Independent Auditors' Report on Internal Control Over  
Financial Reporting and on Compliance and Other Matters Based  
on an Audit of Financial Statements Performed in  
Accordance with *Government Auditing Standards*

To the Honorable Mayor and Members of Council  
The Metropolitan Government of Nashville and Davidson County, Tennessee

We have audited the financial statements of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of the Metropolitan Government of Nashville and Davidson County, Tennessee (the "Government") as of and for the year ended June 30, 2012, which collectively comprise the Government's basic financial statements. We have also audited the financial statements of the Sports Authority and the Industrial Development Board, which are discretely presented component units of the Government, and the financial statements of each of the Government's nonmajor governmental, nonmajor enterprise, internal service and fiduciary funds, and have issued our report thereon dated October 31, 2012. Our report includes a reference to other auditors. We have also audited and reported on separately the financial statements of the following discretely presented component units: the General Hospital and Bordeaux Long-Term Care and Knowles Home Funds of the Hospital Authority, the Metropolitan Transit Authority, and the Metropolitan Nashville Airport Authority. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Other auditors audited the financial statements of the following discretely presented component units: the Nashville District Management Corporation, the Gulch Business Improvement District, Inc., the Metropolitan Development and Housing Agency, the Electric Power Board, the Emergency Communications District and the Convention Center Authority. This report does not include the results of testing of internal control over financial reporting or compliance and other matters that are reported on separately by us or other auditors.

Internal Control Over Financial Reporting

Management of the Government is responsible for establishing and maintaining effective internal control over financial reporting. In planning and performing our audit, we considered the Government's internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Government's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the Government's internal control over financial reporting.

To the Honorable Mayor and Members of Council  
The Metropolitan Government of Nashville and Davidson County, Tennessee

Our consideration of internal control over financial reporting was for the limited purpose described in the preceding paragraph and was not designed to identify all deficiencies in internal control over financial reporting that might be significant deficiencies or material weaknesses, and therefore, there can be no assurance that all deficiencies, significant deficiencies, or material weaknesses have been identified. However, as described in the accompanying schedule of findings and questioned costs, we identified certain deficiencies in internal control over financial reporting that we consider to be material weaknesses and other deficiencies that we consider to be significant deficiencies.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. We consider the deficiencies described in Section II of the accompanying schedule of findings and questioned costs, Item IC-12-1, to be material weaknesses.

A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance. We consider the deficiencies described in Section II of the accompanying schedule of findings and questioned costs, Item IC-12-2, to be a significant deficiency.

#### Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Government's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

We noted certain matters that we reported to management of the Government in a separate letter dated October 31, 2012.

The Government's responses to the findings identified in our audit are described in the accompanying schedule of findings and questioned costs. We did not audit the Government's responses and, accordingly, we express no opinion on them.

This report is intended solely for the information and use of management, audit committee, and others within the Government, and Federal and State awarding agencies and pass-through entities, and is not intended to be and should not be used by anyone other than these specified parties.

Independent Auditors' Report on Compliance with Requirements  
That Could Have a Direct and Material Effect on Each  
Major Program and on Internal Control Over Compliance in  
Accordance with OMB Circular A-133 and on the  
Schedules of Expenditures of Federal and State Awards

To the Honorable Mayor and Members of Council  
The Metropolitan Government of Nashville and Davidson County, Tennessee

Compliance

We have audited Metropolitan Government of Nashville and Davidson County, Tennessee's (the "Government") compliance with the types of compliance requirements described in the U.S. Office of Management and Budget (OMB) *Circular A-133 Compliance Supplement* that could have a direct and material effect on each of the Government's major federal programs for the year ended June 30, 2012. The Government's major federal programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs. Compliance with the requirements of laws, regulations, contracts, and grants applicable to each of its major federal programs is the responsibility of the Government's management. Our responsibility is to express an opinion on the Government's compliance based on our audit.

The Government's basic financial statements include the operations of the following component units: the Nashville District Management Corporation, the Gulch Business Improvement District, Inc., the Metropolitan Development and Housing Agency, the Electric Power Board, the Metropolitan Transit Authority, the Metropolitan Nashville Airport Authority, the Emergency Communications District and the Convention Center Authority, which expended \$147,382,115 in federal awards which are not included in the accompanying Schedule of Expenditures of Federal Awards during the year ended June 30, 2012. Our audit, described below, did not include the operations of the Metropolitan Transit Authority and the Metropolitan Nashville Airport Authority, because we audited and reported on those component units' compliance in accordance with OMB Circular A-133 separately. Our audit, described below, also did not include the operations of the Nashville District Management Corporation, Gulch Business Improvement District Inc., the Metropolitan Development and Housing Agency, the Electric Power Board, the Emergency Communications District, and the Convention Center Authority because those component units engaged other auditors to perform audits and report separately.

