Independent Auditor's Report on Internal Control
Over Financial Reporting and on Compliance and
Other Matters Based on an Audit of Financial Statements
Performed in Accordance with Government Auditing Standards

To the Honorable Mayor and Members of Council The Metropolitan Government of Nashville and Davidson County, Tennessee

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards issued by the Comptroller General of the United States, the financial statements of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of the Metropolitan Government of Nashville and Davidson County, Tennessee (the "Government") as of and for the year ended June 30, 2013, and the related notes to the financial statements, which collectively comprise the Government's basic financial statements. We have also audited the financial statements of the Sports Authority and the Industrial Development Board, which are discretely presented component units of the Government, and the financial statements of each of the Government's nonmajor governmental, nonmajor enterprise, internal service and fiduciary funds, and have issued our report thereon dated October 31, 2013. Our report includes a reference to other auditors. We have also audited and reported on separately the financial statements of the following discretely presented component units: the General Hospital and Bordeaux Long-Term Care and Knowles Home Funds of the Hospital Authority, the Metropolitan Transit Authority, and the Metropolitan Nashville Airport Authority. Other auditors audited the financial statements of the following discretely presented component units, as described in our report on the Government's financial statements: the Nashville District Management Corporation, the Gulch Business Improvement District, Inc., the Metropolitan Development and Housing Agency, the Electric Power Board, the Emergency Communications District and the Convention Center Authority. This report does not include the results of our testing or the other auditors' testing of internal control over financial reporting or compliance and other matters that are reported on separately by us or other auditors.

# **Internal Control Over Financial Reporting**

In planning and performing our audit of the financial statements, we considered the Government's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Government's internal control. Accordingly, we do not express an opinion on the effectiveness of the Government's internal control.

Our consideration of internal control was for the limited purpose described in the preceding paragraph and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. However, as described in the accompanying schedule of findings and questioned costs, we identified certain deficiencies in internal control that we consider to be material weaknesses.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance. We consider the deficiencies described in the accompanying schedule of findings and questioned costs, finding number 2013-1, to be material weaknesses.

# **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the Government's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

#### **Government's Response to Finding**

The Government's response to the finding identified in our audit is described in the accompanying schedule of findings and questioned costs. The Government's response was not subjected to the auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on it.

# **Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Government's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Government's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Nashville, Tennessee October 31, 2013

# Independent Auditor's Report on Compliance for Each Major Program and on Internal Control Over Compliance Required by OMB Circular A-133 and on the Schedules of Expenditures of Federal and State Awards

To the Honorable Mayor and Members of Council The Metropolitan Government of Nashville and Davidson County, Tennessee

# Report on Compliance for Each Major Federal Program

We have audited the Metropolitan Government of Nashville and Davidson County, Tennessee's (the "Government") compliance with the types of compliance requirements described in the *OMB Circular A-133 Compliance Supplement* that could have direct and material effect on each of the Government's major federal programs for the year ended June 30, 2013. The Government's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

# Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its federal programs.

#### Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of the Government's major federal programs based on our audit of the types of compliance requirements referred to above. The Government's basic financial statements include the operations of the following component units: the Nashville District Management Corporation, the Gulch Business Improvement District, Inc., the Metropolitan Development and Housing Agency, the Electric Power Board, the Metropolitan Transit Authority, the Metropolitan Nashville Airport Authority, the Emergency Communications District and the Convention Center Authority, which expended \$111,321,790 in federal awards which are not included in the accompanying Schedule of Expenditures of Federal Awards during the year ended June 30, 2013. Our audit, described below, did not include the operations of the Metropolitan Transit Authority and the Metropolitan Nashville Airport Authority, because we audited and reported on those component units' compliance in accordance with OMB Circular A-133 separately. Our audit, described below, also did not include the operations of the Nashville District Management Corporation, Gulch Business Improvement District Inc., the Metropolitan Development and Housing Agency, the Electric Power Board, the Emergency Communications District, and the Convention Center Authority because those component units engaged other auditors to perform audits and report separately in accordance with OMB Circular A-133. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States; and OMB Circular A-133, Audits of States, Local Governments, and Non-Profit Organizations. Those standards and OMB Circular A-133 require

that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the Government's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of the Government's compliance.

