

## EXHIBIT B

IN CONJUNCTION WITH METRO'S CURRENT GUIDELINES, THE FOLLOWING STEPS WILL BE IMPLEMENTED TO ENSURE THE SAFETY OF THE PUBLIC, HOSPITALITY WORKERS, AND MUSICIANS:

- 1) All live musicians/entertainers will operate under the same guidelines as the property/venue's staff. Temperatures will be checked upon arrival & they will be screened with the same questions about wellness, COVID symptoms & potential exposure. Anyone with a temperature of 100.4 or higher, or anyone with COVID symptoms, will be asked to leave the property and instructed to follow the existing recommendations for testing and self-isolating.
- 2) Management will request periodic testing of musicians to ensure they are ahead of any infection risks.
- 3) Venues/properties will continue to operate at reduced capacity (per Chief Medical Director's orders). Seating and distancing guidelines must be adhered to.
- 4) Venues/properties will ensure all musicians are staged a safe distance from guests/tables defined as a minimum of 15 feet between performers and patrons.
- 5) Musicians will not be permitted on stage until the prior musicians have exited the stage and the venue has had the opportunity to sanitize.
- 6) The venue/property will fully sanitize the stage between acts: cables and stools must be sanitized.
- 7) No equipment may be shared between performers; each musician is responsible for bringing their own equipment (microphones, mic stands, amplifiers, drumsticks, etc.).
- 8) Social distancing protocols should be observed among performers (can be accomplished with barriers and other techniques).
- 9) No dance floors permitted. When possible, tables will be placed on dance floors or the dance floor area will be cordoned off to deter gathering.
- 10) Staff shall maintain a minimum distance of 6 feet from patrons, except when placing an item on the patron's table. Music volume should not exceed a level that would prohibit staff from maintaining the minimum 6 feet distance while interacting with patrons.
