax relative to other sources. Along with this, during several of the years being examined there were reductions in intergovernmental transfers from state and federal sources due to budget reductions at the state level and shifting of resources out of federal grant programs. These revenues have started to trend upward since FY2012, as fiscal tightening at the federal and state levels has lessened.

**Analysis:** From FY2007 to FY2009 a noticeable spike in intergovernmental revenue occurred, which could be attributed to an inflow of federal stimulus funds, the cumulative measures of which later became known as the American Recovery and Reinvestment Act in 2009. Since then, the category's contribution to Metro's total revenue figure has leveled off to prerecession levels and remained consistent, ranging from 9.9% to FY2016's prerecession high of 11.1%. Despite the slight upturn, intergovernmental revenues in FY2017 only modestly exceeded contributions from nearly a decade and a half ago.

### Revenue Benchmarks

Revenue benchmarks serve as important symbols of the flexibility found in spending restrictions within the Metropolitan Government. These trends may reveal implementation of cost controls or fiscal policies.

### Restricted Revenue

**Description:** Restricted revenue is legally designated for a specific use, often spelled out in state or federal laws, bond covenants, or grant contracts. Specifically, restricted revenue includes revenue from other governments and governmental agencies, excluding the state income tax allocation and the state sales tax funds.

An increased percentage of restricted revenue as a percentage of total operating revenues can hinder the government's ability to modify spending priorities in response to changing service needs and demands.

**Commentary:** The restricted revenue graph resembles the overall trend illustrated in the intergovernmental revenue graph, declining from FY2009 to FY2013, before increasing modestly. Restricted revenue as a percentage of total revenue reached its lowest point for the period reviewed at 4.7% in FY2013. Since then, with the exception of FY2015, the category has increased, exceeding the highest it has been since FY2010 this past year. This is further evidenced by absolute growth of 48.7% over the last five years. Comparatively, the previous rolling five year period saw growth of just 34.6%. However, this growth is to be expected following the decline in intergovernmental revenue related to the fiscal crisis of 2009 and the subsequent reduction of federal grant revenue. It is important to note that the state sales tax allocation and the income tax on dividends and interest are not included in the restricted revenue calculation.

While grants do allow local governments the opportunity to expand certain programs, it is a good idea to keep the percentage relatively low so that a government does not become overly reliant on grant funding from sources that cannot be guaranteed from year to year. As a percentage of total revenues, restricted revenues have not exceeded 7.0% since FY2005.

### One-Time Revenue

**Description:** A one-time or temporary revenue source is one that is not expected to be a continuous funding source, such as the allocation of a portion of fund balance reserves or a one-time grant.

Continual use of one-time revenue to balance the budget may indicate that the revenue base is not sufficient to support current service levels. For this study, a one-time revenue source refers to funds appropriated from fund balance. The warning trend for this indicator is an increasing use of one-time operating revenue as a percentage of net operating revenues.

## Appendix 7: FTMS

**Analysis:** In FY2007, \$60.5M (7.7% of net operating revenue) was contributed as one-time revenue. By FY2016 this amount had increased to \$145M, or 15.4% of net operating revenue. Use of one-time revenue has steadily increased over the period of analysis (a 100.8% increase from FY2007 to FY2016), with a sharp spike in 2009 which can be attributed to stimulus funds. The graph indicates that departments show an increased reliance on fund balance or grant funds to provide services.

**Commentary:** The global economic crisis in 2008 significantly impacted local revenue and required substantial commitment of fund balance to cover revenue shortfalls. The steady rise in use of one-time revenue can be attributed to a concerted effort by the Dean administration to increase contributions to Metro's 4% fund beyond required levels in order to shield Metro from another recession. As a result, surplus reserve dollars have been used to fund Metro operating capital needs. This process has been managed effectively; Metro monitors its fund balances carefully, manages its use, and avoids appropriating fund balances to fund on-going operating expenses.

### Revenues per Capita

**Description:** This indicator assumes that services and revenues will increase proportionately with growth in the population and that the level of *per capita* revenue will stay at least constant in real terms. The population of Davidson County has grown by 12.8% since 2008.

**Commentary:** In constant dollars, revenue per capita decreased 5.3% over the period of analysis; however, it has exhibited slight growth overall since FY2012. The

effect of the 2008 Great Recession is evident in the 13.7% decrease from FY2008 to FY2012, and the post-recession 4.9% increase from FY2013 to FY2017. In terms of constant dollars, revenue per capita remained relatively flat in FY2017, as modest YOY revenue growth was offset by a respectable population increase over the same period. Total revenue per capita finished at \$574 for the year.

**Analysis:** Fluctuations in revenues per capita can be attributed to a steadily increasing population and the detrimental effects of the economic downturn during the first few years being examined. Fiscal recovery has been a gradual process, with revenues per capita hitting its lowest point in FY2012, at \$523. However, since then, this indicator has exhibited growth at nearly double the rate of corresponding expenditures.

### Expenditures per Capita

**Description:** This indicator assumes that changes in *per capita* expenditures reflect fluctuations in the population and compares changes to the rate of inflation. The graph compares nominal (current dollar) and real (constant dollar) data.

**Commentary:** The graph illustrates that between FY2007 and FY2016, actual expenditures per capita in constant dollars decreased by 5.5%. In current dollars, expenditures *per capita* have increased slowly since FY2012, totaling \$1,326 for FY2017.

**Analysis:** The graph illustrates that in current dollars, Metro's expenditures per capita have grown steadily since FY2012, but in a fiscally responsible manner relative to revenue growth.