# Basis for Qualified Opinion on Healthy Marriage Promotion and Responsible Fatherhood Grant

As described in the accompanying schedule of findings and questioned costs, the Government did not comply with requirements regarding CFDA No. 93.086 Healthy Marriage Promotion and Responsible Fatherhood Grant as described in finding number 2013-2 for eligibility, sub-recipient monitoring and reporting. Compliance with such requirements is necessary, in our opinion, for the Government to comply with the requirements applicable to that program.

# Qualified Opinion on Healthy Marriage Promotion and Responsible Fatherhood Grant

In our opinion, except for the noncompliance described in the Basis for Qualified Opinion paragraph, the Government, complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on CFDA No. 93.086 Healthy Marriage Promotion and Responsible Fatherhood Grant for the year ended June 30, 2013.

#### Unmodified Opinion on Each of the Other Major Federal Programs

In our opinion, the Government complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its other major federal programs identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs for the year ended June 30, 2013.

The Government's response to the noncompliance finding identified in our audit is described in the accompanying schedule of findings and questioned costs. The Government's response was not subjected to the auditing procedures applied in the audit of compliance and, accordingly, we express no opinion on the response.

# **Report on Internal Control Over Compliance**

Management of the Government, is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the Government's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with OMB Circular A-133, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Government's internal control over compliance.

Our consideration of internal control over compliance was for the limited purpose described in the preceding paragraph and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. However, as discussed below, we identified certain deficiencies in internal control over compliance that we consider to be material weaknesses and significant deficiencies.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. We consider the deficiencies in internal control over compliance described in the accompanying schedule of findings and questioned costs as finding number 2013-2 to be a material weakness.

A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance. We consider the deficiencies in internal control over compliance described in the accompanying schedule of findings and questioned costs as finding number 2013-3 to be a significant deficiency.

The Government's responses to the internal control over compliance findings identified in our audit are described in the accompanying schedule of findings and questioned costs. The Government's responses were not subjected to the auditing procedures applied in the audit of compliance and, accordingly, we express no opinion on the responses.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of OMB Circular A-133. Accordingly, this report is not suitable for any other purpose.

#### Schedules of Expenditures of Federal and State Awards

We have audited the financial statements of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of the Government as of and for the year ended June 30, 2013, and have issued our report thereon dated October 31, 2013, which contained an unmodified opinion on those financial statements. Our report includes a reference to the reports of other auditors on the financial statements of the Nashville District Management Corporation, the Gulch Business Improvement District, Inc., the Metropolitan Development and Housing Agency, the Electric Power Board, the Emergency Communications District and the Convention Center Authority. We have also audited the financial statements of each of the Government's nonmajor governmental, nonmajor enterprise, internal service and fiduciary funds, as well as the financial statements of the Sports Authority Fund, and the Industrial Development Board Fund as of and for the year ended June 30, 2013, and have issued our report thereon dated October 31, 2013, which contained an unmodified opinion on those financial statements. Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Government's basic financial statements. The accompanying Schedules of Expenditures of Federal and State Awards are presented for purposes of additional analysis as required by OMB Circular A-133 and the State of Tennessee, and are not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the Schedules of Expenditures of Federal and State Awards are fairly stated in all material respects in relation to the basic financial statements as a whole. Crosslin + Associates, P.C.

# METROPOLITAN GOVERNMENT OF NASHVILLE AND DAVIDSON COUNTY, TENNESSEE NOTES TO SCHEDULES OF EXPENDITURES OF FEDERAL AND STATE AWARDS YEAR ENDED JUNE 30, 2013

#### A. BASIS OF PRESENTATION

#### Reporting Entity

The basic financial statements of The Metropolitan Government of Nashville and Davidson County, Tennessee (the Government), as of and for the year ended June 30, 2013, include the operations of the following component units: the Nashville District Management Corporation, the Gulch Business Improvement District, Inc., the General Hospital and Bordeaux Long Term Care and Knowles Home Funds of the Hospital Authority, the Metropolitan Development and Housing Agency, the Electric Power Board, the Metropolitan Transit Authority, the Metropolitan Nashville Airport Authority, the Emergency Communications District and the Convention Center Authority. The expenditures of federal awards of these component units totaled \$111,321,790 and are not included in the Schedule of Expenditures of Federal Awards for the year ended June 30, 2013. These component units are separately audited and reported on in accordance with OMB Circular A-133, where applicable and their expenditures are not included in the accompanying schedules of expenditures of federal and state awards of the Government for the year ended June 30, 2013.

