

## **Open Flames & Candles:**

An operational permit is required to use open flames or candles in connection with assembly areas, dining areas of restaurants or drinking establishments.

Conditions of this permit are as follows:

- Provide proper fire extinguisher for the space
- Open flame devices must be securely supported on non-combustible bases with the flames protected at all times.
- Liquid devices shall not leak greater than the amount allowable by code.
- Only devices that have been previously approved by the Fire Marshal's Office may be used.

During the application process be prepared to download the following documents: 1) A list of the items to be used 2) Photographs of the devices to be used.
