Independent Auditor's Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with Government Auditing Standards

To the Honorable Mayor and Members of Council The Metropolitan Government of Nashville and Davidson County, Tennessee

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards issued by the Comptroller General of the United States, the financial statements of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of the Metropolitan Government of Nashville and Davidson County, Tennessee (the "Government") as of and for the year ended June 30, 2016, and the related notes to the financial statements, which collectively comprise the Government's basic financial statements. We have also audited the financial statements of the Sports Authority Fund and the Industrial Development Board Fund, which are discretely presented component units of the Government, and the financial statements of each of the Government's nonmajor governmental, nonmajor enterprise, internal service and fiduciary funds, and have issued our report thereon dated October 31, 2016. Our report includes a reference to other auditors. We have also audited and reported on separately the financial statements of the following discretely presented component units: the General Hospital and Bordeaux Long-Term Care Funds of the Hospital Authority and Metropolitan Transit Authority. Other auditors audited the financial statements of the following discretely presented component units, as described in our report on the Government's financial statements: the Nashville District Management Corporation, the Gulch Business Improvement District, Inc., the Metropolitan Development and Housing Agency, the Electric Power Board, the Emergency Communications District, the Metropolitan Nashville Airport Authority and the Convention Center Authority. This report does not include the results of our testing or the other auditors' testing of internal control over financial reporting or compliance and other matters that are reported on separately by us or other auditors.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Government's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Government's internal control. Accordingly, we do not express an opinion on the effectiveness of the Government's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given the limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Government's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Government's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Government's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Independent Auditor's Report on Compliance for Each Major Program and on Internal Control Over Compliance Required by the Uniform Guidance and on the Schedules of Expenditures of Federal and State Awards

To the Honorable Mayor and Members of Council The Metropolitan Government of Nashville and Davidson County, Tennessee

Report on Compliance for Each Major Federal Program

We have audited the Metropolitan Government of Nashville and Davidson County, Tennessee's (the "Government") compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of the Government's major federal programs for the year ended June 30, 2016. The Government's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

The Government's basic financial statements include the operations of the following component units: the Nashville District Management Corporation, the Gulch Business Improvement District, Inc., the Metropolitan Development and Housing Agency, the Electric Power Board, the Emergency Communications District, the Metropolitan Nashville Airport Authority, the Convention Center Authority, the General Hospital and Bordeaux Long-Term Care Funds of the Hospital Authority and the Metropolitan Transit Authority, which expended \$125,451,330 in federal awards which are not included in the accompanying Schedule of Expenditures of Federal Awards during the year ended June 30, 2016. Our audit, described below, did not include the operations of the Metropolitan Transit Authority and the Hospital Authority because, when applicable, we audited and reported on those component units' compliance separately. Our audit, described below, also did not include the operations of the Nashville District Management Corporation, Gulch Business Improvement District Inc., the Metropolitan Development and Housing Agency, the Electric Power Board, the Emergency Communications District, the Metropolitan Nashville Airport Authority and the Convention Center Authority because those component units engaged other auditors to perform audits of compliance and report separately.

Management's Responsibility

Management is responsible for compliance with federal statues, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of the Government's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the Government's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of the Government's compliance.

Opinion on Each Major Federal Program

In our opinion, the Government complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2016.

Report on Internal Control Over Compliance

Management of the Government is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the Government's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Government's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