# Noncash Federal Programs

The Government is the recipient of federal awards that do not result in cash receipts or disbursements, including distribution of U.S. Department of Agriculture (USDA) Food Commodities (CFDA No. 10.565), which are valued based on a USDA price list obtained from the Tennessee Department of Health. Distributions under such programs are included in the accompanying schedules of expenditures of federal and state awards.

# Federal Financial Assistance Without CFDA Numbers

Federal awards which have no assigned CFDA number have been included in the last section of each appropriate federal agency section, where applicable.

# Pass-Through Awards

Funds received by the Government and redistributed to a component unit of the Government or received directly by the component unit in the Government's name are reported in the component unit's financial statements and are not included in the Government's schedules of expenditures of federal and state awards.

Funds received by an agency of the Government and redistributed to another agency of the Government are reported in the receiving department's accounts to avoid duplication of the aggregate level of federal awards expended by the Government. Accordingly, pass-through funds are included once.

# METROPOLITAN GOVERNMENT OF NASHVILLE AND DAVIDSON COUNTY, TENNESSEE NOTES TO SCHEDULES OF EXPENDITURES OF FEDERAL AND STATE AWARDS YEAR ENDED JUNE 30, 2013

#### A. BASIS OF PRESENTATION - Continued

#### Program Clusters

OMB Circular A-133 defines a cluster of programs as a grouping of closely related programs that share common compliance requirements. According to this definition, similar programs deemed to be a cluster of programs are tested accordingly.

#### Schedule of Expenditures of State Awards

In compliance with Tennessee state law, the accompanying schedule of expenditures of state awards is included with this report. Such schedule presents all state funded financial awards, as defined by the State Comptroller of the Treasury's Office, and is prepared and presented in a manner consistent with the schedule of expenditures of federal awards.

# B. BASIS OF ACCOUNTING

The expenditures presented in the accompanying schedules of expenditures of federal and state awards were developed from agency records and federal and state financial reports which have been reconciled to the central accounting records of the Government. Governmental funds are reported using a modified accrual basis of accounting. Proprietary funds are reported using the accrual basis of accounting. These central records serve as the primary source of information in the preparation of the Government's basic financial statements.

Federal and state revenues and expenditures are included in the general fund, special revenue funds, capital projects funds, and enterprise funds in the Government's basic financial statements.

# C. MATCHING COST

The State of Tennessee's portion of joint programs with the Government are included in the accompanying schedule of expenditures of state awards, except in those cases where the state's portion is combined with the federal portion and cannot be separately identified. In such cases, the state's portion is included in the accompanying schedule of expenditures of federal awards. The Government's portion of such joint awards is not included.

# METROPOLITAN GOVERNMENT OF NASHVILLE AND DAVIDSON COUNTY, TENNESSEE NOTES TO SCHEDULES OF EXPENDITURES OF FEDERAL AND STATE AWARDS YEAR ENDED JUNE 30, 2013

#### D. INDIRECT COSTS

Included in the Government's Cost Allocation Plan are all central service costs allowable under OMB Circular A-87, which may be "allocated" among all programs of the Government in a consistent manner.

The amount presented in the Cost Allocation Plan as "allocated" to each department is not actually charged as expenditure to that department, but is accounted for in the central service area's budget. The amount is used to calculate indirect costs associated with programs funded by external sources that allow the inclusion of indirect costs (certain grants, user fees, etc.).

Many of the Government's federal and state funded programs allow indirect costs to be charged and include them as a line item in the grant budget. However, if the grant budget does not specifically provide for indirect costs to be charged, none of the indirect costs are reported as costs to the grantor nor are the costs included or presented in the schedules of expenditures of federal and state awards.

