Looking Ahead To FY 2011

- Budget Conservatively
- Must Increase Fund Balance
- Must Be Prepared To Address Pension Contribution
- Must Continue Looking To Improve Efficiencies - Already Several Departments Talking About Consolidating/Cross Training Inspectors
- Must Appropriate Debt Service To Protect Bond Rating

Legislation

- Deauthorizing all previously approved projects
- Bond resolution authorizing projects going forward
- Resolutions will be filed for May 19th Council Meeting
- GSD/USD Debt Service Funds Will Require Additional Money in FY 2011

Bond Rating/Market Access

- Market conditions have improved and we continue to be able to access commercial paper program
- Funds projects until we issue permanent bonds probably late next year
- Maintained rating but critical to put more money in debt service going forward

Deauthorizing Resolution

- Previous Councils have approved projects far in excess of our bond capacity
- Eliminate approximately \$200 million in projects
- Cleans up so that there is no question where money will be spent

New Initial Bond Resolution

- Authorizes \$500 million in projects
- Most already underway or previously approved;
 - \$116 million in new projects
- Complete list of projects will be filed with resolution
- \$130+ million already spent

Projects To Be Included

- Parks
- Fulton Complex
- Riverfront Development
- Police/Fire
- Public Works
- MTA
- Schools
