

CENTENNIAL PERFORMING ARTS STUDIOS: SAFE START

HEALTH CHECK-IN:

Upon entering the building all persons will have their temperature taken via touchless device & sanitize their hands before and after class.

MANDATORY MASKS:

All staff & dancers must wear a mask at all times in the building. No exceptions. This is a government mandate.

STREAMLINED TRAFFIC FLOW:

Students will enter CPAS through the side door and exit through the front door. Parents may wait outside the CPAS front door to pick up their child after class.

VIDEO/HYBRID OPTION:

For in-studio classes a hybrid option will be available for students who do not yet feel safe meeting in person. Please notify dance staff if you would like to utilize this option.

EXTRA SANITATION:

High touch areas will be cleaned after each use. CPAS will be cleaned daily. Hand sanitizer will be readily available.

LOBBY & DRESSING ROOM CLOSED:

Students arrive in dance attire and cover-ups with hair done. Restrooms will be limited to 2 people at a time. The water bottle filler will be open but the fountain will be closed.

SOCIAL DISTANCING:

The studio floors and barres will be marked to help students maintain proper distancing during class.

WHEN TO STAY HOME & WHEN TO COME TO CLASS

IF YOU TEST POSITIVE FOR COVID-19

- Stay home and alert the dance staff.
- **If symptomatic:** Wait to return to class until 10 days have passed from symptom onset and you have gone 24 hours without a fever and symptoms are improving.
- **If asymptomatic:** Wait to return to class until 10 days after positive test was taken.
- Families will be alerted if students may have been exposed. Students and faculty exposed to the COVID-19 individual should stay home and quarantine for 14 days.

IF YOU EXHIBIT SYMPTOMS OF COVID-19

- Stay home until tested and results are known.
- If you choose not to get tested, you may return to class after going at least 24 hours without a fever and symptoms are improving and you have an acceptable alternative diagnosis as determined by a pediatrician or medical practitioner with a doctor's note.

IF YOU ARE EXPOSED TO COVID-19 IN YOUR HOUSEHOLD

- Stay home.
- **If you cannot isolate from the COVID-positive individual:** Quarantine for 24 days (10 days while individual isolates plus 14 days after individual meets criteria to end isolation.)
- **If you can isolate from the COVID-positive individual:** Quarantine for 10 days. If symptoms arise, follow guidelines above.

IF YOU HAVE BEEN EXPOSED TO SOMEONE WHO TESTS POSITIVE FOR COVID-19 OUTSIDE YOUR HOME

- Stay home
- Quarantine for 14 days after exposure. If symptoms develop, follow guidelines above.