# E. <u>CONTINGENCIES</u>

The federal and state grants received by the Government are subject to audit and adjustment. If any expenditures are disallowed by the grantor agencies as a result of such an audit, the grantor agencies could make claim for reimbursement, which would become a liability of the Government.

During May 2010, Nashville and Davidson County experienced significant flooding and was declared a federal disaster area by President Barack Obama. The federal disaster declaration enables the reimbursement of certain flood-related costs to the Government through the Federal Emergency Management Agency (FEMA) of the U.S. Department of Homeland Security. Flood-related costs incurred during fiscal year 2013, which management believes will be reimbursed by FEMA, totaled \$3,945,181. These expenditures have been included in the accompanying schedule of federal expenditures under CFDA 97.036. Amounts receivable under CFDA 97.036 totaled \$16,397,207 at June 30, 2013. Such flood-related costs are subject to review, approval and adjustment by FEMA. The Government is working with FEMA on various appeals and adjustments to the FEMA project worksheets and related grant agreements.

# SECTION I - SUMMARY OF INDEPENDENT AUDITOR'S RESULTS

# **Financial Statements**

Type of auditor's report issued: An unmodified opinion was issued for the financial statements of the Government for the year ended June 30, 2013.

Internal control over financial reporting:  Material weakness(es) identified?  Significant deficiency(ies) identified not considered to be material weaknesses?	yes no yes _X_ none reported
Noncompliance material to financial statements noted?	yes <u>X</u> no
Federal Awards	
Internal control over major programs:  Material weakness(es) identified?  Significant deficiency(ies) identified not considered to be material weaknesses?	X yes no None reported

Identification of major programs:

CFDA Number	Name of Federal Program

# Child Nutrition Cluster:

10.553	National School Breakfast Program
10.555	National School Lunch Program
10.559	Summer Food Service Program

# Special Education Cluster:

84.027	Special Education - Grants to the States (IDEA, Part B)
84.173	Special Education - Preschool Grants (IDEA Preschool)

# School Improvement Grants Cluster:

84.377	School Improvement Grant
84.388	ARRA - School Improvement Grant

# Other Programs:

84.395	ARRA - State Fiscal Stabilization Fund (SFSF) - Race to the Top Incentive Grants
93.086	Healthy Marriage Promotion and Responsible Fatherhood Grants
93.568	Low-Income Home Energy Assistance Program
93.600	Head Start
93.914	HIV Emergency Relief Project Grants
93.994	Maternal and Child Health Services Block Grant to the States
97.056	Port Security Grant Program

Dollar threshold used to distinguish between Type A and Type B programs: \$3,000,000

Auditee qualified as low-risk auditee? yes X no

#### SECTION II – FINANCIAL STATEMENT FINDINGS

**MATERIAL WEAKNESSES:** 

2013-1

#### COUNTY REGISTER AND CIRCUIT COURT

Lack of Segregation of Duties with Financial Transactions

# **Observation**

During our audit procedures over cash receipts and cash disbursements at these offices, we noted either one or several clerks are responsible for multiple duties which involve financial transactions, such as handling incoming cash receipts, processing these cash receipts, making physical deposits to the bank, maintaining check stock, processing cash disbursements, signing checks, including checks written to themselves for deputy clerk fees, and posting transactions to the Access database. There was no documentation that these functions were reviewed by another employee. These incompatible accounting functions constitute deficiencies in internal control which could lead to undetected misappropriation of funds as well as undetected material misstatements of the offices' financial information.

# Recommendation

We recommend that management design and implement procedures that would more effectively segregate certain duties between employees that handle cash and those that record cash transactions. The following are suggestions for improving controls and segregation of duties:

- (1) An employee independent of posting transactions to the accounting records should be responsible for opening the mail/receiving cash and checks over the counter and making copies of checks received. This person should also prepare a daily cash receipts log indicating the dollar amount, nature of cash receipt, and court case. This person should also prepare and make the daily deposit to the bank.
- (2) The employee responsible for preparing the daily cash receipts log and making the daily deposit should submit the daily cash receipts log, bank deposit slip and copies of the checks to an independent employee for timely posting the daily cash receipts to the accounting records.