To the Honorable Mayor and Members of Council  
The Metropolitan Government of Nashville and Davidson County, Tennessee

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the Government's compliance with those requirements and performing such other procedures, as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion. Our audit does not provide a legal determination of the Government's compliance with those requirements.

In our opinion, the Government complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2012.

#### Internal Control Over Compliance

Management of the Government is responsible for establishing and maintaining effective internal control over compliance with the requirements of laws, regulations, contracts, and grants applicable to federal programs. In planning and performing our audit, we considered the Government's internal control over compliance with requirements that could have a direct and material effect on a major federal program to determine the auditing procedures for the purpose of expressing our opinion on compliance and to test and report on internal control over compliance in accordance with OMB Circular A-133, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Government's internal control over compliance.

*A deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be deficiencies, significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above.

To the Honorable Mayor and Members of Council  
The Metropolitan Government of Nashville and Davidson County, Tennessee

Schedules of Expenditures of Federal and State Awards

We have audited the financial statements of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of the Government as of and for the year ended June 30, 2012, and have issued our report thereon dated October 31, 2012, which contained an unqualified opinion on those financial statements. Our report includes a reference to the reports of other auditors on the financial statements of the Nashville District Management Corporation, the Gulch Business Improvement District, Inc., the Metropolitan Development and Housing Agency, the Electric Power Board, the Emergency Communications District and the Convention Center Authority. We have also audited the financial statements of each of the Government's nonmajor governmental, nonmajor enterprise, internal service and fiduciary funds, as well as the financial statements of the Sports Authority Fund, and the Industrial Development Board Fund as of and for the year ended June 30, 2012, and have issued our report thereon dated October 31, 2012, which contained an unqualified opinion on those financial statements. Our audit was performed for the purpose of forming opinions on the financial statements that collectively comprise the Government's financial statements. The accompanying Schedules of Expenditures of Federal and State Awards are presented for purposes of additional analysis as required by OMB Circular A-133 and the State of Tennessee, and are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the Schedules of Expenditures of Federal and State Awards are fairly stated in all material respects in relation to the financial statements as a whole.

This report is intended solely for the information and use of the management, audit committee, and others within the Government, and federal and state awarding agencies and pass-through entities, and is not intended to be and should not be used by anyone other than these specified parties.

METROPOLITAN GOVERNMENT OF NASHVILLE  
AND DAVIDSON COUNTY, TENNESSEE  
NOTES TO SCHEDULES OF EXPENDITURES OF FEDERAL AND STATE AWARDS  
YEAR ENDED JUNE 30, 2012

A. BASIS OF PRESENTATION

Reporting Entity

The basic financial statements of The Metropolitan Government of Nashville and Davidson County, Tennessee (the Government), as of and for the year ended June 30, 2012, include the operations of the following component units: the Nashville District Management Corporation, the Gulch Business Improvement District, Inc., the General Hospital and Bordeaux Long Term Care and Knowles Home Funds of the Hospital Authority, the Metropolitan Development and Housing Agency, the Electric Power Board, the Metropolitan Transit Authority, the Metropolitan Nashville Airport Authority, the Emergency Communications District and the Convention Center Authority. The expenditures of federal awards of these component units totaled \$147,382,115 and are not included in the Government's Schedule of Expenditures of Federal Awards for the year ended June 30, 2012. These component units are separately audited and reported on in accordance with OMB Circular A-133, where applicable, and their expenditures are not included in the accompanying schedules of expenditures of federal and state awards of the Government for the year ended June 30, 2012.

Noncash Federal Programs

The Government is the recipient of federal awards that do not result in cash receipts or disbursements, including distribution of U.S. Department of Agriculture (USDA) Food Commodities (CFDA No. 10.565), which are valued based on a USDA price list obtained from the Tennessee Department of Health. Distributions under such programs are included in the accompanying schedules of expenditures of federal and state awards.

Federal Financial Assistance Without CFDA Numbers

Federal awards which have no assigned CFDA number have been included in the last section of each appropriate federal agency section.

Pass-Through Awards

Funds received by the Government and redistributed to a component unit of the Government or received directly by the component unit in the Government's name are reported in the component unit's financial statements and are not included in the Government's schedules of expenditures of federal and state awards.

Funds received by an agency of the Government and redistributed to another agency of the Government are reported in the receiving department's accounts to avoid duplication of the aggregate level of federal awards expended by the Government. Accordingly, pass-through funds are included once.