Report on the Schedules of Expenditures of Federal and State Awards

We have audited the financial statements of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of the Government as of and for the year ended June 30, 2016, and the related notes to the financial statements, which collectively comprise the Government's basic financial statements. We issued our report thereon dated October 31, 2016, which contained unmodified opinions on those financial statements. Our report includes a reference to the reports of other auditors on the financial statements of the Nashville District Management Corporation, the Gulch Business Improvement District, Inc., the Metropolitan Development and Housing Agency, the Electric Power Board, the Emergency Communications District, the Metropolitan Nashville Airport Authority and the Convention Center Authority. We have also audited the financial statements of each of the Government's nonmajor governmental, nonmajor enterprise, internal service and fiduciary funds, as well as the financial statements of the Sports Authority Fund, and the Industrial Development Board Fund as of and for the year ended June 30, 2016, and have issued our report thereon dated October 31, 2016, which contained unmodified opinions on those financial statements. Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Government's basic financial statements. The accompanying Schedules of Expenditures of Federal and State Awards are presented for purposes of additional analysis as required by the Uniform Guidance and the State of Tennessee, and are not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the Schedules of Expenditures of Federal and State Awards are fairly stated in all material respects in relation to the basic financial statements as a whole.

Crosslin, PLLC

Nashville, Tennessee October 31, 2016, except for Compliance and Internal Control Over Compliance, as to which the date is January 30, 2017

METROPOLITAN GOVERNMENT OF NASHVILLE AND DAVIDSON COUNTY, TENNESSEE NOTES TO SCHEDULES OF EXPENDITURES OF FEDERAL AND STATE AWARDS YEAR ENDED JUNE 30, 2016

A. BASIS OF PRESENTATION

Reporting Entity

The basic financial statements of the Metropolitan Government of Nashville and Davidson County, Tennessee (the "Government"), as of and for the year ended June 30, 2016, include the operations of the following component units: the Nashville District Management Corporation, the Gulch Business Improvement District, Inc., the General Hospital and Bordeaux Long Term Care Funds of the Hospital Authority, the Metropolitan Development and Housing Agency, the Electric Power Board, the Metropolitan Transit Authority, the Emergency Communications District, the Metropolitan Nashville Airport Authority and the Convention Center Authority. The expenditures of federal awards of these component units totaled \$125,451,330 and are not included in the accompanying schedule of expenditures of federal awards for the year ended June 30, 2016. These component units are separately audited and reported on in accordance with the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance), when applicable, and their expenditures are not included in the schedules of expenditures of federal and state awards of the Government for the year ended June 30, 2016.

Noncash Federal Programs

The Government is the recipient of federal awards that do not result in cash receipts or disbursements, including distribution of U.S. Department of Agriculture (USDA) Food Commodities (CFDA No. 10.565), which are valued based on a USDA price list obtained from the Tennessee Department of Health. Distributions under such programs are included in the accompanying schedules of expenditures of federal and state awards.

Federal Financial Assistance Without CFDA Numbers

Federal awards which have no assigned CFDA number have been included in the last section of each appropriate federal agency section, where applicable.

Pass-Through Awards

Funds received by the Government and redistributed to a component unit of the Government or received directly by the component unit in the Government's name are reported in the component unit's financial statements and are not included in the Government's schedules of expenditures of federal and state awards.

Funds received by an agency of the Government and redistributed to another agency of the Government are reported in the receiving department's accounts to avoid duplication of the aggregate level of awards expended by the Government. Accordingly, pass-through funds are included once.

A. BASIS OF PRESENTATION - Continued

Program Clusters

The Uniform Guidance defines a cluster of programs as a grouping of closely related programs that share common compliance requirements. According to this definition, similar programs deemed to be a cluster of programs are tested accordingly.

Schedule of Expenditures of State Awards

In compliance with Tennessee state law, the accompanying schedule of expenditures of state awards is included with this report. Such schedule presents all state funded financial awards, as defined by the State Comptroller of the Treasury's Office, and is prepared and presented in a manner consistent with the schedule of expenditures of federal awards.

B. BASIS OF ACCOUNTING

The expenditures presented in the accompanying schedules of expenditures of federal and state awards were developed from agency records and federal and state financial reports which have been reconciled to the central accounting records of the Government. Governmental funds are reported using a modified accrual basis of accounting. Proprietary funds are reported using the accrual basis of accounting. These central records serve as the primary source of information in the preparation of the Government's basic financial statements.