#### SECTION II - FINANCIAL STATEMENT FINDINGS - Continued

#### 2013-1 - Continued

- (3) An employee independent of posting transactions to the accounting records and with no check signing authority should maintain the physical check stock for all bank accounts. In addition, this employee should maintain a check log for issuing check stock to the employee responsible for processing cash disbursements. This check log should list the sequence of checks issued, the number of checks issued and be signed and dated by both the employee maintaining the check stock and the employee requesting and receiving issued checks. Any unused or voided checks should be logged back into the check log.
- (4) An employee independent of the duties described in (1)-(3) above should be responsible for posting daily cash receipts and cash disbursement transactions as well as preparing the checks for cash disbursements.

# Management's Response

# County Register

- 1. At this time the Register of Deeds Office does not have ample staff to accomplish this process. Furthermore, it does seem that we would be duplicating to some degree the process we are currently using.
- 2. We agree that an independent employee should timely post the daily cash receipts to the accounting records. We do have an independent employee performing this process.
- 3. The Chief Deputy of Information Technology maintains all check stock. Checks are locked in the safe in the Information Technology department. The Chief Deputy of Information Technology maintains a spreadsheet for each checking account that includes the date, check numbers, signature of employee requesting check and signature of employee releasing checks.
- 4. Currently, the Chief Deputy of Finance, is responsible for posting daily cash receipts and cash disbursement transactions as well as preparing checks for cash disbursement. He will continue to do so. He has no involvement in opening and dispersing mail. Also, a second employee verifies bank deposits on the bank statement against daily accounting reports from our document recording/retrieval system.

#### **SECTION II - FINANCIAL STATEMENT FINDINGS - Continued**

2013-1 - Continued

#### Circuit Court

At the time of the audit and upon the recommendations of the auditors, Management immediately implemented the following procedures regarding the receipting and disbursement of Minor Trust Funds:

Requests made from a Bank regarding a withdrawal from a Trust Account are to be logged on the C3Plus Bank Request Log by a Bookkeeper. This Bookkeeper will enter the Date, Docket #, Request Type, Requested By, and Amount Requested and will send the request to the appropriate Bank. When the request is returned from the Bank, it will be given to the other Bookkeeper. This bookkeeper will enter the remaining information on the Bank Request Log which will be Processed By and Amount Received. After this information is entered, the payments received from the Bank will be given to the Chief Clerk or Team Leader to be receipted and posted to the appropriate Docket #. In the past, the Internal Auditor has verified payments have been receipted and disbursed correctly but will now include comparing the Bank Request Log to the Docket # verifying all transactions have been correctly entered.

# SECTION III - FINDINGS AND QUESTIONED COSTS FOR FEDERAL AWARDS

2013-2

U.S. Department of Health and Human Services Healthy Marriage Promotion and Responsible Fatherhood Grants CFDA No. 93.086

# Criteria

Program participants should meet specified eligibility criteria for participation in the program and related workshops. In addition, monitoring of sub-recipients of program funds should be conducted, including appropriate documentation required by federal regulations and monitoring of activities and results. The Department is also required to submit complete financial and program monitoring reports to the grantor agency on a regular, timely basis.

# Condition

During the audit, we noted that 12 of the 25 program participants selected for testing had either incomplete eligibility documentation or documentation which indicated that the participants were not eligible for the program.

# SECTION III - FINDINGS AND QUESTIONED COSTS FOR FEDERAL AWARDS - Continued

#### 2013-2 - Continued

U.S. Department of Health and Human Services Healthy Marriage Promotion and Responsible Fatherhood Grants CFDA No. 93.086

We also noted that sub-recipient contracts did not contain required information such as the CFDA number, funding source and program objectives. There was also incomplete documentation relating to program monitoring.

The required federal financial and program reports were not submitted to the federal agency on a timely basis.

# **Questioned Costs**

None.

#### Cause

There are not adequate policies and procedures in place surrounding eligibility, sub-recipient monitoring and program reporting. Specifically, more formal policies and procedures are needed to ensure that these program requirements are being met and that program activities and compliance are being reviewed by supervisory personnel.