Program Clusters

OMB Circular A-133 defines a cluster of programs as a grouping of closely related programs that share common compliance requirements. According to this definition, similar programs deemed to be a cluster of programs are tested accordingly.

Schedule of Expenditures of State Awards

In compliance with Tennessee state law, the accompanying schedule of expenditures of state awards is included with this report. Such schedule presents all state funded financial awards, as defined by the State Comptroller of the Treasury's Office, and is prepared and presented in a manner consistent with the schedule of expenditures of federal awards.

B. BASIS OF ACCOUNTING

The expenditures presented in the accompanying schedules of expenditures of federal and state awards were developed from agency records and federal and state financial reports which have been reconciled to the central accounting records of the Government. Governmental funds are reported using a modified accrual basis of accounting. Proprietary funds are reported using the accrual basis of accounting. These central records serve as the primary source of information in the preparation of the Government's basic financial statements.

Federal and state revenues and expenditures are included in the general fund, special revenue funds, capital projects funds, and enterprise funds in the Government's basic financial statements.

C. MATCHING COST

The State of Tennessee's portion of joint programs with the Government are included in the accompanying schedule of expenditures of state awards, except in those cases where the state's portion is combined with the federal portion and cannot be separately identified. In such cases, the state's portion is included in the accompanying schedule of expenditures of federal awards. The Government's portion of such joint awards is not included.

METROPOLITAN GOVERNMENT OF NASHVILLE  
AND DAVIDSON COUNTY, TENNESSEE  
NOTES TO SCHEDULES OF EXPENDITURES OF FEDERAL AND STATE AWARDS  
YEAR ENDED JUNE 30, 2012

D. INDIRECT COSTS

Included in the Government's Cost Allocation Plan are all central service costs allowable under OMB Circular A-87, which may be "allocated" among all programs of the Government in a consistent manner.

The amount presented in the Cost Allocation Plan as "allocated" to each department is not actually charged as expenditure to that department, but is accounted for in the central service area's budget. The amount is used to calculate indirect costs associated with programs funded by external sources that allow the inclusion of indirect costs (certain grants, user fees, etc.).

Many of the Government's federal and state funded programs allow indirect costs to be charged and include them as a line item in the grant budget. However, if the grant budget does not specifically provide for indirect costs to be charged, none of the indirect costs are reported as costs to the grantor nor are the costs included or presented in the schedules of expenditures of federal and state awards.

E. CONTINGENCIES

The federal and state grants received by the Government are subject to audit and adjustment. If any expenditures are disallowed by the grantor agencies as a result of such an audit, the grantor agencies could make claim for reimbursement, which would become a liability of the Government.

During May 2010, Nashville and Davidson County experienced significant flooding and was declared a federal disaster area by President Barack Obama. The federal disaster declaration enables the reimbursement of certain flood-related costs to the Government through the Federal Emergency Management Agency (FEMA) of the U.S. Department of Homeland Security. Flood-related costs incurred during fiscal year 2012, which management believes will be reimbursed by FEMA, totaled \$8,862,088. These expenditures have been included in the accompanying schedule of federal expenditures under CFDA 97.036. Such flood-related costs are subject to review, approval and adjustment by FEMA. As of the issuance of this report, the Government is working with FEMA on various appeals and adjustments to the FEMA project worksheets and the related grant agreements.

SCHEDULE OF FINDINGS AND QUESTIONED COSTS  
YEAR ENDED JUNE 30, 2012

**SECTION II - FINANCIAL STATEMENT FINDINGS**

***MATERIAL WEAKNESSES:***

***IC-12-1***

**CLERK AND MASTER, COUNTY REGISTER, AND CIRCUIT COURT**

***Lack of Segregation of Duties with Financial Transactions***

**Observation**

During our audit procedures over cash receipts and cash disbursements at these offices, we noted either one or several clerks are responsible for multiple duties which involve financial transactions, such as handling incoming cash receipts, processing these cash receipts, making physical deposits to the bank, maintaining check stock, processing cash disbursements, signing checks, including checks written to themselves for deputy clerk fees, and posting transactions to the Access database. There was no documentation that these functions were reviewed by another employee. These incompatible accounting functions constitute deficiencies in internal control which could lead to undetected misappropriation of funds as well as undetected material misstatements of the offices' financial information.

**Recommendation**

We recommend that management design and implement procedures that would more effectively segregate certain duties between employees that handle cash and those that record cash transactions. The following are suggestions for improving controls and segregation of duties:

- (1) An employee independent of posting transactions to the accounting records should be responsible for opening the mail/receiving cash and checks over the counter and making copies of checks received. This person should also prepare a daily cash receipts log indicating the dollar amount, nature of cash receipt, and court case. This person should also prepare and make the daily deposit to the bank.
- (2) The employee responsible for preparing the daily cash receipts log and making the daily deposit should submit the daily cash receipts log, bank deposit slip and copies of the checks to an independent employee for timely posting the daily cash receipts to the accounting records.