The noticeable dip in expenditures per capita in both current and constant dollars from FY2008 to FY2012 can be attributed to the recessionary period and subsequent slow recovery during the same timeframe. A property tax increase in FY2013 allowed for the restoration of selected expenses following expenditure cuts that were implemented in previous years. An uptick in revenue from other sources, to include local option sales and various state shared taxes has allowed for an expansion in services during the same period. A recognizable correlation exists when comparing current revenues and expenditures per capita since FY2012.

### Operating Deficits

# Appendix 7: FTMS

**Description:** An operating deficit occurs when current expenditures exceed current revenues. This does not necessarily mean that the budget will be out of balance, since reserves from prior years may be used to cover the difference. However, credit rating firms regard a current-year operating deficit as a minor warning signal. Two consecutive years of such deficits indicate that current revenues are not supporting current expenditures and require more attention.

**Commentary:** Two or more consecutive years of operating fund deficits present a “red flag” with respect to the financial health of Metro Government. While there is some considerable variability over the last ten years, only two resulted in operational deficits of 2.5% and 3.9%; these finishes occurred in FY2010 and FY2017, respectively. These minimal deficits can be attributed to the planned use of fund balances to balance the operating budget. The shift from a surplus in FY2016 to a deficit in FY2017 will necessitate fiscal prudence heading into FY2018 in order to ensure that a reduction in services is not required in future years.

**Analysis:** The recession that occurred early in the time period being examined resulted in marked declines in net operating revenue for Metro and resulted in the decision to use fund balance dollars to maintain levels of service. Revenue did not begin to fully stabilize and reach prerecession growth levels until FY2013, driven primarily by surges in property and sales taxes in the years to follow. This strong growth, the first since FY2006’s increase, led to fewer departments requesting the use of fund balance to maintain current service levels.

## Fund Balances

**Description:** Fund balances can be thought of as reserves. Since some fund balances may be designated for specific projects, it is necessary to differentiate between reserved and unreserved fund balance. Unreserved fund balance is the indicator in this case. Unreserved fund balances enable a government to meet future emergencies. A warning sign occurs when unreserved fund balances decline as a percentage of net operating revenues. This may show an inability to fund emergencies.

**Commentary:** Fund balance as a percentage of operating revenue has increased by 35.6% since 2008, totaling over \$55.2M for FY2017, representing 5.7% of net operating revenues. Metro’s financial management policy pertaining to fund balance has established a 5.0% threshold for its three tax-supported operating funds. An increase in property tax rates in FY2013, which essentially remained flat following the reappraisal done that same year, caused the unreserved fund balance to increase slightly as a percentage of operating revenue. Since then, despite a gradual decrease, fund balance remains safely above the required threshold.

## Liquidity

**Description:** Liquidity measures a government’s ability to pay its short-term obligations. Insufficient liquidity will make a government insolvent. In these graphs, liquidity is determined by taking current assets and dividing by current liabilities – a measure known in financial analysis as the current ratio and depicted in the graph below. The quick ratio, shown in the second graph below, takes this a step further by taking the most liquid of assets and dividing them by current liabilities. In this case, it is determined by dividing cash and cash equivalents by accounts payable and accrued payroll.

## Appendix 7: FTMS

**Commentary:** Over the time period of analysis, liquidity has ranged from a low of 131.6% in FY2009 to a high of 395.4% in FY2014, settling at 279.4% last year.

A positive quick ratio, particularly in more recent years, indicates that Metro has had adequate cash reserves for immediate unexpected needs. The trend illustrated above shows an increase overall during the ten-year period, with a slight but manageable drop in FY2017. Partially responsible for this were local option sales tax collections that were less than expected during the last quarter of the year. Metro's ability to acquire cash while minimizing increases in short-term obligations is responsible for this.

**Analysis:** Credit rating firms consider liquidity of less than 100% to be a negative factor, which has not occurred over the time period. A positive liquidity position indicates that Metro is not overextended in its financial obligations with current liquidity at more than 2.8 times that recommended level.

### Demographic Trends

Municipal fiscal health is related to citizen needs and available resources that are often reflected in economic and demographic indicators.

A greater variety of current demographic information is presented in Appendix 4, "About Nashville."

**Population:** Population growth has a significant impact on Metro's ability to generate and capture revenue as well as the cost to provide services. The population of Davidson County has increased steadily over the past decade, from 612,649 in 2008 to 691,243 in 2017, an increase of 12.8%.

**Unemployment:** Over the past decade, Davidson County has maintained low unemployment rates that are parallel to, but lower than, national and state-wide figures. The county's unemployment rate during the last decade has ranged from a low of 2.9% in 2017 to a high of 8.9% in 2010, compared with a range of 3.7% to 10.5% for the state and 4.3% to 9.6% nationally during the same periods.

Unemployment rates at the local, state, and national level have declined considerably since 2014, following consistently high levels as a result of the global fiscal economic crisis took hold between 2009 and 2010. Active fiscal policy on the macroeconomic level by the Federal Reserve and decisive action by the U.S. government resulted in a stabilization of unemployment rates in the last few years of the analysis. The average unemployment rate for Davidson County in 2017 was 2.9%, down from 3.8% in 2016.

Davidson County's steady economic base is likely to continue to be healthy due to its economic diversification and higher-than-average concentration of jobs in education, health care, and professional and technical services. These industries are prominent on the national level and are projected to experience high growth rates over the next decade and beyond.