#### Effect

The Department is not in compliance with the requirements of the program. A review of the grant has been conducted by the U.S. Department of Health and Human Services Association for Children and Families (ACF) which resulted in a mandatory corrective action plan being issued.

# SECTION III - FINDINGS AND QUESTIONED COSTS FOR FEDERAL AWARDS - Continued

2013-2 - Continued

U.S. Department of Health and Human Services Healthy Marriage Promotion and Responsible Fatherhood Grants CFDA No. 93.086

#### Recommendations

We recommend management work with the federal agency and implement the recommendations from the corrective action plan. Specifically, formal policies and procedures should be developed and maintained for eligibility of program participants. Eligibility should be thoroughly determined and documented. The eligibility determinations should be reviewed by an employee independent of the those making the determinations. Additionally, more complete documentation for sub-recipients should be developed and maintained. The Department should monitor sub-recipients on a regular basis and ensure such monitoring reviews are documented and any actions taken. The Department should also ensure timely filing of complete and accurate financial and program reports to the federal oversight agency. All of this will help the Department to achieve program compliance and appropriate corrective action.

# Management's Response

Metro Public Health (MPHD) concurs with these findings. The Corrective Action Plan has been completed to the satisfaction of the federal program officer. Criteria for eligibility have been revamped, per the Corrective Action Plan, and determinations made by case managers during enrollment are reviewed by the case manager supervisor every week at the case manager meeting. The new criteria process has been approved and implemented with the guidance of the federal program officer. Additional monitoring has been implemented for the sub-contract sites, and monthly meetings are held at the site by the finance officer and the program director. All current fiscal and programmatic reports have been completed in a timely manner. To ensure timely reporting in the future, both the program officer and the finance officer have since received training on the Grant Solutions website. Additionally, MPHD has taken the necessary steps to incorporate required information such as the CFDA number, funding source and program objectives on all sub-contractor agreements.

# SECTION III - FINDINGS AND QUESTIONED COSTS FOR FEDERAL AWARDS - Continued

2013-3

U.S. Department of Health and Human Services Maternal and Child Health Services Block Grant to the States CFDA No. 93.994

#### Criteria

The schedule of expenditures of federal awards should reflect the funds received and expended from federal sources.

# **Condition**

During the review of the preliminary version of schedule of expenditures of federal awards, it was noted that certain funds awarded by the State of Tennessee had been categorized as federal funds.

# **Questioned Costs**

None.

#### Cause

Funds awarded by the State of Tennessee should be reflected on the schedule of expenditures of state awards but were misclassified as federal.

#### Effect

Preliminary versions of the schedule of federal expenditures included state grant funds. An adjustment was necessary to reclassify the state funds from the federal schedule to the state schedule.

#### Recommendation

Additional review procedures should be developed at the department level to ensure funds awarded from federal and state sources are appropriately reflected on the respective schedules. The federal and state schedules should be prepared by departmental employees knowledgeable of such awards and should be independently reviewed by departmental personnel who are also knowledgeable of the awards. This will help to ensure that federal and state funds are appropriately classified for monitoring and external reporting.

# SECTION III - FINDINGS AND QUESTIONED COSTS FOR FEDERAL AWARDS - Continued

**2013-3** - Continued

U.S. Department of Health and Human Services Maternal and Child Health Services Block Grant to the States CFDA No. 93.994

# Management's Response

Metro Public Health (MPHD) concurs with this finding. The awards noted are unusual in that either they are split between federal and state funding requiring an allocation between schedules, or they are funded by state interdepartmental funds. MPHD has conferred with Metro Government Finance to appropriately reflect funding sources on the schedule of expenditures of Federal awards and the schedule of expenditures of State awards. MPHD is implementing procedures which will ensure that federal and state schedules will be prepared and reviewed by knowledgeable departmental personnel.

# **SECTION IV - SUMMARY OF PRIOR AUDIT FINDINGS**

Prior year item IC-12-1 has been repeated, in part, in the current year as item 2013-1.

All other prior year findings have been resolved.