AND DAVIDSON COUNTY, TENNESSEE  
SCHEDULE OF FINDINGS AND QUESTIONED COSTS  
YEAR ENDED JUNE 30, 2012

**SECTION II - FINANCIAL STATEMENT FINDINGS - Continued**

***IC-12-1 - Continued***

- (3) An employee independent of posting transactions to the accounting records and with no check signing authority should maintain the physical check stock for all bank accounts. In addition, this employee should maintain a check log for issuing check stock to the employee responsible for processing cash disbursements. This check log should list the sequence of checks issued, the number of checks issued and be signed and dated by both the employee maintaining the check stock and the employee requesting and receiving issued checks. Any unused or voided checks should be logged back into the check log.
  
- (4) An employee independent of the duties described in (1)-(3) above should be responsible for posting daily cash receipts and cash disbursement transactions as well as preparing the checks for cash disbursements.

**Management's Response**

***Clerk and Master***

*This recommendation was addressed in January 2012 and noted previously in Management's Response to the June 2011 audit. The Office hired an additional bookkeeper increasing the bookkeeping staff from two to three. Management continues to consult with Metro Finance, EBS and other departments to develop processes that will improve controls and segregate duties. The following processes have been implemented:*

- 1. An employee independent of posting transactions to the accounting records opens all the mail and makes copies of all checks. A daily mail check log is kept and reviewed against daily deposits by an employee independent of posting transactions to the accounting records. The daily deposit is also made by an employee independent of posting transactions to the accounting records.*
  
- 2. A sign has been posted at the accounting desk stating, "If you fail to receive a receipt ask to speak to the Clerk and Master."*
  
- 3. Employees with check writing authority no longer are signatory on checks made to themselves for special officer fees. This practice ceased prior to receipt of the June 2011 audit.*
  
- 4. An employee independent of posting transactions to the accounting records and who is without check signing authority maintains the physical check stock and a check log for issuing checks for cash disbursements.*

*As previously stated, Management will continue to explore and implement options to address noted concerns.*

SCHEDULE OF FINDINGS AND QUESTIONED COSTS  
YEAR ENDED JUNE 30, 2012

**SECTION II - FINANCIAL STATEMENT FINDINGS - Continued**

***IC-12-1- Continued***

***County Register***

- 1. At this time the Register of Deeds Office does not have ample staff to accomplish this process. Furthermore, it does seem that we would be duplicating to some degree the process we are currently using.*
- 2. We agree that an independent employee should timely post the daily cash receipts to the accounting records. We do have an independent employee performing this process.*
- 3. Steve Moore, Chief Deputy of Information Technology, maintains all check stock. Checks are locked in the safe in the Information Technology department. Steve maintains a spreadsheet for each checking account that includes the date, check numbers, signature of employee requesting check and signature of employee releasing checks.*
- 4. Currently, Charles Snyder, Chief Deputy of Finance, is responsible for posting daily cash receipts and cash disbursement transactions as well as preparing checks for cash disbursement. He will continue to do so. He has no involvement in opening and dispersing mail. Also, a second employee verifies bank deposits on the bank statement against daily accounting reports from our document recording/retrieval system.*

***Circuit Court***

*Management is in agreement with the recommendation made regarding the receipting and disbursement of Minor Trust Funds. We will start implementing the change where the Chief Clerk or Team Leaders will receipt the funds from the savings accounts for minors. The Internal Auditor will follow up on the checks that are issued for these Minor Trust Accounts to verify the information is correct as it was Court Ordered.*

**SECTION II - FINANCIAL STATEMENT FINDINGS - Continued**

***SIGNIFICANT DEFICIENCY:***

***IC-12-2***

**CIRCUIT COURT**

***Bank Reconciliations - Cancelled Checks***

**Observation**

During our audit procedures over bank reconciliations at this office, we noted that cancelled checks returned by the bank with bank statements are not inspected as part of the bank reconciliation process. As a result, any improper changes made after printing and signing the checks may not be identified timely.

**Recommendation**

We recommend that the preparers and reviewers of bank reconciliations inspect cancelled checks to identify improper changes made after printing and signing the checks, including comparing all information on the checks to the information in the accounting system.

**Management's Response**

*Since we no longer receive the canceled checks with our bank statements, the Internal Auditor will do a random sampling of checks being processed in particular Checks issued for Minor Trust Accounts, Judgments, Tender and Attorney Fees to compare to the canceled check images on Bank of America Online system to verify no changes have been made.*