Federal and state revenues and expenditures are included in the general fund, special revenue funds, capital projects funds, and enterprise funds in the Government's basic financial statements.

Because the schedules of federal and state awards present only a selected portion of the Government's operations, they are not intended to and do not present the financial position or changes in financial position of the Government.

C. <u>MATCHING COSTS</u>

The State of Tennessee's portion of joint programs with the Government are included in the accompanying schedule of expenditures of state awards, except in those cases where the state's portion is combined with the federal portion and cannot be separately identified. In such cases, the state's portion is included in the accompanying schedule of expenditures of federal awards. The Government's portion of such joint awards is not included.

METROPOLITAN GOVERNMENT OF NASHVILLE AND DAVIDSON COUNTY, TENNESSEE NOTES TO SCHEDULES OF EXPENDITURES OF FEDERAL AND STATE AWARDS YEAR ENDED JUNE 30, 2016

D. INDIRECT COSTS

Included in the Government's Cost Allocation Plan are central service costs allowable under OMB cost principles (as contained in Circular A-87 and the Uniform Guidance, as applicable). These costs may be "allocated" among programs of the Government in a consistent manner.

The amount presented in the Cost Allocation Plan as "allocated" to each department is not actually charged as expenditure to that department, but is accounted for in the central service area's budget. The amount is used to calculate indirect costs associated with programs funded by external sources that allow the inclusion of indirect costs (certain grants, user fees, etc.).

Many of the Government's federal and state funded programs allow indirect costs to be charged and include them as a line item in the grant budget. However, if the grant budget does not specifically provide for indirect costs to be charged, none of the indirect costs are reported as costs to the grantor nor are the costs included or presented in the schedules of expenditures of federal and state awards.

The Government has elected not to use the 10 percent de minimis indirect cost rate allowed under the Uniform Guidance.

E. CONTINGENCIES

The federal and state grants received by the Government are subject to audit and adjustment. If any expenditures are disallowed by the grantor agencies as a result of such an audit, the grantor agencies could make claim for reimbursement, which would become a liability of the Government.

During May 2010, Nashville and Davidson County experienced significant flooding and was declared a federal disaster area by President Barack Obama. The federal disaster declaration enables the reimbursement of certain flood-related costs to the Government through the Federal Emergency Management Agency (FEMA) of the U.S. Department of Homeland Security. Flood-related costs included in the accompanying schedule of expenditures of federal awards totaled \$7,600,552, which includes amounts expended in prior years that were approved as eligible expenditures by FEMA in fiscal year 2016. These expenditures have been included in the accompanying schedule of federal expenditures under CFDA 97.036. Flood-related amounts receivable under CFDA 97.036 totaled \$23,727,643 at June 30, 2016. Such flood-related costs are subject to review, approval and adjustment by FEMA and the Office Inspector General, which is on-going. The Government is working with FEMA on various appeals and adjustments to the FEMA project worksheets and related grant agreements.

METROPOLITAN GOVERNMENT OF NASHVILLE AND DAVIDSON COUNTY, TENNESSEE SCHEDULE OF FINDINGS AND QUESTIONED COSTS YEAR ENDED JUNE 30, 2016

SECTION I - SUMMARY OF INDEPENDENT AUDITOR'S RESULTS

Financial Statements

| Type of auditor's report issued: | <u>Unmodified</u> |
|---|---|
| Internal control over financial reporting: Material weakness(es) identified? Significant deficiency(ies) identified not considered to be material weaknesses? | yes _X_ noyes _X_ none reported |
| Noncompliance material to financial statements noted? | yes <u>X</u> no |
| Federal Awards | |
| Internal control over major programs: Material weakness(es) identified? Significant deficiency(ies) identified not considered to be material weaknesses? | yes <u>X</u> noyes <u>X</u> none reported |
| Type of auditor's report issued on compliance for major federal programs: | <u>Unmodified</u> |
| Any audit findings disclosed that are required to be reported in accordance with 2 CFR 200.516(a)? | ves X no |
