2017 incident counts are unofficial counts sourced from MNPD RMS on 1/4/2018. 2017 population and registered vehicle counts are estimated--a 2% increase from the prior year.
2% population increase figure obtained from: http://www.tennessean.com/story/news/2017/03/28/new-data-nashville-region-still-growing-100-people-day/99733098/

Information is sourced from incident reports using UCR definitions and reporting guidelines, based on the date when the crime was reported.
This report is intended to be a management and planning tool and does not reflect the official Uniform Crime Reports counts for the department.
